**ORDER**

☞ Fee Regulatory Committee [for short, the Committee], by order dated 17.07.2025, has regulated the tuition fee and special fee in respect of the

member colleges of the two Nursing College Management Associations, namely, Association of the Managements of Christian Self Financing Nursing Colleges of Kerala [ for short, AMCSFNCK] representing 35 Nursing Colleges and Private Nursing College Management Association of Kerala [for short, PNCMAK] representing 47 Nursing Colleges for Bachelor of Science in Nursing [BSc Nursing ], Post Basic Bachelor of Science in Nursing [PB BSc Nursing] and Master of Science in Nursing [MSc Nursing] Courses for the academic year 2025-26. 2. While finalising the aforementioned exercise in the meeting of the Committee held on 23.06.2025, it was decided that Notices shall be issued to the individual nursing colleges requesting them to appear before the Committee. Accordingly, Notices were issued to the Principals of the individual Nursing Colleges to appear for hearing.
3. In due compliance of the above direction, representatives of the individual Nursing Colleges appeared before the Committee on 17.07.2025 and advanced arguments.
4. During the course of hearing, discussions were held on the basis of the Fee Regulatory Order issued in respect of the members of the aforementioned two Associations vide Order No. **FRC 50/25/NURSING/AMCSFNCK/PNCMAK dated 10.07.2025**. Relevant portion [paragraph 4] of the aforesaid order and reproduced as follows:

“4. After completion of discussion and examination of the available documents based on the consensus arrived at by the parties, the Committee decided that the tuition fee and the special fee charged on the students undergoing B.Sc, PB.B.Sc and M.Sc in respect of the member colleges of the Associations shall be revised by increasing the existing rate of the tuition fees and the special fees by 5 % taking cue from clause 6 of the NMC guidelines. It is, however ordered, in view of the objection raised by the Kerala State United Nurses Association [UNA] against the

expenditure said to have been met towards 'SNAI fee' that the expenditure shown in the then proposal submitted by the Colleges for regulation of fee leading to Order No. FRC 50/22/B.Sc/PB.B.Sc/M.Sc/Nursing dated 20.06.2022 in respect of SNAI payments need not be reckoned for future purposes with the result that the sum of Rs. 1500/- accounted therefor shall stand deleted from the special fee amount. Committee further decided that another 5% increase can be granted towards future development of the Institution so that the total increase shall be 10% [ten percent] over and above the existing amount and that the above hike shall, appropriately, be made applicable to N.R.I students also."

5. Representatives of the Nursing Colleges submitted that the fee in respect of those colleges also may be revised by granting 10% increase over and above the existing tuition fee which was allowed to the member colleges of AMCSFNCK and PNMACK. Committee finds that the above request is just, fair and reasonable. Hence, the Committee unanimously resolved to regulate the tuition fee and other fees of the Nursing Courses for the academic year 2025-26 as follows:

<b>FEE STRUCTURE FOR BSC/PB BSC/ MSC NURSING 2025-26</b>
