NEHRU COLLEGE of NURSING

PANAYUR (P O), VANIYAMKULAM, PALAKKAD - 679 522

(Approved by Indian Nursing Council, Kerala Nurses & Midwives Council & Kerala Government
Affiliated to Kerala University of Health Sciences)

3.4.4 Institutional Social Responsibility, activities in the neighbourhood, community in terms of education, environmental issues like Swachh Bharat, Health and Hygiene awareness and Social Economic Development issues carried out by the students and staff during the last five years.

IMPACT OF EXTENSION ACTIVITIES

The institution organizes distinct extension activities like health education awareness programmes, medical camps, sanitation campaign for the community health and wellbeing. These programmes help the students and public to become knowledgeable about the social issues, health problems and its management.

HEALTH EDUCATION PROGRAMMES

The health education programmes were conducted to make the public aware about the issues, its prevention, early detection and management. It also has a significant impact on students who are preparing and participating in these activities. They directly interact with the individuals, groups, families and finally the community. Students along with teachers from different department jointly conduct programmes related to tuberculosis, HIV AIDS, Covid 19 pandemic and its vaccination, mental health issues etc

MEDICAL CAMPS

Nehru College of Nursing has a vital role in conducting medical campaigns for the community for screening, identifying the problems early, seeking treatments and appropriate management. It is very beneficial for the public for realizing about their health status and addressing their complaints.

SANITATION PROGRAMME- SWACH BHARAT MISSION

One of the flagship programmes in India is Swachh Bharat Mission. (WASH Water Sanitation and Hygiene) in health facilities and district wide WASH interventions supporting the sanitation programmes.

Poor sanitation has a ripple effect when it hinders national development because workers are suffering from illness and living shorter lives thereby producing lower socio-economic status if earning is less so it may unable the Indian younger citizens to afford education and cannot achieve stable future for their children.

Nehru College Of Nursing, as a part of NSS activities are initiated sanitation programmes in selected areas of Vaniyamkulam Grama Panchayat. The students conducted sanitation programmes such as environmental cleaning, chlorination of wells and conducted hygiene awareness programme in the methods of flash mob, taboo, mime, role play and drama health exhibitions and demonstrations in Ward-4, Vellarampara, Vaniyamkulam and Koonathara Government Higher Secondary School.

HEALTH AND HYGIENE

The institution has conducted Health and hygiene programmes as a part of community health services. The students participated in street play, rallies, road show etc for different health related topics like importance of hygiene, prevention of communicable diseases, menstrual hygiene, and mental health. Through these activities the community has become aware about hygienic practices and they are following.

SOCIO-ECONOMIC DEVELOPMENT

As part of socio-economic development programmes, the institution has participated in various activities in which the society is the ultimate beneficiary. Students visited old age homes, orphanages and participating in palliative care services. By visiting and conducting programmes the students have contributed food materials and other amenities to the inmates. Also, they interacted with the members of such institution and conducted cultural events for their entertainment.
