FEEDBACK MECHANISM

- Feedback on curriculum is obtained from students, teachers, alumni, employers and other professionals in the health care industry.
- Feedback link is available in the institution website.
- The stakeholders register their valuable feedback through the link available in the institution website.
- The response of the feedback is collected, analyzed and submitted to the Governing Committees of the Institution like Curriculum Committee, IQAC and Institution Academic Committee.
- The gap identified is addressed with appropriate remedial measures.
- The Feedback mechanism assists in continuous improvement of the Institution in all aspects.

FEEDBACK ON CURRICULUM OBTAINED FROM STUDENTS

The students of the institution recorded their feedback in the link provided in the website of Nehru College of Nursing

The feedback is obtained using the following questionnaires

- A. How satisfied are you with the overall quality of the curriculum?
- B. Please rate the relevance of the curriculum to your academic and career goals.
- C. How would you rate the organization and clarity of course materials and resources?
- D. Rate the effectiveness of teaching methods and instructional techniques used in the curriculum.
- E. How well did the curriculum prepare you for real-world applications?
- F. How satisfied are you with the support services (e.g., advising, tutoring) provided for this curriculum?
- G. Please rate your level of engagement and interest in the courses within this curriculum.
- H. How would you rate the flexibility and adaptability of the curriculum to your learning needs?
- I. How well does the curriculum accommodate your schedule and lifestyle?
- J. Please rate the support and feedback provided by instructors throughout the curriculum.

Rating scale is categorized under following headings.

- Excellent
- Very good
- Good
- Poor

The feedback is collected and analyzed. The valuable inputs are incorporated in reforming the academic activities of the Institution.

FEEDBACK ON CURRICULUM OBTAINED FROM TEACHERS

The Teachers of the institution recorded their feedback in the link provided in the website of Nehru College of Nursing

The feedback is obtained using the following questionnaires

- A. How well does the curriculum align with the educational goals and standards you aim to achieve?
- B. Please rate the effectiveness of the curriculum materials and resources in supporting your teaching.
- C. How would you rate the curriculum's adaptability to different teaching styles and classroom settings?
- D. Rate the clarity and organization of the curriculum materials and lesson plans.
- E. On a scale of 1 to 5, how well does the curriculum engage and motivate your students?
- F. How satisfied are you with the professional development and support provided for implementing this curriculum?
- G. Please rate the curriculum's alignment with current teaching methods and best practices.
- H. How well does the curriculum incorporate assessment and evaluation methods to track student progress?
- I. On a scale of 1 to 5, how effectively does the curriculum address the diverse learning needs of your students?
- J. Please rate your overall satisfaction with the curriculum as a teaching resource.

Rating scale is categorized under following headings.

- Excellent
- Very good
- Good
- Poor

The feedback is collected and analyzed. The valuable inputs are incorporated in reforming the academic activities of the Institution.

FEEDBACK ON CURRICULUM OBTAINED FROM EMPLOYERS

The employers of various organizations recorded their feedback in the link provided in the website of Nehru College of Nursing

The feedback is obtained using the following questionnaires

- A. How well does our curriculum align with the skills and knowledge needed in your institution?
- B. How would you rate the relevance of our curriculum to your company's specific needs?
- C. Please rate the effectiveness of our curriculum in preparing students for the workforce.
- D. How well do our graduates meet your expectations in terms of skills and knowledge?
- E. How satisfied are you with the practical experiences and internships provided within our curriculum?
- F. Rate the communication and collaboration skills of students who have completed our program.
- G. How well does our curriculum address emerging trends and technologies in your industry?
- H. How would you rate the overall quality of graduates from our program?
- I. Please rate the curriculum's adaptability to changes in your institution.
- J. How likely are you to hire graduates from our program in the future?

The Rating is based on the following parameters..

- Excellent
- Very good
- Good
- Poor

The feedback is collected and analyzed. The valuable inputs are incorporated in reforming the academic activities of the Institution.

