REPORT ON HEALTH EXHIBITION HEALTHORA 2K23 –OCTOBER 28

As a part of Adult health nursing project, the department of medical-surgical nursing organized an exhibition on October 28, 2023, at the NCN multipurpose hall from 10 a.m. to 5 pm. Fourth semester nursing students organized the health exhibition named HEALTHORA 2K23. In this exhibition, students were divided into 10 groups. Each group were assigned with different topics. Group 1 - organization set up of CCU and the different plans they depicted in the chart. This presentation is helpful to understand the organizational setup of CCU. Group 2 topic: burn assessment. They showed the types of burns, the rule of nine in models, and other topics explained by using charts. Group 3 made an infusion pump model. Group 4 cardiac monitor, Group 5 radiation therapy Group 6 hazards, Group 7 defibrillators, Group 8 disaster cycle, Group 9 mechanical ventilators, and Group 10 chemotherapy Exhibition was inaugurated by correspondent Mrs SumithaKrishnadas at 11 a.m. After inauguration, the principal, vice principal, and all faculty attended the exhibition. 30 students and 10 teachers from Swathi central school, Vaniyamkulam attended the session. After all, first semester, second semester, and fourth- and third-year students attended the session. The exhibition was innovative, and all those who attended appreciated the effort of the students.

DIVINE BALANCE

We, PK DAS College of Nursing, Vaniyamkulam organized a session in PNNM Ayurveda College, Cheruthuruthy for exploring the institution's mission, vision, philosophy, the courses they are running, the different treatment modalities for different disorders in Ayurveda. The students got a golden opportunity to witness the procedures and products that they used. 25 students from second year BSc Nursing students and 2 faculties visited there on 23rd May 2024 at 10 AM.

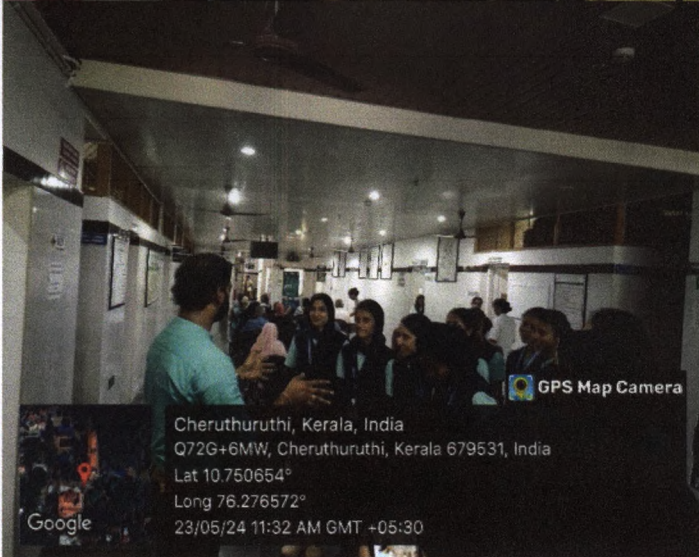

The earliest of these arts is perhaps the Indian science of Ayurveda or the 'Knowledge of Life'. Handed down over generations it was once the mainstay of Indian life. P N N M Ayurveda Medical College and Hospital is a self-financing institution affiliated to Kerala University of Health Sciences, Thrissur. This Ayurveda College has been recognized by the National Commission for Indian System of Medicines, Government of India and the Ministry of Health and Family Welfare Department of Ayush. The institution offers all facilities for the aspiring Ayurveda Physician. The academic wing is staffed by dedicated and proficient faculty. Apart from the prescribed curriculum of Ayurveda, knowledge in ancient sciences like Jyothisham, Vasthu and Tantra is imparted by eminent scholars.

Dr Renjith, Department of Kayachikitsa delivered a session about the origin and history of hospital and college, the importance of Ayurveda, difference between Ayurveda and Allopathy. After that, Dr Anu, Department of Kayachikitsa presented with powerpoint presentation regarding the services provided by their institution and their herbal garden. Then Dr Renjith and Mrs. Shyama accompanied the students to visit their college and hospital. They showed the equipments and materials that they used such as shirodhara table, Wooden steam bath chamber, shirodhara vessel, thaila vasti yanthram....At last, they displayed their herbal garden, the lab facilities and infrastructure in college. Students got a chance to see cadaver in the college. At the end of session, they expressed their thanks to us and one of the students expressed their gratitude to the staffs in PNNM Ayurveda College.

CLEAN UP CAMPAIGN

A clean up campaign is a community based pro-active effort and environmental initiative. It aims that improving the environment by removing waste and pollutants from public spaces.

Objectives:

- To promote environmental awareness and ensure environmental sustainability.
- To ensure environment is safe, clean and healthy.

Nehru College of Nursing and NSS unit organized a clean-up campaign in TMUP school, Panayur on 04/02/2023 from 8.30 am-12.30 pm. NSS volunteers, third year B.Sc. nursing students along with 3 faculties involved in the campaign. The students have done the cleaning of the school premises. They were divided as several groups and cleaned the school ground area, building surroundings. They have removed the whole waste materials & cleaned the grass & plants from the ground. By this clean-up campaign the students could able to make the whole school premises neat and clean. The staffs & students of the school appreciated the work of the students & by this programme we could create awareness among the school students the need of keeping their surroundings neat and clean.

ORTHOCAST EXPLORATION

Orbital Orthopaedics is the company which situated in Ernakulam and provides the best range of orthopaedics instruments & fracture aids with effective & timely delivery. Orthopaedics instruments and fracture aids play a crucial role in diagnosing and treating various bone-related conditions and injuries. From simple splints to sophisticated surgical instruments, they enable healthcare professionals to provide effective care and support for patients with fractures and other orthopaedic issues, facilitating their recovery and rehabilitation process.

