Soft skill programme on “Skills to develop emotional intelligence” Emotions are of paramount of human life. If an individual’s emotions do not develop in a balanced manner, the individual’s entire personality becomes disorganized, and many distortions manifest themselves. Emotion arouses in a person both constructive and destructive feelings. Time and again, it is suggested that a manager should possess fair amount of intelligence quotient along with emotional intelligence in order to become successful. It is proved that effectiveness of an organization depends on the efficiency of the managers. Nehru College of Nursing Conducted Session on **Skills to develop emotional intelligence** for I Year B.Sc. Nursing Students by Dr. Sreekumaran Nair JCT Principal on 5/03/2021 At 2.00pm. The Sessions Were Very Interesting and Useful

PULSE POLIO IMMUNIZATION

With the global initiative of eradication of polio in 1988 following World Health Assembly resolution in 1988, Pulse Polio Immunization programme was launched in India in 1995. Children in the age group of 0-5 years administered polio drops during National and Sub-national immunization rounds (in high risk areas) every year. The pulse polio immunisation drive to cover almost 25 lakh children in the state. Pulse Polio will be administered to 2.11 lakh children below five years of age in the Palakkad district on Sunday. Pulse Polio administration would be under strict COVID-19 restrictions.

On 29/1/2021 pulse polio Immunization training programme was conducted in Nehru College Of Nursing. Health team of Vaniamkulam PHC gave training programme to students regarding pulse polio .The trainers are Mrs Sabiya LHI, PHC Vaniamkulam, Mrs Smitha JHI, PHC Vaniamkulam. The participants are NSS volunteers of Nehru College of Nursing .

Pulse polio programme had been conducted by Government of India on 31-01-2021, as part of that in association with Vaniamkulam Primary Health Center, 47 NSS volunteers of Nehru College of Nursing participated in that programme. The students have assigned duties in different polio booths and they administered polio drops for the children who came to the polio booth. The drive will be held between 8am and 5pm. Trained vaccinators will be deployed in all vaccination booth on that day.

Panchayat President Mr. Gangadharan inaugurated the polio administration drive at the Primary Health Center, Vaniamkulam . Medical Officer Dr Hari Das , Health Inspector Mr Berlin Britto, LHI Mrs Sabiya presided the programme. .Ms. Indhu (ward 4) Member and Mr. Pradeep, Health and Standing Committee Chairman of Vaniamkulam Panchayath inaugurated the programme . The NSS volunteers of Nehru College of Nursing actively participated in this programme .

As many as 25 booths was set up for the vaccine administration. Each polio booth will be manned by two students and the health workers of Vaniamkulam panchayath. 50 health workers and 8 supervisors have been employed for the polio drive

The 15 NSS volunteers of Nehru College of Nursing accompanied with the PHC health team for follow up visit at Vaniamkulam Panchayath. Those children who fail to take polio vaccine from the booths on Sunday will be given immunization on Monday and Tuesday. The health staff of Vaniamkulam PHC and the students of Nehru College of Nursing will reach the homes to administer the vaccine for them.

If there is a Covid-positive person in the house, then immunization will be given to the child in that house only after 14 days of the child testing negative. For children below five years of age testing Covid-19 positive, immunization will be given only after four weeks of the child testing negative.

**REPORT ON HEALTH AWARENESS PROGRAMME ON DRUG
ADDICTION**

Drug addiction has become a great threat for the people of India. A large number of people especially the young generation are addicted to drugs. Mainly the young boys and girls are the victims of drug addiction. Nowadays drug addicts are found everywhere in the streets, in the parks, and even in the educational institutions. The number of drug addicts is increasing day by day. It is known that most of them are get addicted to drugs at their teenage. When they realize the consequences of drug addiction, it is too late. They want to shirk off the habit, but they cannot.

The final consequence of drug is very devastating. It causes death by severe affliction and suffering. The parents, the government, and the conscious citizens should come forward to take initiatives with a view to putting an end to this problem.

On behalf of that the faculties of Nehru College of Nursing conducted awareness programme on **Drug Addiction (SAY NO TO DRUGS)** at Providence College Erumapetty in collaboration with Lions Club 318-D Erumapetty on 4-2-2021. It was well appreciated by the Lions Club Members and college students. It is an another feather in our cap TEAM NCN.....

