

(FORMERLY NEHRU COLLEGE OF NURSING)

4.2.3: Average number of students per year exposed to learning resource such as Laboratories, Animal House & Herbal Garden during the last five years.

Academic year	Description	Page Number/ Link
	Number of students exposed to Laboratories, Animal House & Herbal Garden per year based on time-table	3
Detailed report of activities and list of students benefitted due to exposure to learning resource such as laboratories , animal house and herbal garden		
2022-2023	Utilization of Laboatories in the campus	5
	Animal house	16
	Herbal garden	21
2021-2022	Utilization of Laboatories in the campus	27
	Animal house	33
	Herbal garden	38
2020-2021	Utilization of Laboatories in the campus	44
	Animal house	53
	Herbal garden	58
2019-2020	Utilization of Laboatories in the campus	63
	Animal house	75
	Herbal garden	80
2018-2019	Utilization of Laboatories in the campus	86

REPORT ON ANIMAL HOUSE VISIT

Objectives of visit:

- To get orientated to the health and agency animal handlers.
- To get adequate knowledge regarding infection and injury control in animals.
- To get knowledge regarding research activities using animal species.
- To get an orientation about the records and reports in animal house

Report:

The 3rd Year BSc nursing students, (58students) went for an Animal House visit at P K Das Institute of Medical Sciences on 19-5-2023 to gain knowledge regarding research activities performed on animal species, its need in the field of Medicine and Research. Reached there at 10.00am, and they were orientated regarding functioning of the animal house. After the orientation, classes were taken by two faculty members. The session imparted knowledge regarding the staffing patterns infection and injury control in animals, and records maintained in animal house. They also explained about the experimental animals that are used for the research purposes. The visit ended at 12.30pm with clarification and feed back of the students. The students expressed that the visit was very informative.

**SUBJECT: SEEKING PERMISSION VISIT TO KERALEEYA AYURVEDHA
SAMAJAM REGARDING**

Respected sir,

The Fourth year BSc nursing students would like to visit the herbal garden in your organization on 22-5-2023. Kindly permit 60 students along with two faculty members. May we seek your kind permission for the same.

An early confirmation in this regard is highly appreciated.

Thanking You,

Yours sincerely,

Principal

REPORT ON HERBAL GARDEN VISIT

Objective of the visit

The objective of the herbal garden visit was

- To create awareness of conservation and traditional uses of herbs and medicinal plants.
- To orient the students to AYUSH – related learning cum therapy centre
- To orient the students regarding the medicinal benefits of herbs
- To learn the scope of medicinal plants as alternative medicines.
- To learn how to identify and conserve these important plants.

The IV Year BSc nursing students along with two faculty members visited Keraleeya Ayurveda Samajam, Shoranur on 22-5-2023. The students and faculty were oriented to the functioning of the Institution. After the orientation there were classes which explained about the medicinal benefits and the scope of these plants as alternative medicines in today's scenario and that many are using Ayurveda in home and even in alternative therapies for treatment.

Orientation session in herbal garden

REPORT ON ANIMAL HOUSE VISIT

Objectives of visit:

- To get orientated to the health and agency animal handlers.
- To get adequate knowledge regarding infection and injury control in animals.
- To get knowledge regarding research activities using animal species.
- To get an orientation about the records and reports in animal house

Report:

The 3rd Year BSc nursing students, (60 students) went for an Animal House visit at P K Das Institute of Medical Sciences on 8-7-2021 to gain knowledge regarding research activities performed on animal species, its need in the field of Medicine and Research. Reached there at 10.00am, and they were orientated regarding functioning of the animal house. After the orientation, classes were taken by two faculty members. The session imparted knowledge regarding the staffing patterns infection and injury control in animals, and records maintained in animal house. They also explained about the experimental animals that are used for the research purposes. The visit ended at 12.30 pm with clarification and feed back of the students. The students expressed that the visit was very useful and informative.

**SUBJECT: SEEKING PERMISSION VISIT TO KERALEEYA AYURVEDHA
SAMAJAM REGARDING**

Respected sir,

The Fourth year BSc nursing students would like to visit the herbal garden in your organization on 12-7-2022. Kindly permit 60 students along with two faculty members. May we seek your kind permission for the same.