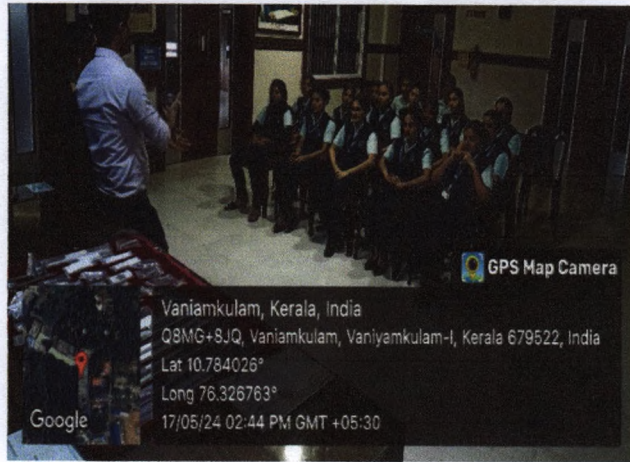

Third semester students of PK Das College of Nursing visited orbital orthopaedics company on 17th May 2024 at 10AM and acquired adequate knowledge regarding the orthopaedics instruments and fracture aids. Mr Akhil Raj, manager operations of Orbital Orthopaedics gave brief introduction regarding their company. After that he explained all the instruments, its specifications and uses in different ortho surgeries. He explained each instrument in detail with relation to anatomy of human body. They displayed all the instruments and students observed. At the end, Ms Amrita delivered their sincere thanks to the staffs in Orbital Orthopaedics

ACADEMIC AMPLE

Personal protective equipment, commonly referred to as "PPE", is equipment worn to minimize exposure to hazards that cause serious workplace injuries and illnesses. These injuries and illnesses may result from contact with chemical, radiological, physical, electrical, mechanical, or other workplace hazards. Personal protective equipment may include items such as gloves, safety glasses and shoes, earplugs or muffs, hard hats, respirators, or coveralls, vests and full body suits. Catheter associated urinary tract infection, central line associated blood stream infection, surgical site infection, ventilator associated pneumonia are the main hospital acquired infections and PPEs are very crucial in preventing these.

Navani Meditex manufactures all types of surgical Packs, Gowns, Drapes, and other Prominent Products. Since their inception in 2019, nestled in the picturesque district of Palakkad, Kerala, we have been relentlessly working towards preventing cross-contaminations, surgical site infections, and other hospital-acquired infections. The institution organized an observation visit here and planned on 16th May 2024. 89 students and 2 faculties were visited there. Mr Favas, management representative welcomed us and gave brief introduction regarding policies, rules and regulations of their company. After that Ms Aparna, quality surveyor accompanied students and faculties to their production area and explained regarding the process from reception of products to dispatching of products. They have a sterilizing unit within the company and are using ETO for this. Students and faculties got the opportunity to see the entire process of production of PPEs. They followed all precautions which we used in health care facilities to prevent entry of microorganisms and produce safe surgical materials.

OBSERVATION VISIT AND EXPLORATION TO NAVANI MEDITEX

Nosocomial infections (also called healthcare-associated infections, hospital-acquired infections or HAIs) are illnesses we will get at a medical facility. These infections can cause serious and sometimes life-threatening conditions. HAIs can occur in a variety of settings like hospitals, surgical center's, dialysis clinics and long-term care facilities. Surgical materials like gown, head cap, gloves, mask ... have great importance in health care profession. These are used to protect the patient and health care professionals from infections. Personal protective equipment can help us from catheter associated infections, central line associated blood stream infection, ventilator associated pneumonia and surgical site infection.

Nehru college of nursing planned a scholastic visit to Navani Meditex Pvt Ltd, Parali, Palakkad on 20 April 2023 for getting adequate knowledge regarding production and dispatching of personal protective equipment. 2 faculties and 30 students from third year BSc Nursing reached there at 10 AM. Mr Favas, management representative explained regarding policies, rules and regulations of their company. After that Ms Aparna, quality surveyor accompanied students and faculties to their production area and explained regarding the production of their products. It was a wonderful opportunity for the students to aware about the production of daily used PPEs in health care facility.

REPORT OF OET, IELTS ORIENTATION PROGRAMME BY MEDICITY STUDY ABROAD ACADEMY KOCHI

ON 13th Feb 2024

Venue: P.K. Das College of Nursing, Auditorium

Time: 2.00 P.M

Beneficiaries: Fourth Year B.Sc Nursing Students

On 13th Feb 2024. Medicity study abroad Academy, Kochi team visited our college and conducted OET, IELTS orientation programme for the 4th year students (2019-2023 Batch).Principal, Prof. Dr.Srinivasan Gandhi welcomed the resource person.The classes were about IELTS and OET coachings in Kerala. The Resource person was Ms.Sajitha, Administrator of the Academy. Ms. Preethi Marketing Head accompanied. They had explained about the aim, objectives and scope of the training and also some tips for cracking the exam.The possibility and feasibility to get a better employment level were well explained. Students were very keen and clarified their doubts regarding migration to other countries.

The resource persons were very much interactive with the students. After conclusion of the session,they conducted a trial listening session for OET as a trial and they give prize for the students Aadil Mathew (first prize with a score of 7/12) and Jithin k Joju(second Prize with a score of 5/12). Students were excited and thanked them for their consideration.

Ms. Lakshmi.K.Shameej extended vote of thanks and the class session concluded at 4.15.pm

HEALTH HAVEN

WE, Nehru College of Nursing, Vaniyamkulam organized a health camp in Maharaj Tools and Dies, Athani, Thrissur. Maharaj Tools and Dies had a simple beginning in a small tool shop in Mumbai. Later shifted to Kerala in 1997. They are the one leading manufacturing setup includes injection molding, Design and Development centre etc.

Objective:

- The health camp aimed to provide free medical check-ups and health education for the staffs.
- The primary focus was on preventive care and raising awareness about common health issues and occupational hazards.

The health camp held on June 22, 2023 at Maharaj Tools and Dies, Athani, Thrissur, was significant outreach activity organized by Nehru College of Nursing. The fourth year students of Nehru College of Nursing conducted health camp and health education to the staffs. The camp successfully provided various health services for all the staffs working in the institution.