FEEDBACK ON CURRICULUM OBTAINED FROM ALUMNI

The Teachers of the institution recorded their feedback in the link provided in the website of Nehru College of Nursing

The feedback is obtained using the following questionnaires

- A. How well did the curriculum prepare you for your post-graduation career?
- B. Please rate the relevance of the curriculum to your current job or career path.
- C. How would you rate the practical skills and knowledge you gained from the curriculum?
- D. Rate the support and resources available to you as an alumni for career development.
- E. How well did the curriculum foster critical thinking and problem-solving skills?
- F. How satisfied are you with the networking opportunities and alumni connections provided by the curriculum?
- G. Please rate the curriculum's contribution to your personal and professional growth.
- H. How well did the curriculum prepare you for lifelong learning and adaptability in your field?
- I. How would you rate the overall quality and value of the curriculum?
- J. Please rate your likelihood of recommending this curriculum to others.

Rating scale is categorized under following headings.

- Excellent
- Very good
- Good
- Poor

The feedback is collected and analyzed. The valuable inputs are incorporated in reforming the academic activities of the Institution.

FEED BACK ANALYSIS ON CURRICULUM OBTAINED FROM STUDENTS

ACADEMIC YEAR 2022-2023

The feedback was obtained from students. The feedback is analysed and the following observations are made.

- The overall quality of the curriculum can be improved by the periodic revision of syllabus.
- Relevance of the curriculum to the academic and career goals can be improved by conducting more workshops and seminars.
- Organization and clarity of course materials and their resources are helping the students to tackle different scenarios in care setting
- Various teaching methods such as simulation, objective structured clinical examination, instructional techniques, usage of ICT enabled class room, various audio visual aids recommended in the curriculum are useful to the students.
- The curriculum is prepared well for the real-world applications.
- Various supporting services (e.g., advising, tutoring) provided in the curriculum helps the students to mould their career.
- Students engagement in observance of health days is fruitful.
- The curriculum has good flexibility and adaptability for their learning needs
- The curriculum has to be modified to increase the comfort level to accommodate the schedule and lifestyle of the students
- Periodic assessment and evaluation of instructors and their support as well as feedback provided by them throughout the curriculum is worthwhile.

The above observations are analyzed and recorded in the curriculum committee as well in IQAC meeting. The valuable inputs will be incorporated in the academic activities to improve the overall performance of the students.

FEEDBACK ANALYSIS ON CURRICULUM OBTAINED FROM PROFESSIONALS ACADEMIC YEAR 2021-22

The feedback was obtained from various nursing and medical professionals. . The feedback is analysed and the following observations are made.

- The curriculum align with the knowledge and skills to meet the demand of the health sectors.
- The curriculum is effective in addressing advanced or specialized topics in the field of nursing.
- The curriculum has practical relevance to the day-to-day work and challenges.
- The curriculum helps mould the students ability to keep pace with emerging trends and technologies in the institution .
- The curriculum foster critical thinking and problem-solving skills for the young graduates.
- The curriculum has good flexibility and adaptability
- The curriculum helps the graduates for the professional development
- The curriculum has immense support for networking and connecting with other professionals in the field of nursing practices.
- The curriculum encourage continuous learning and skill enhancement in the profession, they are provided with opportunities to participate in workshop, seminars, webinars to fulfil the needs of the health sectors.
- The overall quality and relevance of the curriculum is excellent for professionals in the field of nursing practices.
- As nursing has a vast degree of opportunities they are recommending this curriculum.

The above observations are analyzed and recorded in the curriculum committee as well in IQAC meeting. The valuable inputs will be incorporated in the academic activities to improve the overall performance of the students.

FEED BACK ANALYSIS ON CURRICULUM OBTAINED FROM STUDENTS

ACADEMIC YEAR 2020-2021

The feedback was obtained from students. The feedback is analysed and the following observations are made.

