- To encourage the students in tapping out their hidden potentials towards Nursing profession.
- To encourage the students towards research and innovation in the field of Nursing through modern science and technology.
- To take the institution to a higher level by acquiring various recognitions and rankings at national and international level.

Prof. Dr. Priya Mary Stella
Principal

Nursing is a caring and curing profession. Nursing Emerges from a vacation to a different discipline by its nature and body of knowledge. Nursing cares about humanity by its evidence based on cognitive affective and psychomotor (knowledge skill and Practice). The first woman is first nurse of this world. Yes, the scope of nursing is everlasting and universe.

Nursing being a professional course, our mission is to prepare nursing students to be effective specialists, leaders of this community who will work to improve the health and health care of the people of our country and beyond the nation.

I wish you all the best for selecting the noble profession. P.K.Das College of Nursing has become an epitome of excellence in rendering quality nursing education through progressive outlook, energizing thoughts, optimistic motivation and rich rootage in moral and ethical values. Dedicated and experienced faculties, excellent infrastructural and clinical facilities equip our students to meet the challenges of today and tomorrow. I welcome all the aspirants to join their hands with us for their academic journey to turn out as competent nursing professionals as graduates and post graduates.

We aim to help the students to learn about the recent advances in Medical/ Nursing services and to bridge the gap between them, above all we strive to achieve quality in education with eminent faculty, good physical infrastructure and well nourished clinical facilities that will pave the way for overall development of the learner. We are proud to say that all our alumni's are employee in various hospitals in Kerala, India and abroad.