PUBLIC AWARENESS PROGRAMME

The Students of NEHRU COLLEGE OF NURSING are very much responsible for creating awareness in public. They always take initiative to make the public aware regarding the up-to-date information in the health field. The 6th batch students had organised a health awareness programme at their residential area on 4th January 2021. The aim of this programme was to create awareness among the public regarding the current health issues. The topics discussed were

Ms .Jesni : COVID 19 – SECOND WAVE

Ms. Angel Thomas : VACCINE AGAINST CORONA DISEASE

The sessions were very much effective & interactive. They have got excellent feedback from the audients. This will be really helpful for the public to for taking necessary precautions & actions in the current health issues

World Cancer Day

World Cancer Day, organized by the Union for International Cancer Control (UICC) and celebrated each year on 4 February, is an opportunity to rally the international community to end the injustice of preventable suffering from cancer.

The theme for World Cancer Day 2021 is 'I Am and I Will.' This year is a reminder of the enduring power of cooperation and collective action. It is observed to raise awareness and reduce the stigma surrounding the disease that is the second leading cause of death globally.

Third year Bsc nursing students from Nehru College Of Nursing, Vaniyamkulam conducted **WORLD CANCER DAY PROGRAMME** on 4/2/2021 through Google platform. The objectives of the program were to create awareness to the parents regarding cancer prevention.. The programme was coordinated by Mr. Shahul Hameed, Assistant Professor and Mrs. Sreelekha R , Lecturer, Department of Medical Surgical Nursing Nehru College of Nursing, Vaniyamkulam, Student representatives Ms. Roniya and Ms. Aparna AS delivered a session on "Prevention of Cancer " among people.

The session was concluded by the open discussion facilitated by students representatives from IIIrd year BSc Nursing . Parents identified the program as effective and beneficial .

Poshan Pakhwada 2021

Awareness class at Vaniyamkulam Primary Health Centre organized by NSS volunteers of Medallions

Ministry of Women and Child Development had celebrated Poshan Pakhwada from 16th to 31st March, 2021. Focusing on nutrition in a big way, the central government had launched the Poshan Pakhwada across the country to mark the first anniversary of the POSHAN Abhiyan Addressing nutritional challenges through Food Forestry and organizing Poshan. Panchayats are the key focus areas for Poshan Pakhwada 2021. To address nutritional challenges, distribution of four saplings of nutrition rich plants per Anganwadi Centre (AWC) in the Aspirational Districts was done under the supervision of local panchayat and DM/DC by National Medicinal Plants Board (NMPB), Ministry of AYUSH. This will cater to the nutritional challenges. The ministry is also organizing the awareness campaign on the topics including the malnutrition prevalence and its consequences, food forestry, Poshan Vatika, identification of SAM children and its management.

With regards to **POSHAN PAKHWADA** the NSS volunteers from the **MEDALLIONS OF Nehru College of Nursing** had arranged an awareness class on **MARCH 31st 2021** at Vaniyamkulam **PRIMARY HEALTH CARE CENTRE**. The programme included awareness classes & chart exhibition regarding balanced diet, malnutrition, its consequences & identification of SAM children and its management. People came for the OPD sessions & immunization at the PHC had attended the session. These kind of awareness programmes invites citizens to share good nutrition practices and contribute towards a healthier India.

The 2nd year students themselves got aware about the topic. The students improved their teaching skill using different audio visual aids.

REPORT ON WORLD TUBERCULOSIS DAY 2021

THEME: "The Clock is ticking"

TB remains one of the world's deadliest infectious killers. Each day, nearly 4000 lose their lives to TB and close to 28,000 people fall ill with this preventable and curable disease. Global efforts to combat TB have saved an estimated 63 million lives since the year 2000.

World Tuberculosis Day is commemorated annually to raise public awareness about the devastating health, social and economic consequences of tuberculosis, and to step up efforts to end the global tuberculosis epidemic.

The theme of World TB Day 2021 - 'The Clock is Ticking' –conveys the sense that the world is running out of time to act on the commitments to end TB made by global leaders. This is especially critical in the context of the COVID-19 pandemic that has put End TB progress at risk, and to ensure equitable access to prevention and care in line with WHO's drive towards achieving Universal Health Coverage.