Services provided:

1. General health check-ups:
 - Blood pressure monitoring
 - Blood sugar testing
 - Body mass index calculation
 - Basic physical examinations
2. Health education:
 - First aid measures for occupational hazards
 - Diabetes management
 - Occupational safety measures
 - Importance of health monitoring

MEDICAL MASTERY

Surgical instruments are crucial for nursing students to understand the intricacies of various surgical procedures. Knowledge of these tools helps in comprehending the steps involved in surgeries, which is essential for providing appropriate preoperative and postoperative care. Proficiency in surgical instruments enables nursing students to assist effectively in surgical settings. This skill is vital for ensuring patient safety, improving the efficiency of surgical teams, and enhancing overall patient care. Familiarity with these tools allows nurses to anticipate the needs of surgeons and respond promptly during operations. Nursing students must learn about the sterilization and handling of surgical instruments to prevent infections. Proper knowledge of how to maintain and handle these instruments reduces the risk of surgical site infections, ensuring a sterile environment and promoting patient recovery.

Nehru College of Nursing organized a surgical instrument exhibition in collaboration with Kevin Care Surgicals for 3rd year B.Sc. Nursing students at Nehru College of Nursing auditorium on 20/04/2023 at 10am. Total 58 students and 5 faculties were participated in the exhibition. The exhibition was so effective for all participants. Mr. Pramod, sales executive of Kevin care Surgicals explained about the instruments, it's importance and indications ect.... At last the students had given their valuable feedback about the exhibition.

The affiliating hospital hereby agrees to permit the students of the college to use the clinical facilities in the Departments of the affiliating hospital for their clinical training. It is declared that the affiliating hospital is not permitting the students of more than three nursing colleges to use the facilities available. The colleges which are presently using the facilities are NIL.

The affiliating hospital is having the facilities as prescribed by the INC in the clinical and staff pattern.

The affiliating hospital would be extending all the necessary facilities to students for their training for a minimum period of Four Years for M.Sc. Nursing. The affiliating hospital agrees to permit the inspectors duly appointed by the Kerala University of Health Sciences to inspect its premises, clinical facilities and such other things as and when deemed it necessary by the University.

“ONAM VARAVAI 2K22”

(ONAM CELEBRATION & AN AMUSEMENT EVENT FOR THE INMATES OF MANOMITHRA
INSTITUTE OF MEDICAL SCIENCES Pvt.Ltd. PANNIMADA, MALAMPUZHA, PALAKKAD)

“Onam is marked by happiness, excitement and enjoyment among all sections of people. It opens up with an entirely new world of an exotic taste, exquisite fragrances, and an enchanting display of flowers & new outfits. Designating time for leisure activities is an important part of maintaining good mental health”

The Mental health department & 3rd year students of Nehru College of Nursing organized onam celebration & an amusement event for the inmates of Manomithra Institute of medical sciences, one of the nation's leading inpatient psychiatric hospitals on 20th Aug 2022.. The aim of the program was to engage & entertain the inmates there & bring them in to the mode of celebrating of one of the authentic festival of Kerala ONAM. The place was made festive with flowers, decorations by The MEDALLIONS. They have performed marvelous Thiruvathirakkali & onam songs which expresses the Kerala tradition & rituals of onam. All the patients & staffs of Manomithra offered a great participation in the event. The MEDALLIONS of NCN really need pronounced admiration for organizing such an impressive program which was a warm breeze to the inmates of Manomithra who struggle in the shores of mental instability

DHVANI 2K21

**An event for engaging, health educating & entertaining the mentally challenged people
at MANOMITHRA INSTITUTE OF MEDICAL SCIENCE**

"Taking on the role of caring for someone with a mental illness is a big commitment. It can be very emotionally and physically demanding, but it can also be a rewarding experience. To give the person caring for the best chance of recovery it is important to find out how to support someone with a mental illness."

As a part of MENTAL HEALTH NURSING requirement the 3rd year students of Nehru College of Nursing (NCN) had got an opportunity to attend training at MANOMITHRA INSTITUTE OF MEDICAL SCIENCES, Palakkad, one of the nation's leading inpatient psychiatric hospitals. They are dedicated in treating individuals with complex mental illnesses, & equally committed to groom future mental health professionals and advancing mental healthcare through research.

An event "DHVANI" was organized on 12th NOV 2021 for the mental upliftment of the patients of Manomithra who are at the peak of their emotional instability. The programme was aimed for the mental relaxation, entertainment & creating awareness. The programme included fun games, cultural events & health education about alcohol dependence. Whole the patients, staff of Manomithra and 3rd year students of NCN had actively participated in the event. The ZAPHAYERS got a greater appreciation from the staff & management of Manomithra.

The NCN family is highly obliged for the ZAPHAYERS for glorifying the institution by their commendable work. The III year students gained skill and knowledge regarding treating the mentally challenged. The inmates were provided care, entertained and health educated by the students.

NUTRITION FEST

Protecting the helpless in society is not the sole responsibility of a group of people. The angels of the earth, who are at the forefront of taking full responsibility for the health care of the community, need to ensure the social health & care of every vulnerable person in the community. Older people are important members of any society and therefore have the right to live in dignity in later life. A roof over their heads is a critical need of the elder who are destitute, sick and abandoned by family and those uprooted by disasters.

The Department of Community Health Nursing of Nehru College of Nursing (NCN) and the final year students set aside all the hustle and bustle of their study and other emergencies for spending a day with the residents of the ISSAC IMMANUEAL MISSION old age home THIRUVILWAMALA on 12th November, 2021. The little angels of NCN made them happy with games, laughter, songs and celebrations. Along with that, a nutrition fest was organized for the residents. In that the students have explained to the inmates regarding the importance of diet & the pattern of food they have to consume. The students have also made a delicious chicken Biryani for them. The day was full of joy & happiness both to the inmates & students which will left behind in heart forever. Students also given the nursing care to the inmates.