- The overall quality of the curriculum can be improved by the periodic revision of syllabus.
- Relevance of the curriculum to the academic and career goals can be improved by conducting more workshops and seminars.
- Organization and clarity of course materials and their resources are helping the students to tackle different scenarios in care setting
- Various teaching methods such as simulation, objective structured clinical examination, instructional techniques, usage of ICT enabled class room, various audio visual aids, online platforms are recommended more in the curriculum are helpful to the students.
- The curriculum is prepared well for the real-world applications.
- Various supporting services (e.g., advising, tutoring) provided in the curriculum helps the students to mould their career.
- Students engagement in observance of health days is fruitful.
- The curriculum has good flexibility and adaptability for their learning needs
- The curriculum has to be modified to increase the comfort level to accommodate the schedule and lifestyle of the students
- Periodic assessment and evaluation of instructors and their support as well as feedback provided by them throughout the curriculum is worthwhile.

The above observations are analyzed and recorded in the curriculum committee as well in IQAC meeting. The valuable inputs will be incorporated in the academic activities to improve the overall performance of the students.

- The graduates are adaptable to any institution and hospital sectors.
- Students needed to have more exposure to emerging trends and technologies as the curriculum is updated with recent innovations and technologies.
- The development of curriculum is required to improve the overall performance of the graduates to meet the existing needs of health sectors.

The above observations are analyzed and recorded in the curriculum committee as well in IQAC meeting. The valuable inputs will be incorporated in the academic activities to improve the overall performance of the students.

FEEDBACK ANALYSIS ON CURRICULUM OBTAINED FROM ALUMNI

ACADEMIC YEAR 2018-2019

The feedback was obtained from Alumni of the college. The feedback is analysed and the following observations are made.

- The curriculum assisted the graduate's admission for post-graduation and excellent career opportunities.
- Advanced practical skills and knowledge can be provided to the curriculum for helping them to shine in suitable careers both education and health sectors.
- The curriculum foster critical thinking and problem-solving skills for their future carrier
- Alumni needed to provided with more networking opportunities to communicate and guide the juniors and to participate in the institutional activities.
- Alumni are provided with the opportunities to participate in webinars, seminars, workshop in the institution.
- The curriculum needed to revise to prepare them for lifelong learning and adaptability in the field of nursing education and practices.
- Overall quality and value of the curriculum is excellent and can be improved more by curriculum revision.
- The recommendation of this curriculum is done by Alumni because of the effective learning outcomes.

The above observations are analyzed and recorded in the curriculam committee as well in IQAC meeting. The valuable inputs will be incorporated in the academic activities to improve the overall performance of the students.

FEEDBACK ANALYSIS ON CURRICULUM OBTAINED FROM PROFESSIONALS ACADEMIC YEAR 2018-19

The feedback was obtained from various nursing and medical professionals. . The feedback is analysed and the following observations are made.

- The curriculum is needed to improve for aligning with the knowledge and skills to meet the demand of the health sectors.
- The curriculum is effective in addressing advanced or specialized topics in the field of nursing and can be improve more by periodic curricular revision.
- The curriculum has practical relevance to the day-to-day work and challenges.
- The curriculum need to improve for moulding the students ability to keep pace with emerging trends and technologies in the institution .
- The curriculum foster critical thinking and problem-solving skills for the young graduates.
- The curriculum has good flexibility and adaptability
- The curriculum helps the graduates for the professional development
- The curriculum has immense support for networking and connecting with other professionals in the field of nursing practices.
- The curriculum encourage continuous learning and skill enhancement in the profession, they are provided with opportunities to participate in workshop, seminars, webinars to fulfil the needs of the health sectors.
- The overall quality and relevance of the curriculum is excellent for professionals in the field of nursing practices.
- As nursing has a vast degree of opportunities they are recommending this curriculum.

The above observations are analyzed and recorded in the curriculum committee as well in IQAC meeting. The valuable inputs will be incorporated in the academic activities to improve the overall performance of the students.