An early confirmation in this regard is highly appreciated.

Thanking You,

Yours sincerely,

REPORT ON HERBAL GARDEN VISIT ON 12-7-2022

Objective of the visit

The objective of the herbal garden visit was

- To create awareness of conservation and traditional uses of herbs and medicinal plants.
- To orient the students to AYUSH – related learning cum therapy centre
- To orient the students regarding the medicinal benefits of herbs
- To learn the scope of medicinal plants as alternative medicines.
- To learn how to identify and conserve these important plants.

The IV Year BSc nursing students along with two faculty members visited Keraleeya Ayurveda Samajam, Shoranur on 12-7-2022. The students and faculty were oriented to the functioning of the Institution. After the orientation there were classes which explained about the medicinal benefits and the scope of these plants as alternative medicines in today's scenario and that many are using Ayurveda in home and even in alternative therapies for treatment.

ORIENTATION SESSION IN HERBAL GARDEN

REPORT ON ANIMAL HOUSE VISIT

Objectives of visit:

- To get orientated to the health and agency animal handlers.
- To get adequate knowledge regarding infection and injury control in animals.
- To get knowledge regarding research activities using animal species.
- To get an orientation about the records and reports in animal house

Report:

The 3rd Year BSc nursing students, (60 students) went for an Animal House visit at P K Das Institute of Medical Sciences on 15-04-2021 to gain knowledge regarding research activities performed on animal species, its need in the field of Medicine and Research. Reached there at 10.00am, and they were orientated regarding functioning of the animal house. After the orientation, classes were taken by two faculty members. The session imparted knowledge regarding the staffing patterns infection and injury control in animals, and records maintained in animal house. They also explained about the experimental animals that are used for the research purposes. The visit ended at 12.30 pm with clarification and feed back of the students. The students expressed that the visit was informative.

REPORT ON HERBAL GARDEN VISIT ON 17-05-2021

Objective of the visit

The objective of the herbal garden visit was

- To create awareness of conservation and traditional uses of herbs and medicinal plants.
- To orient the students to AYUSH – related learning cum therapy centre
- To orient the students regarding the medicinal benefits of herbs
- To learn the scope of medicinal plants as alternative medicines.
- To learn how to identify and conserve these important plants.

The IV Year BSc nursing students along with two faculty members visited Keraleeya Ayurveda Samajam, Shoranur on 17-05-2021. The students and faculty were oriented to the functioning of the Institution. After the orientation there were classes which explained about the medicinal benefits and the scope of these plants as alternative medicines in today's scenario and that many are using Ayurveda in home and even in alternative therapies for treatment.

ORIENTATION CLASS REGARDING HERBAL PLANTS

REPORT ON ANIMAL HOUSE VISIT

Objectives of visit:

- To get orientated to the health and agency animal handlers.
- To get adequate knowledge regarding infection and injury control in animals.
- To get knowledge regarding research activities using animal species.
- To get an orientation about the records and reports in animal house

Report:

The 3rd Year BSc nursing students, (40 students) went for an Animal House visit at P K Das Institute of Medical Sciences on 24.10.2019 to gain knowledge regarding research activities performed on animal species, its need in the field of Medicine and Research. Reached there at 10.00am, and they were orientated regarding functioning of the animal house. After the orientation, classes were taken by two faculty members. The session imparted knowledge regarding the staffing patterns infection and injury control in animals, and records maintained in animal house. They also explained about the experimental animals that are used for the research purposes. The visit ended at 12.30 pm with clarification and feed back of the students. The students appreciated the visit.

REPORT ON HERBAL GARDEN VISIT ON 14-04-2020

Objective of the visit

The objective of the herbal garden visit was

- To create awareness of conservation and traditional uses of herbs and medicinal plants.
- To orient the students to AYUSH – related learning cum therapy centre
- To orient the students regarding the medicinal benefits of herbs
- To learn the scope of medicinal plants as alternative medicines.
- To learn how to identify and conserve these important plants.