The final year students came to know the geriatric problems and especially their emotional part. They acknowledged the moral value and emotional stability towards old age community and achieved co-ordination skill to render a service to socio-economic development of a society. The inmates of Issac Immanuel old age home were entertained and cared.

Since 1968

REPORT OF AWARENESS PROGRAM ON DIET AMONG OLD AGE PEOPLE

The fourth-year B.Sc nursing students of Nehru College of Nursing went for an old age home visit on 24 September 2022 at "Emmanuel Geriatric Centre", Thiruvilwamala. The institution is run by Mr. Isac and Mrs. Maneesha, since 2004. There were a total of 11 old age people and two orphan children. There we conducted an awareness program regarding diet among old age people under the guidance of our faculties Mrs. Zaina Elizebath and Mrs. Rose Jose. All the inmates were diabetic free so we prepared tapioca, fish curry, and chammanthy along with black tea. We spend a whole day with them made them entertained and also gave financial support to them. Students gained knowledge regarding the requirements of nutrients for old age. The old age people got nutritious food on lunch time and acquired informations regarding their nutritional requirements.

HEALTH OASIS

The Merchant Association in Erumapetty, Thrissur, serves as a pivotal organization for local business owners and traders. Erumapetty, a town in the Thrissur district of Kerala, boasts a vibrant commercial environment, and the Merchant Association plays a crucial role in fostering this economic activity. The Merchant Association is a cornerstone of the local business community. Through its various initiatives and activities, it not only supports merchants in their business endeavours but also contributes to the overall development and well-being of the community. As it navigates future challenges and opportunities, the association's role will remain crucial in shaping the economic landscape of Erumapetty.

We, Nehru College of Nursing conducted a health camp in collaboration with Merchant Association, Erumapetty, Thrissur for merchants and their family members in ward 1 & 2 of Erumapetty on 20/03/2022. Sixty fourth-year students, two faculty members from Nehru College of Nursing, and two members of the Merchant Association were there to conduct the program.

Services provided:

General health check-ups:

- Blood pressure monitoring
- Blood sugar testing
- Body mass index calculation
- Basic physical examinations

HOPE HORIZONS

Ardrum charitable trust is an organization located in Cheruthuruthy, Kerala, India. It is dedicated to social services and charitable activities, aiming to uplift the unprivileged sections of society. The trust likely engages in various initiatives such as health care service and community development projects to improve the quality of life for those in need.

The 4th year BSC nursing students under the guidance of Mental Health Nursing department initiated a charity program and they visited Ardrum charitable trust on 11/05/2024 at 1 pm. They handed over the charity fund to Mr. Unni (The trustee person of Ardrum charitable trust) and we engaged in their services during that time. It will be a good support for the person who managing the trust activities.

NURSING UNVEILED

Jainee College of Nursing is affiliated to Dr. MGR Medical University in terms of conducting Allied Health Science programs under B.Sc Degree. This is a 3 + 1 year program, covering 3 years of Academic & Practical and 1 year of Internship. This is a private college located in Dindigul, TamilNadu. Jainee College of Nursing is counted among the top-rated Colleges in Tamil Nadu with an excellent academic track record. This institute provides the best quality health education with highly experienced faculty, modern class rooms and lab facilities.

Third year B.Sc. Nursing students of Nehru College of Nursing visited Jainee college of Nursing on 18/05/2022. This visit helped to gain insight into their academic programs, facilities and student life. The visit aimed to understand the college's offering and how it prepares students for careers in nursing. Total 2 faculties and 60 students from third year B.Sc. nursing visited the Jainee college of Nursing. The visit to Jainee College of nursing was informative and provided a comprehensive understanding of the institutions commitment to nursing education.

Witness 2:

Minutes of meeting on collaborative research process as per MOU between Nehru college of Nursing and seventh day Adventist College of nursing

The nursing profession is faced with increasingly complex health care issues driven by technological and medical advancements, an ageing population, increased numbers of people living with chronic disease, and spiraling costs. Collaborative partnerships between educational institutions and service agencies have been viewed as one way to provide research which ensures an evolving health-care system with comprehensive and coordinated services that are evidence-based, cost-effective and improve health-care outcomes.

Collaboration is a substantive idea repeatedly discussed in health care circles. Though the benefits are well validated, collaboration is seldom practiced. The lack of a shared definition is one barrier. Additionally, the complexity of collaboration and the skills required to facilitate the process are formidable..

As a consequence of this process of clarification and negotiation, the Practice-Research Model was developed to operationalize the agreed aims of the partnership, Between Nehru college of Nursing and Seventh day college which were:

- To encourage Faculties of both institutions to reflect on current nursing practice in order to develop meaningful research proposals;
- To enhance the knowledge of research process via research experience;
- To enable each Faculty to have a key role in the professional development of other faculties via the dissemination of research and quality improvement findings; and
- To plan and implement changes to practice based on research evidence.

INSIGHT EXPEDITIONS

Nehru College of Nursing, Vaniyamkulam organized a visit in Seventh day Adventist College of Nursing for the students. Main objective of the visit is to know about the philosophy, mission, vision, staffing pattern, infrastructure and all other available facilities of the institution. Students got the opportunity to compare our institution with another one. In addition, students and faculties interacted with the students and faculties of Seventh day Adventist College of Nursing.