In collaboration with Family Health Center Vaniamkulam 3rd year BSc nursing students (**Zephyres**) of Nehru College of Nursing conducted awareness programme on Tuberculosis at Vaniamkulam Grama Panchayath on 30/3/2021. The main aim was to create awareness among people about the control and preventable nature of tuberculosis to end TB from our community. The programme was inaugurated by Vaniamkulam Panchayath president Mr. Gangadharan. Mr. Berlin, Health Inspector Of Family health center, Vaniamkulam delivered the message regarding world tuberculosis day. Programme started with flash mob presented by **Zephyres** of Nehru College of Nursing and the programme was continued with Health Education which was given by using charts, flash cards regarding causative organism, symptoms, mode of transmission, diagnosis, prevention, complications, Treatment, diet, myths about TB...Vote of thanks was delivered by Mss. Aparna .A.S, 3rd year BSc nursing student of Nehru College of Nursing.....

AWARNESS CLASS – COVID 19 AT PHC VANIYAMKULAM

Over 2.7 million new COVID-19 cases were reported last week. An increase of two percent compared to the previous week. With active support of the people of India, we have been able to contain the spread of the Virus in our country. The most important factor in preventing the spread of the Virus locally is to empower the citizens with the right information and taking precautions as per the advisories being issued by Ministry of Health & Family Welfare.

The 7th batch students of NEHRU COLLEGE OF NURSING had conducted an awareness class on covid 19 pandemic, vaccination, benefits & it's outcome at VANIYAMKULAM PRIMARY HEALTH CENTER ON 15th March 2021. The people came for the OP sessions & for corona vaccination had attended the class. The kinds of attempts are highly appreciable from the student's side.

The audience were from Vaniyamkulam Gramapanchayath and they became aware of covid 19 second wave. Students done their professional benchmark during covid 19 second wave through health education.

WORLD KIDNEY DAY- 2021

Recently, data from the International Society of Nephrology's Kidney Disease Data Center reported prevalence of CKD in different Indian regions ranges from <1% to 13%. World Kidney Day is a global campaign aimed at raising awareness of the importance of our kidneys. It is celebrated every year on the second Thursday of March. The world kidney day steering committee has declared 2021 the year of "Living well with kidney disease". This has been done in order to both increase education and awareness about effective symptom management and patient empowerment, with the ultimate goal of encouraging life participation. Whilst effective measures to prevent kidney disease and its progression are important, patient with kidney disease – including those who depends on dialysis and transplantation – and their care-partners should also feel supported, especially during pandemics and other challenging periods, by the concerned efforts of health care communities. With regards to world kidney day SOUL SPARKERS of NCN conducted a health awareness programme for care-partners of Dialysis patients at our parent hospital PKDIMS on 20th March 2021. The programme was aimed to provide all necessary education to help CKD patients to improve their health and slow progression of the condition, and also teach them how to effectively participate in their care.

CHINAKKATHOOR POORAM FIRST AID CLINIC

Sree Chinakkathoor Bhagavathy Temple hosts one of the most unique and colourful poorams (temple festivals) in Kerala. Situated in Palappuram near Ottapalam Taluk in Palakkad district, this festival draws in people in large numbers annually. In the year 2021 it was celebrated on February 27th. Our 6th batch students had got an opportunity to be a part of A first aid & emergency clinic on this festival organized by our parent institution P K DAS INSTITUTE OF MEDICAL SCIENCE which is always a socially responsible institution . With the expert health workers from PKDIMS our students were able to work skillfully in this clinic which develops their emergency handling skill. The public greatly benefited during the festival.

HEALTH CAMP-PALLIPURAM

P K DAS Institute of Medical Sciences is always a socially committed institution & always keen to ensure that all sections of the population receive access to primary health care. P K DAS Institute of Medical Sciences has focused on organizing medical camps in most areas of ottappalam taluk. The students of Nehru College of Nursing were also able to participate in the health camp held on February 28th 2021 at PALLIPPURAM , CHEMBARA . These kind of opportunities are really encouraging our students to be more responsible to the society.

