2.3.4. STUDENT: MENTOR RATIO

The students are mentored to ensure physical, mental, social, emotional and spiritual health.

The institution implements effective mentoring and counseling for the students. Each Faculty is assigned with ten students for mentoring.

The mentor meets the students regularly, discuss the academics to understand the performance of them. The mentors motivate the students to participate in co-curricular, extracurricular, sports, arts, cultural, competitive exams, skill training and placements.

The mentoring details are recorded and kept confidentially.

Certain issues are resolved by the mentors itself. Some issues are addressed by class coordinators, Principal and on need by the consultant experts.

The subject handling faculty also mentors the students to qualify in the end semester examinations.