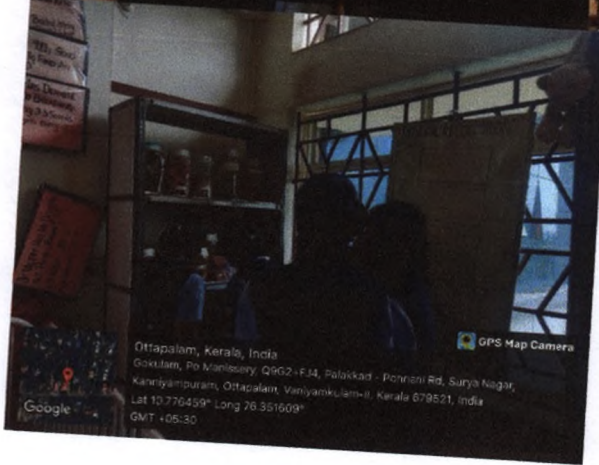

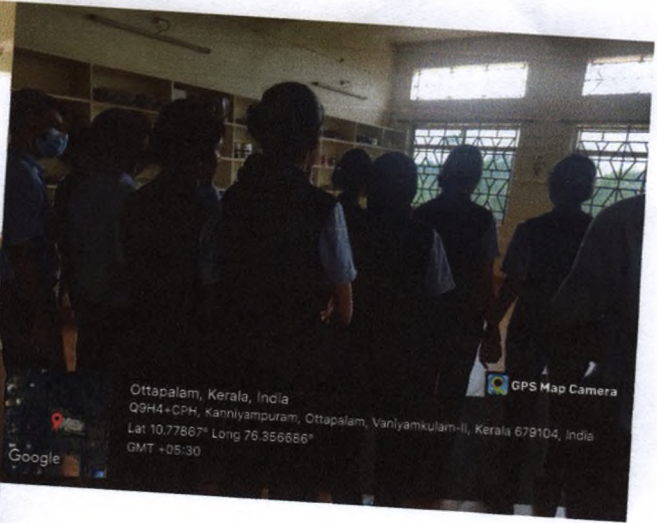

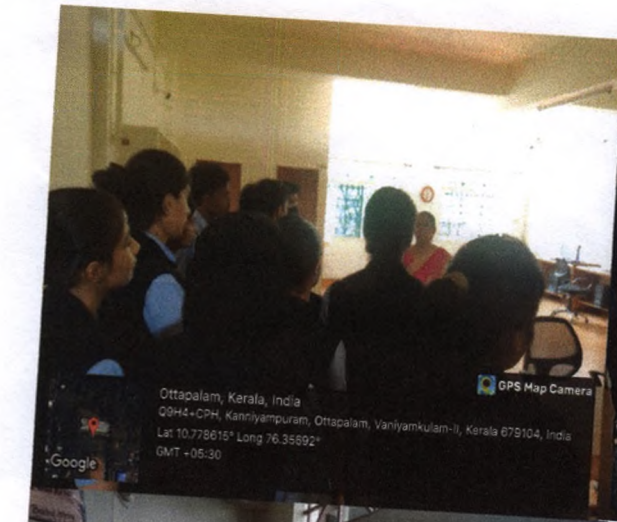

We reached there on 14/03/2023 at 10 AM and the Principal Prof. Amala Rani introduced by self and other faculties. 60 students of fourth year BSc Nursing students and 2 faculties were involved. Seventh day Adventist College of Nursing run BSc Nursing courses. They have student strength of 40 in each batch and faculties are available according to the proportions. The facilities in the institution are lecture halls, faculty rooms according to each department, library, labs and common rooms for students. Foundation lab, nutrition lab, community health lab, maternal and child health labs are available there.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU' is entered into on this the Day of 17 December Two thousand and twenty (2020)

NEHRU COLLEGE OF NURSING PANAYUR (PO), VANIYAMKULAM, THE FIRST PARTY

AN D

INSCOL HEALTHCARE PVT. LTD

Purpose

1. For giving skill and development training to the Nursing Students.
2. Placement of Nursing students Nationally and Internationally.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOD, THE PARTIES HERE TO AGREE AS FOLLOWS:-

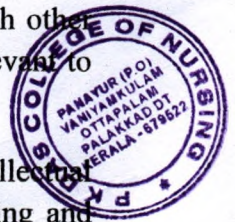

B) Roles and responsibilities

1. Both parties are united by common interests and objectives, they shall establish channels of communication and cooperation that will promote and advance their respective operations within the Institution and its related wings. The parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
2. First and second party cooperation will facilitate effective utilization of the intellectual capabilities of the students for developing skills which will strengthen the training and Placement.

✦ **"WEBINAR ON CAREER AWARENESS BY INSCOL" (21ST DEC 2020)**

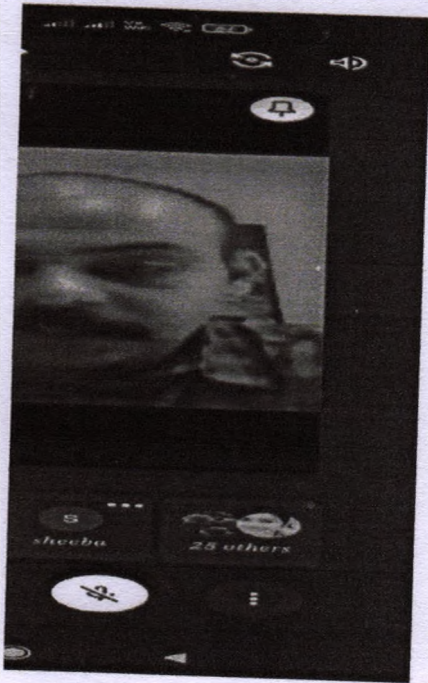

Throughout their professional lives, people encounter many situations where they could benefit from unbiased advice. They may be in the process of choosing a stream or a career, deciding whether or not they should change careers or jobs, re-entering the workforce, or maybe wanting to learn more about career guidance in general - a complete knowledge always helps. A good foundation begins with the basics. They come to the realization that it's an overwhelming process, and they need to learn all about the what, how, and why of the career guidance process.

The SSGP of NEHRU COLLEGE OF NURSING had organised a webinar on career guidance on 21st December 2020 for the final year students of NEHRU COLLEGE OF NURSING. The speaker was Mr. VINOD RAJ C P (BD & LD manager INSCOL Health care Pvt Ltd) . Mrs. SHEEBA (Asso Prof. NCN) introduced the speaker . The classes were very much interactive. the students clarified all their quireswith the seaker & we ot an excellent positive feedac from the students .