Around 150 members attended the camp and benefited the free consultation. The students developed their assessment and communication skill for their nursing profession.

REPORT ON EXPERT CLASS ON EPIDEMIOLOGICAL METHOD

Conducted by Community Health Nursing Department

Epidemiology is one of the most important disciplines in the health care industry. Since, the country and world facing incredible challenges of **Covid 19**, It is important to understand the role of epidemiology and it's methods and what health care leaders need to know in order to make the best decisions for their organizations. This presentation focused on epidemiological methods for epidemiological research and future directions which can be explored among Nursing Students. To shed some light on epidemiology and it's applications to today's pandemic **Dr. Kanniyam Binub, (Department Of Community Medicine) Deputy Medical Director ,Malabar Medical College Hospital And Research Center ,Calicut** moderated a discussion regarding epidemiological methods. His expertise gave in-depth knowledge on how to work with epidemiology. 2nd year & 4th year BSc Nursing students & the faculties had attended this session. Nehru College of Nursing is great full to Him for accepting the invitation and rendering competent knowledge on epidemiological methods. |

ABSTRACT

Background of the study

Reproductive health is a state of complete physical, mental and social wellbeing and not merely the absence of disease and infirmity, in all matters relating to the reproductive system and to its function and processes. Reproductive health implies that people are able to have a satisfying and safe sex and that have the capability to reproduce and the freedom to decide if, when and how often to do so.

Men and women have the right to be informed and to have access to safe, effective, affordable and acceptable methods of family planning to their choice that are not against the law. Furthermore, men and women should have access to appropriate health care services that will enable them to go safely through pregnancy and child birth, as well as to provide a couple with the best chance of having a healthy infant.

Statement of the problem

“A study to assess the knowledge about Reproductive Health among girls of a selected college at Ottapalam, Palakkad”

Objectives of the study

- To assess the knowledge of college girls about reproductive health.
- To find out the association between knowledge score of college girls about reproductive health and selected demographic variables.

Method

The design used in this study is one group knowledge test design. Descriptive study conducted by administration of structured knowledge questionnaire to assess the knowledge

G. S. S. S.
PRINCIPAL
PK DAS COLLEGE OF NURSING
PANAYUR (P.O.), WANIYAMBKULAM
OTTAPALAM, PALAKKAD DT
KERALA - 679622

level regarding reproductive health among college girls. Total 50 college girls were selected by convenient sampling. Study conducted among first year B.Sc Nursing students of Nehru College of Nursing, Vaniyankulam, Ottapalam, Palakkad District. The collected data was analyzed by using descriptive and inferential statistics.

Result

The knowledge score of college girls regarding reproductive health score was low. The mean knowledge score was 14 out of 25. The mean knowledge score percentage was only 56%. Data shows that highest percentage (48%) of the college girls had satisfactory knowledge regarding Reproductive health. 26% of students had good knowledge and 18% had poor knowledge. Only 8% had excellent knowledge about Reproductive health. This reveals that on the whole the knowledge level of college girls regarding reproductive health was low. All chi-square values were lesser than that of the tabulated values. The findings indicated that there is no significant association between the knowledge score and selected demographic variables

Interpretation and Conclusion

The knowledge score of college girls regarding reproductive health score was low.

The findings of the study would help the nurses to develop an insight into the importance of health education regarding reproductive health and its various aspects. .

ABSTRACT

A study to assess the level of knowledge regarding pain and palliative care among student nurses at selected colleges at Palakkad District .Method: Quantitative approach was used and study design was quasi experimental research design .50 samples were selected using Non Probability Convenient Sampling Technique .Data was collected by using demographic variables and semi structured knowledge questionnaire on pain and palliative care to assess the knowledge of student nurses regarding pain and palliative care. The data was analyzed and interpreted using descriptive and inferential statistics. Results: Among samples 37(74%) of student nurses have average knowledge regarding pain and palliative care and 13(26%) of samples have good knowledge regarding pain and palliative care and none of the samples have poor knowledge regarding pain and palliative care .The study revealed that there was no significant association between level of knowledge score and demographic variables.Conclusion:The study revealed that semi structured knowledge questionnaire improved the knowledge of student nurses regarding pain and palliative care.