The IV Year BSc nursing students along with two faculty members visited Keraleeya Ayurveda Samajam, Shoranur on 14-04-2020. The students and faculty were oriented to the functioning of the Institution. After the orientation there were classes which explained about the medicinal benefits and the scope of these plants as alternative medicines in today's scenario and that many are using Ayurveda in home and even in alternative therapies for treatment.

REPORT ON ANIMAL HOUSE VISIT

Objectives of visit:

- To get orientated to the health and agency animal handlers.
- To get adequate knowledge regarding infection and injury control in animals.
- To get knowledge regarding research activities using animal species.
- To get an orientation about the records and reports in animal house

Report:

The 3rd Year BSc nursing students, 2016-2020 batch (37 students) went for an Animal House visit at P K Das Institute of Medical Sciences on 11/11/2018 to gain knowledge regarding research activities performed on animal species, its need in the field of Medicine and Research. Reached there at 10.00am, and they were orientated regarding functioning of the animal house. After the orientation, classes were taken by two faculty members. The session imparted knowledge regarding the staffing patterns infection and injury control in animals, and records maintained in animal house. They also explained about the experimental animals that are used for the research purposes. The visit ended at 12.30pm with clarification and feed back of the students. The students appreciated the visit.

REPORT ON HERBAL GARDEN VISIT ON 12-11-2018

Objective of the visit

The objective of the herbal garden visit was

- To create awareness of conservation and traditional uses of herbs and medicinal plants.
- To orient the students to AYUSH – related learning cum therapy centre
- To orient the students regarding the medicinal benefits of herbs
- To learn the scope of medicinal plants as alternative medicines.
- To learn how to identify and conserve these important plants.

The IV Year BSc nursing students along with two faculty members Mrs Sheena and Ms Sruthi S visited Keraleeya Ayurveda Samajam, Shoranur on 12-11-2018 at 1.30pm. Dr. Vanoj Prince welcomed them to the garden. The students and faculty were oriented to the functioning of the Institution. After the orientation there were classes which explained about the medicinal benefits and the scope of these plants as alternative medicines in today's scenario and that many are using Ayurveda in home and even in alternative therapies for treatment.

POLICIES FOR CLINICAL SKILL AND SIMULATION LABORATORY

Nehru College of Nursing train students by utilization of clinical skill and simulation labs. This lab is equipped with simulation mannequin, dummies for training in nursing skills by student learners. The students optimize clinical nursing skills after training which could be practice in nursing.

The clinical nursing skill labs involves fundamentals of nursing lab, pediatric nursing lab , maternal health nursing lab, nutrition lab, community health nursing lab and advanced nursing lab. The fundamentals of nursing lab is equipped with articles for demonstrating basic procedures like ryles tube insertion , injection ,urinary catheterization etc.The maternal health nursing lab is equipped with mannequin, birthing stimulators pelvis and skull. The child health nursing lab is equipped with newborn under five child mannequin and pediatric CPR mannequin (child). The community health nursing lab is equipped with community bag and accessory articles for life style screening procedures such as Blood pressure monitoring, Blood sugar monitoring .Advanced Clinical Nursing Lab is equipped mannequins for ALS/BLS , Venepuncture, ET tube intubation and suctioning.

The faculty members and students are equipped on the knowledge on the use of clinical skills and simulation labs policies

The activities of Clinical Skill labs is carried out by faculty of the subject specialty under the guidance of the principal

The faculty will be scheduling the plan for demonstration of procedures.

The faculty updates their knowledge and skills through workshop, seminars and conferences.

General Lab Guidelines

1. The Lab users should be courteous and maintain professional conduct
2. The simulation mannequin should be treated as live persons
3. The students should be enter with the ID Card and enroll in the lab register with signature
4. Any issue or utilization of labs should be permitted by lab in charges with regard to the principal's permission
5. The allotted hours of lab should be utilized as per the schedule\
6. No equipment should be removed from labs
7. Any damage to the equipment should be reported to lab in charges and the Principal immediately
8. Faculty should be present in skill lab along with supervision of students.
9. All simulation beds should be restricted to simulation mannequin and students are not allowed to sit or lay on bed.
10. All skill lab users should ensure that labs are kept in neat and tidy in proper place.