EXHIBITION OF HERBAL PLANTS

“Plants have been used for medicinal purposes long before prehistoric period. According to WHO, around 21,000 plant species have the potential for being used as medicine. The economic importance of medicinal plants is much more to countries such as India than to rest of the world. As our lifestyle is now getting techno-savvy, we are moving away from nature. So medicinal plants are important for people, not only as a primary source of medicines but also as phytochemical building blocks for development of new drugs “

Community health Nursing department & NSS Unit of Nehru college of nursing organized a exhibition of herbal plants at Govt Voc H S S Koonathara on 17th July 2022 with the aim of making the public aware about the relevance of using medicinal plants in their day today life. Our 4th year BSc Nursing students were the main organizers of this event. Herbs of different categories were displayed in the exhibition & the students explained about each plant & its medical use. Public from local areas & the students of that school were active part of the exhibition. Through this event we tried to spared the message to the public that herbs are natural products they are free from side effects, they are comparatively safe, eco-friendly and locally available & there is a need to promote them to save the human lives. Such interesting & novel ideas for creating public awareness to be certainly appreciated

NCN participation in AROGYA MELA 2K22 Organized by Ottappalam Block Panchayath

Awareness plays a key role in approach to improving access to healthcare. Awareness programs seek to empower communities, medical professionals and patients with appropriate tools, information and skills so that they can make high-quality, informed decisions on prevention, diagnosis, treatment, care, and support.

The department of Community Health Nursing & NSS unit of Nehru College of Nursing got an opportunity to be a part of the health awareness program organized by Ottappalam Block Panchayath including all the Government & private health institutions in Ottappalam block. The program was held in two consecutive days. On 16th July 2022 an awareness rally was conducted, which was from P K DAS Institute of Medical Sciences to Vaniyamkulam Panchayath office. Staffs from different Government & Private Health Care institutions, students from different nursing institutions, ASHA workers, Kudumbashree workers and the other healthcare providers were accompanied in the Rally with pluck cards which conveyed the message of importance of health. The rally singed off with a flash mob by the final year students of Nehru College of Nursing.

On 17th July 2022 an awareness exhibition was conducted at Government Vocational Higher Secondary School, Koonathara. Each of the health institutions prepared a stall which represents different health aspects. Our 4th year students were dealing with maternal & child care. The stall was equipped with different charts & models which explains the concept. Around hundreds of public from the nearby areas attended the event. Team NCN is very privileged & proud to a part of this great event. As the future health care provider, students are the ones who provide the hands-on care & one of the most critical roles that they have in health promotion and disease preventions.

Public got knowledge about critical role possessed by a nurse, health promotion and disease prevention methods through different models and charts. The students took efforts to create these visual aids. So they gained skills to prepare, learn, educate and deliver the content very effectively.

HEALTH EXHIBITION AND AWARENESS ON PUBERTY AND MENSTRUAL HYGIENE PRACTICES

Menstrual Hygiene is vital to the empowerment and well-being of women and girls worldwide. It is about more than just access to sanitary pads and appropriate toilets – though those are important. It is also about ensuring women and girls live in an environment that values and supports their ability to manage their menstruation with dignity. To bring awareness around the vital role that good Menstrual Hygiene Management (MHM) plays in empowering women and adolescent girls worldwide to become all that they can be. So the final year students of NEHRU COLLEGE of NURSING has organised a health awareness programme on puberty, menstrual hygiene & practices at Government Higher Secondary School, Koonathara on 24th Jan 2020. The programme was organised as lecture cum discussion, PPT presentation & Chart presentation

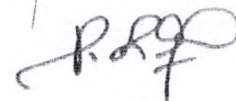

The topic for the lecture class was as follows

- Anatomy of female reproductive system – Ms. Vani V V
- Physiology of female reproductive system – Ms. Akhila M
- Premenstrual syndrome – Ms. Krishna
- Menstrual hygiene (good practices) – Ms. Fathima T A
- Menstrual hygiene (bad practices & problems) – Ms. Anjana M S
- Articles used / materials – Ms. Anju Babu

Around 100 students have attended the class. The class included lecture cum discussion, PPT presentation, & chart presentation. There was good interaction from the students. They clarified much of their doubts. The class was very much effective & got greater appreciation from the school authorities & students.

SANITATION CAMPAIGN AT KOONATHRA HSS

Total Sanitation Campaign (TSC) Rural sanitation came into focus in the Government of India in the World Water Decade of 1980s. The Central Rural Sanitation Programme was started in 1986 to provide sanitation facilities in rural areas. It was a supply driven, highly subsidy and infrastructure oriented programme. As a result of these deficiencies and low financial allocations, the CRSP had little impact on the gargantuan problem. The experience of community-driven, awareness-generating campaign based programmes in some states and the results of evaluation of CRSP, led to the formulation of the Total Sanitation Campaign (TSC) approach in 1999

The main objectives of the TSC are as under:

- Bring about an improvement in the general quality of life in the rural areas
- Accelerate sanitation coverage in rural areas.
- Generate felt demand for sanitation facilities through awareness creation and health education.
- Cover schools/ Anganwadi's in rural areas with sanitation facilities and promote hygiene education and sanitary habits among students.
- Encourage cost effective and appropriate technologies in sanitation
- Eliminate open defecation to minimize risk of contamination of drinking water sources and food.
- Convert dry latrines to pour flush latrines, and eliminate manual scavenging practice, wherever in existence in rural areas.

As a part of the total sanitation campaign the 4th year students & faculties of Community Health Nursing have conducted a sanitation campaign at Koonathara Govt. HSS on 24.01.2020. The students have done the cleaning of the school premises. There was about 37 students & 2 faculties. They were divided as several groups and cleaned the school ground area, building surroundings. They have removed the whole waste materials & cleaned the grass & plants from the ground. By this sanitation campaign the students could able to make the whole college premises neat and clean. The staffs & students of the school appreciated the work of the students & by this programme we could create awareness among the school students the need of keeping their surroundings neat & clean

REPORT ON HEALTH CAMP & HEALTH AWARENESS PROGRAMME AT ERUMAPETTY

Lions Clubs International, a service membership organization of over 1.4 million members worldwide, was founded in Evansville, Indiana on 24 October 1916 by Dr. William Perry Woods and subsequently evolved as an International service organization under the guidance and supervision of its Secretary, Melvin Jones. The Lions motto is "We Serve". Local Lions Club programs include sight conservation, hearing and speech conservation, diabetes awareness, youth outreach, International relations, environmental issues, and many other programs. The discussion of politics and religion is forbidden. The LIONS acronym also stands for Liberty, Intelligence, Our Nations' Safety.