Key words: Pain and Palliative care, Semi Structured knowledge questionnaire, Student nurses.

ABSTRACT

Urinary Tract Infection (UTI) is a common of all in affecting throughout their life. It occurs in all population from neonate to geriatric patients but it has a particular impact on females of all ages especially during adolescent period. UTI are much more common in adult than in children but about 1-2% of children do get UTI. A short urethra in women is mostly responsible for high incidence of UTI among them. This study examines the effectiveness of structured teaching program on prevention of UTI among adolescent girls. Objectives of the study were, to identify the knowledge regarding prevention of UTI among adolescent girls, to provide & evaluate the effectiveness of structured teaching programme on prevention of UTI among adolescent girls & to determine the association between knowledge regarding prevention of UTI among adolescent girls and selected demographic variables. This study was conducted at Nehru College of Nursing Panyoor post Vaniyankulam. Research design adopted for the study was pre-experimental one group pre-test post-test design. A sample of 40 students in the age group of thirteen to nineteen years was selected conveniently for the study. The data was collected by using a socio-demographic profile and a structured knowledge questionnaire regarding UTI following which, a planned teaching programme on "prevention of UTI" was administered to adolescent girls on the second day. In pretest score, about of sample 15% had good knowledge in pretest, 75% had average knowledge and 10% had poor knowledge. After teaching program (posttest) 87.5% had good knowledge and 12.5% had average knowledge. The previous episodes of UTI and previous knowledge regarding UTI are significant. As it is a problem focused among the adolescent girls might support to reduce the occurrence of UTI.

Key Words: Structured Teaching Programme, Urinary Tract Infection, Adolescent girls

MARCH 2021

REPORT ON ANTI-RAGGING CLASS

DATE: 10/03/2021

TIME: 2 Pm - 3 Pm

Venue: NCI Multip

Purpose: Anti-ragging Awareness - Orientation

Speaker: Adv. A.P. Sunkrishnan.

Legal Advisor to NCI Groups of Institutions.

Members Present:-

Principal - Prof. Tamil Selvi.

Vice Principal: Prof. Saranya.

SSUP Nodal Officer: Mrs. Shreeba K.

Mrs. Shunicy K.

The college started new Academic session of Bsc Nursing programme on: March 1st 2021. The anti-ragging Orientation programme was conducted by NCI, by Incharge Chief Guest: Adv. A.P. Sunkrishnan, Lawyer and legal Advisor of NCI Group of Institutions.

The class was started at 2 Pm. with a national Anthem prayer and Mrs. Shreeba Associate Professor of NCI College of Nursing, gave a brief Introduction regarding the speaker.

The Chief Guest Adv. Sunkrishnan, spoke on this occasion. He said 'Ragging is a menace to the society and it should be curbed at root level by educating the students in their campus'. He said 'India is the largest democracy in the world where we have a lot of freedom. But this does not give the liberty to do whatever we want, so there is a limit for everything. If that limit is crossed then the legal cell takes authority and formulates certain rules to curb the menace prevailing in the society. We also said 'Say No to Ragging'.

ANTI RAGGING CLASS ORGANIZED BY NCN SSGP

Ragging is an act that violates or is perceived to violate on individual student's dignity. It often takes a malignant form wherein the newcomers may be subjected to psychological or physical torture. In order to address the issue of an increase in ragging cases on campuses, the UGC has brought out the UGC regulations on curbing the menace of Ragging in Higher Educational Institutions 2009. Ragging is strictly prohibited in the college premises. Supreme Court of India has banned ragging. In order to prevent such activity on campus, several committees have been developed and brought into operation in campus. A class on Anti Ragging awareness was organized by SSGP of Nehru College of Nursing on 10/03/2021 at 2 PM. The resource person for the session was Adv.A.P.Unnikrishnan, lawyer and legal advisor of Nehru Group of Institutions and Guest faculty in Nehru Academy of law and Jawaharlal Business School, Ottappalam .All students except First years attended the class. The class included about ragging and its consequence. After the session, the first years also given detail information about ragging, anti ragging committee, anti-ragging squad, and contact numbers and to whom they should approach once the issue occurred. The class came to an end by 4pm, and vote of thanks was given by Mrs.Shincy.K /Nodal Officer.

