NEHRU COLLEGE OF NURSING

Nehru College of Nursing promoted by Nehru Educational and Charitable Trust is situated at Panayur road, Vaniyamkulam, Ottappalam Palakkad to cater to this felt and assured need for a quality Nursing Institution at reach. The College of Nursing has left an indelible mark on bringing up Curricular, Co-curricular and extracurricular activities. These ventures help the students to evolve into truly global nursing professional standard and attire of dynamicity as gratified citizens.

Nehru Group of Institutions was established in 1968 in Kuniyamthur, Coimbatore, Tamil Nadu as a centre of educational excellence to nurture, guide and ignite the spirit of the young minds in Tamil Nadu and Kerala. This was fifty years ago when education opportunities were limited and information centers were not equipped with adequate resources. NGI was founded on this philosophy to serve students, especially from economically backward backgrounds looking out for continuing education pathways with an academic and vocational direction.

Late P. K. Das, our founder-chairman gave up his lucrative job in the Air Force and chose to pursue his dream of building a centre of educational excellence. With a vision to establish Nehru Group of Institutions, he embarked on the mission, encountering first-hand experience of the difficulties and the challenges that sprung up unawares. His demise in 2009, saw the mantle of responsibility fall on the very able shoulders of his sons, Managing Trustee, Adv. Dr. P. Krishna Das and CEO & Secretary, Dr. P. Krishna Kumar, who weathered the fiercest of storms and challenges, to build up the walls and to emerge as contenders in the now changing world of education. They have stood fast in their faith of seeing their father's vision fulfilled and get the institution a University status, without compromising on the ethics and principles

We have, in the past 50 years, successfully nurtured, groomed and placed approximately 1, 00,000 plus students in the best of corporate, here and abroad. Our service is complete. We have branches ranging from architecture to healthcare across Tamil Nadu and Kerala, our corporate office in Coimbatore, all delivering objective advice and maintaining a professional level of service to students and parent.

Nehru College of Nursing offers B.sc nursing programme of 4 years duration as specified by Kerala University of health sciences (KUHS), approved by Government of Kerala, Indian Nursing council (INC) and Kerala nurse and midwives council (KNMC). The college is located in a sprawling campus having all the infrastructure including hostel facilities and well connected by road and train. The college intends to provide high quality education as wells as clinical exposure to the students, and the best caring to patients and the best academic as well as research environment.

AIMS

The aim of the undergraduate nursing program is to:

1. Prepare graduates to assume responsibilities as professional, competent nurses and midwives in providing promotive, preventive, curative and rehabilitative services.
2. Prepare nurses who can make independent decisions in nursing situations, protect the rights and facilitate individuals and groups in pursuit of health, function in the hospital, community nursing services, and conduct research studies in the areas of nursing practice. They are also expected to assume the role of teacher, supervisor, and manager in a clinical/ public health setting/ school of nursing

OBJECTIVES

On completion of the four years B.Sc. Nursing programmes the graduate:

- Utilize the latest trends and technology in providing health care.
- Provide Promotive, preventive and restorative health services in line with the National Health Policies and programmes.
- Practice within the framework of code of ethics and professional conduct, and acceptable standards of practice within the legal boundaries.
- Communicate effectively with individuals and groups, and members of the health team in order to promote effective interpersonal relationships and team work.
- Participate effectively as member of the health team in health care delivery system.
- Demonstrate leadership and managerial skills in clinical/community health settings.
- Conduct need based research studies in various settings and utilize the research findings to improve the quality of care.

QUALITY POLICY

In the pursuit of its vision mission and its objectives, **Nehru College of Nursing** commits itself to:

- Deliver quality academic, healthcare and support services to the community maintaining the highest professional standards enlightened by hope, charity and faith.
- Provides its academic and administrative staff members, faculties and other stake holders the highest opportunity to update their skills and knowledge, improve their competencies and apply it in life saving situations
- Initiate and improve quality assurance standards and they keep up with the advancements in academic services and health care technologies in order to meet the changing needs of community. Faculty members, students and other stake holders
- This quality policy shall comply with all national and international statutory bodies of the education industry and recognized bodies in the discipline of Nursing

COURSE OUTCOME (CO) - NURSING FOUNDATION

CO1. Utilize critical thinking to synthesize knowledge derived from physical, biological, behavioral sciences, and humanities, in the practice of professional nursing and midwifery.

CO2. Practice professional nursing and midwifery competently and safely in diverse settings, utilizing caring, critical thinking and therapeutic nursing interventions with individuals, families, populations and communities at any developmental stage and with varied lived health experiences.

CO3. Provide promotive, preventive and restorative health services in line with national health policies and programs.

CO4. Integrate professional caring into practice decisions that encompass values, ethical, and moral and legal aspects of nursing.

CO5. Respect the dignity, worth, and uniqueness of self and others.

CO6. Apply concepts of leadership, autonomy and management to the practice of nursing and midwifery to enhance quality and safety in health care.

CO7. Utilize the latest knowledge and skills related to information and technology to enhance patient outcomes.

CO8. Communicate effectively with patients, peers, and all health care providers.

CO9. Utilize the requisite knowledge, skills and technologies to practice independently and collaboratively with all health professionals applying the principles of safety and quality improvement.

CO10. Integrate research findings and nursing theory in decision making in evidence-based practice.

CO11. Accept responsibility and accountability for the effectiveness of one's own nursing and midwifery practice and professional growth as a learner, clinician and leader.

CO12. Participate in the advancement of the profession to improve health care for the betterment of the global society.