Aims

The stated purposes of Lions Clubs International are:

- To organize, charter and supervise service clubs to be known as Lions clubs.
- To coordinate the activities and standardize the administration of Lions clubs.
- To create and foster a spirit of understanding among the peoples of the world.
- To promote the principles of good government and good citizenship.
- To take an active interest in the civic, cultural, social and moral welfare of the community.
- To unite the clubs in the bonds of friendship, good fellowship and mutual understanding.
- To provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- To encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavours

The final year students of nehru college of nursing has conducted a health camp & health awareness programme in co ordination with LION'S CLUB Erumappetty 318D near to GHSS Erumapetty on 3rd FEB 2020. The programme was officially inaugurated by Dr. Sudhish A J (President LION'S club Erumapetty 318D.) The programme was officially designated by Lt.Col. Regina P F , (member of LION'S club & Asst. Prof. Nehru college of nursing). Mr. Aji M P (member of LION'S club) Mr. James (member of LION'S club) & Ms. Sruti S (clinical instructor Nehru college of Nursing)

Through this camp it was mainly focused on identifying risk for diabetes and hypertension and also educating the public regarding it's risk factors , prevention & management there were around 100 people attended the camp. majority of the members are having DM & HTN & are taking medications. Around 10 members were referred to P K Das Institute of Medical Sciences for further evaluation after the assessment.

HRIDHAYATHALAM

World heart day 2k22

World Heart Day (29 September) is an opportunity for everyone to stop and consider how best to use heart for humanity, for nature, and for self. Beating cardiovascular disease is something that matters to every beating heart. World Heart Day 2022, is asking the world to: USE HEART FOR EVERY HEART. Use Heart means to think differently. To make the right decisions. For Every Heart involves the use of "FOR" and swings the focus from the actions themselves to the beneficiaries of the actions, allowing for wider application of the campaign while also making it more personal

Thinking a different approach which is good for cardiac health, P K Das institute of medical sciences in coordination with NSS unit in Nehru College of Nursing & other colleges under NGI organized a marathon & zoomba segment on the World heart day September 29th 2022. With unconditional effort & unity the event made remarkable on the special day. The marathon was followed by the inaugural function. Honourable Chairman & managing trustee Adv Dr P Krishnadas inaugurated the event officially. Dr R C Krishnakumar (Director operations PKDIMS), Dr Frijo George (Cardiologist PKDIMS), Dr M A Androose (Principal PKDIMS) & many other dignitaries addressed the gathering & reminded the importance of this special day. The Medallions our 3rd year BSc Nursing students manifested outstanding performance in the event & Mr Rahul secured 3rd position in marathon boys Ms Farshitha got second & Ms Aksa got third from girls side & received prizes from Honourable Chairman & Managing trustee Adv Dr P Krishnadas. A vibrant zoomba session was led by the zoomba trainer Dr Gouri Megha after the marathon. Our students had participated in this session very energetically. This was followed by releasing of red love balloons in the sky which representing the theme use the heart for every heart.

MEMORANDUM OF UNDERSTANDING

All italicized sentences are considered instructions and should be deleted prior to the submission of the final MOU.

This Memorandum of Understanding (MOU) is entered into by and between: *Provide the agency name and a brief description of each agency.*

AGENCY 1: NEHRU COLLEGE OF NURSING PANAYUR (PO), VANIYAMKULAM – 679 522

AGENCY 2: ANMMUP SCHOOL, THICHOOR, THALI, THRISSUR - 680 585

A. Purpose.

- ✓ To screen the health status of the school students.
- ✓ To assess the visual auditory & dental health of school students.
- ✓ To create awareness among the school children about hygienic practices.
- ✓ To provide information to the school students regarding relevant health topics.
- ✓ To do mosquito control activities in school.
- ✓ To create awareness among students in control of anemia.
- ✓ To educate the students about career guidance.
- ✓ To make the school premises neat and clean.

B. Roles and Responsibilities.

Agency A agrees to: NEHRU COLLEGE OF NURSING, PANAYUR (PO), VANIYAMKULAM – 679 522

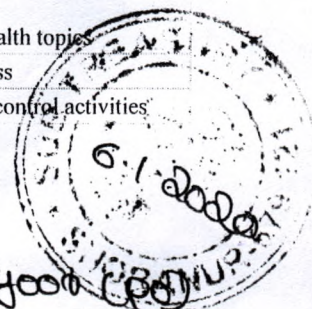

Responsibility/Activity

Responsibility/Activity

- School Health Programme
- Dental Screening
- Health Awareness programmes
- Health Exhibition
- Adolescent Health Services
- Sanitation Campaign

- Screening of students, Career guidance
- Dental Checkup of students
- Class on various health topics
- Chart and Model presentation on various health topics
- Personal hygiene, anemia control awareness
- Cleaning of School premises and mosquito control activities

HEALTH AWARENESS PROGRAMME

ON

Puberty, Menstrual Hygiene & Practices for Adolescent Girls

At A N M M UP SCHOOL THALI

Menstrual Hygiene is vital to the empowerment and well-being of women and girls worldwide. It is about more than just access to sanitary pads and appropriate toilets – though those are important. It is also about ensuring women and girls live in an environment that values and supports their ability to manage their menstruation with dignity. To bringing awareness around the vital role that good menstrual hygiene management (MHM) plays in empowering women and adolescent girls worldwide to become all that they can be. So the final year students of NEHRU COLLEGE of NURSING has organised a health awareness programme on puberty, menstrual hygiene & practices at A N M M UP School Thali on 21st Jan 2020. The programme was organised as lecture cum discussion, PPT presentation & chart presentation

The topic for the lecture class were as follows

- Anatomy of female reproductive system – Ms. Vani V V
- Physiology of female reproductive system – Ms. Akhila M
- Premenstrual syndrome – Ms. Krishna
- Menstrual hygiene (good practices) – Ms. Fathima T A
- Menstrual hygiene (bad practices & problems) – Ms. Anjana M S
- Articles used / materials – Ms. Anju Babu

Around 50 students & 20 parent representatives have attended the class. The class included lecture cum discussion, PPT presentation and chart presentation. There was good interaction from the students. They clarified much of their doubts. The class was very much effective and got greater appreciation from the school authorities and students.