COURSE CONTENT

Introduction

A person who is offered a quality education is able to serve the region, the state and the nation through resourceful educational programmes. A quality based education consequently helps in upgrading the individual's growth which in turn endorses the growth of the nation. It offers Quality Education to create a personal paradigm, devoted to master the life skills required for success.

All human beings, need to understand harmony in themselves, harmony with others and harmony with rest of the nature. There is an interconnectedness, self regulation and harmony at all levels of existence and this needs to be identified by each individual. Human beings governed mainly by their pre- conditionings and sensory experiences and are generally very hesitant to analyze them. However, once a break through is achieved, the subsequent journey is very smooth and pleasant.

Values are our guidelines for our success - our paradigm about what is acceptable. Human behavior depends on the characters defining the identity, choosing the values and establishing the beliefs. Ethics is an activity which concerns with the investigation of moral values in moral issues.

“Human value and professional ethics” enlighten the students with the fact that right understanding about oneself and rest of the existence and living in accordance with this understanding is essential for sustained human happiness and propriety.

Title of course:

Human values and professional ethics – for BSc nursing students

Vision

To provide value based premier quality education with a nurturing and collaborative environment to a real-world innovations and future-ready solutions benefitting the community, nation and the world.

PRINCIPAL
PK DAS COLLEGE OF NURSING
PANAYUR (P.O), VANIAMKULAM

“EXPERT CLASS ON CORONA VACCINATION”

Kerala started its vaccination drive against the novel coronavirus disease (COVID-19) January 16, 2021. Vaccination for COVID-19 is voluntary. The first group includes healthcare and frontline workers. Many healthcare workers, even doctors, are unclear whether to stand with the vaccination. A few are compelled to say okay for Covishield, so it is very important that all the health care professionals must be comprehensive about the corona vaccination- its benefits & effects. The “SSGP” of NEHRU COLLEGE OF NURSING had organized an expert class about the COVID -19 VACCINATION for the students. The resource person for the sessions was Dr. Mahesh Kumar D, Assist. Professor, Dept. Of Pharmacology, PKDIMS, Vaniyamkulam, Ottappalam, Palakkad. on 06/02/2021 at 2pm – 3pm in Google meet. All students from second year, third year and fourth year attended the class. Through this session we could clarify all the queries of students & could create a positive approach in students regarding the Covid 19 vaccination.

EXPERT CLASS ON ACLS & MECHANICAL

VENTILATOR BY RAJAGIRI HOSPITAL TEAM

ACLS training is designed to bring medical professionals beyond basic life support skills to provide more in-depth and comprehensive knowledge of advanced life support & The Medical intervention with mechanical ventilation becomes the priority in treatment of respiratory failure. Most employers in the medical arena require ACLS certification as a condition of employment. As there are increase in number of patients needing mechanical ventilation in general wards in recent years, the knowledge of the nurses in these wards regarding care of patients on mechanical ventilator & ACLS becomes a vital necessity. The MEDICAL SURGICAL DEPARTMENT OF NEHRU COLLEGE OF NURSING had organized an expert class on ACLS & MECHANICAL VENTILATOR in collaboration with RAJAGIRI HOSPITAL in google meet platform on 6 th FEB 2021 . In the short span of its existence, Rajagiri Hospital has created its niche on the map of quality healthcare delivery in South India; it is our pleasure to have the valuable time & insight of the RAJAGIRI TEAM along with us. The class on VENTILATOR was taken by Dr JAICOB VARGHESE (MBBBS,MD ,EDIC) consultant & head , Dept of critical care & medicine & The ACLS training was done by Mr NITHIN (IDCCN) Head nurse Medical intensive care unit . All the students of 4 th year BSc Nursing had attended this session. The classes as very much informative & useful for the students. The team NCN expressed the gratitude for the effort of the RAJAGIRI TEAM

INTERNATIONAL WEBINAR ON QUALITATIVE RESEARCH DESIGN

Qualitative research design is defined as a type of research methodology that focuses on exploring and understanding complex phenomena and meanings attributed to them by the individuals or groups. Qualitative is concerned with capturing the richness and depth of human experiences, beliefs, attitudes and behaviours. It aims to go beyond simple statistical analysis and uncover insights that quantitative research may not be able to capture.