HEALTH CAMP

Health camps at school is a way to help children stay healthy and happy. This aids in the prevention and treatment of a wide range of health problems by providing medical checkups, screenings, and preventive healthcare sessions on a variety of health-related topics. By educating children about healthy habits, such as regular exercise, balanced diets, and proper hygiene, health camps can aid in the prevention of a variety of health problems. Health camps can assist in identifying health issues at an early stage, thereby preventing more severe health issues later in life.

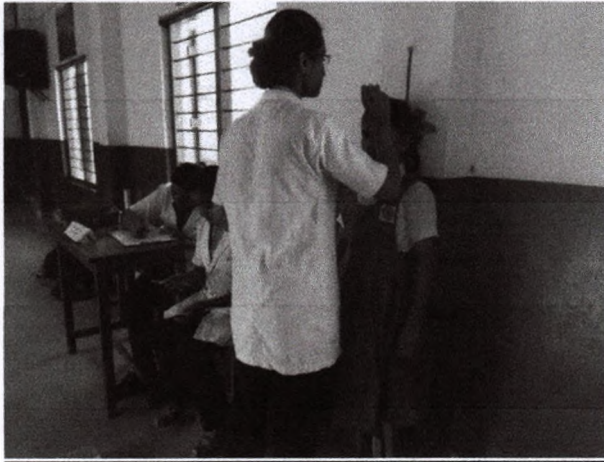

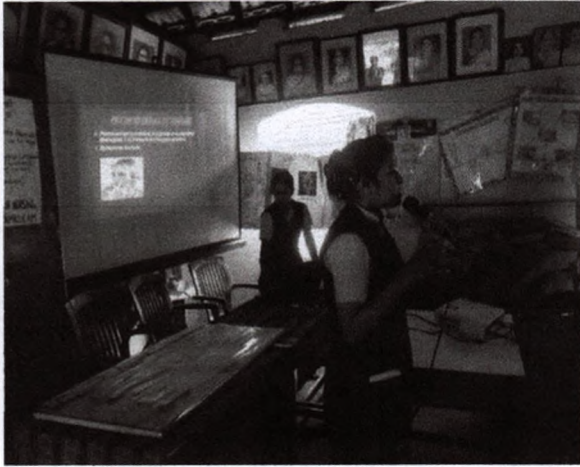

Third year BSc nursing students took initiative to perform health camp mainly nutritional assessment and health education in ANM UP school, Thali for the children on 12 September 2021 at 9 AM. Initially, the students divided into groups and checked the children's weight, height, Body Mass index and general assessment. Five students delivered health education regarding good dietary habits and importance of green leafy vegetables for children. Some of the children have some doubts and sought clarification. We received best feedback from children and teachers in the school.

HEALTH ASSESSMENT ON MENTALLY AND PHYSICALLY CHALLENGED

It's estimated that between 9 to 10 percent of the population in this country has a disability. People with a disability sometimes have difficulty doing things other people take for granted. However the greatest challenge facing people with a disability is the misguided view society has long had

About Polygarden

Polygarden is a residential rehabilitation centre governed by the charitable organisation directorate of social action is at Lakkidi near Ottapalam Town in Palakkad District, Kerala state in South India. At present 150 mentally retarded persons who are adults in between the age group of 16 to 50, most of them are orphans and belongs to family of below poverty line. Poly Garden render occupation therapy such as preparation of poly bags - nursery, vegetable garden and seed packets. They help in paddy cultivation Nurturing orchard Tasks in rubber plantation which is the programme emphasizing on rubber cultivation and allied works. They are co-operating with rubber tappers and collect at present 17 barrels (each barrel contains 200 liters capacity) of rubber milk within a period of 10 days. This latex (rubber milk) collected by mentally retarded boys are profitable and it helps the organisation to meet the partial expenses of Poly Garden the residential center. This will help to solve a big problem of rehabilitating almost 100 mentally abandoned persons. Experienced and technically qualified persons are available to help them

Health check-up & counselling

The 5th batch of Nehru College of Nursing (4th year) has organised a health assessment & referral services for the mentally challenged inmates of Polygarden as a part of community outreach programme. The programme was held on 18th Jan 2020. The programme was organised as 2 sessions. In the morning session the students have conducted the general health assessment & mental status examination of the inmates. In this session we have monitored the anthropometric measurements, vital signs, blood glucose monitoring physical examination, & Mental status examination. The main problems that could identify were poor

oral hygiene, & dental carries, poor personal hygiene, increased blood sugar & increased blood pressure.

In the afternoon session, counselling and recreational programmes was organized for the inmates. The psychological symptoms & behavioural abnormalities were reported by the institution in charge. Depending up on the survey of condition the patients were counselled about drug follow up and hygienic practices. Few patients were suggested for psychological counselling and they were referred to P K Das Institute of Medical Sciences. After this session the students conducted recreational programmes for the inmates & they actively participated in all events.

The camp was very much beneficial for the inmates of Polygarden. By this we could identify new cases of Diabetes Mellitus, Hypertension & other health issues in them and almost 10 were referred for both medical & psychological treatment at PK Das Institute of Medical Sciences.