IQAC of Nehru College of Nursing organized a webinar on **QUALITATIVE RESEARCH DESIGN** on 19th January 2021.

Resource persons

- Dr. Kanthasamy Muthugounder, Assistant professor and programme co-ordinator, College of Nursing, Gulf Medical University.
- Mr. Shahul Hameed, Assistant professor, Nehru College of Nursing
- Prof. Larissa Martha Sams, Laxmi Memorial College of Nursing, Mangalore

All the resource persons given an adequate knowledge regarding qualitative research design. They covered the topics such as background, key characteristics and types of qualitative research design, qualitative research design methods, qualitative research design process, steps and best practices for qualitative research design. 60 students and faculties attended the programme. The session concluded by vote of thanks and The Principal, NCN appreciated the resource persons.

✚ **ENDURANCE 2020 (INTERNATIONAL WEBINAR) – “ LIVE WITH CORONA VIRUS THE SOCIAL ATTIRE AHEAD “ , HOW WILL THE CORONA VIRUS CHANES THE WAY WE LIVE (22nd Aug 2020)**

Living through the Covid-19 pandemic, many have seen a number of ethical, legal, and social issues arise as a result of the virus rapidly spreading worldwide. Like the virus itself, the issues that the pandemic raises are moving targets with factors and conditions changing over time, often due to unprecedented necessity

The team NEHRU COLLEE OF NURSING had organized an international webinar ENDURANCE 2020 – “ LIVE WITH CORONA VIRUS THE SOCIAL ATTIRE AHEAD “ on 22nd AUGEST 2020 in Google meet flat form with “the goal of building awareness around the globe in array of covid pandemic & its impact in future life concerned with nurses & nursing education” Prof. TAMIL SELVI (Principal NEHRU COLLEGE OF NURSING) designated the chairperson of the organizing committee. Prof. LAVANA (Vice Principal NEHRU COLLEGE OF NURSING was the convenor of the webinar . Mr. SHAHUL HAMEED (Asst. Prof. NEHRU COLLEGE OF NURSING) co- ordinated the programme. We have arranged the resource persons in international level. The topic was discussed in four different sessions

Sl no	Details of resource persons	Topics
1	Dr. ANNA GEORGE NEW YORK	Pandemic & future education
2	Prof. MOLY PRINCIPAL AMRITHA COLLEGE OF NURSING	Changes made to nursing education in response to corona virus crisis
3	Mrs. DEEPA THOMAS ALEXANDER KUWIT	Virtual lessons for the long term traditional VS online transformation
4	Mrs. ASHA MATHEW UK	Care sector & major concerns to live with covid 19

The webinar was one whole day session. We got around 100 audiences in global level which included nurses, nurse educators, nursing faculties, nursing students & other aspirants. The programme started at 9am & was officially inaugurated by ADV.DR.KRISHNADAS (CHAIRMAN & MANAING TRUSTEE, NGI)

WEBINARS CONDUCTED IN THE YEAR 2020

✚ *“THE ROLE OF EFFECTIVE COMMUNICATION IN A DIVERSE ENVIRONMENT “ (28th JULY 2020)*

Nurses act as the hub of communication, relaying and interpreting information between physicians, caregivers, family members and patients. The ability to establish effective communication in nursing is imperative to providing the best care and patient outcomes possible. Nurses have a multitude of responsibilities when it comes to patient care. Arguably, communication tops the list.

The SSGP of NEHRU COLLEGE OF NURSING had organised a webinar on the role of effective communication in a diverse environment on 28th JULY 2020 in Google meet flat form. The resource person of the webinar was Mrs BINDHU MUMTAZ, Who is a communications professional with 15 year experience with international & multi- cultural experience. Currently she is working CISCO SYSTEMS inc, Bangalore as technical writer. The programme was officially started at 4pm on 28th July 2020. Prof. TAMIL SELVI (Principal NEHRU COLLEGE OF NURSING) delivered the welcome speech & Prof. LAVANYA (Vice Principal of NEHRU COLLEGE OF NURSING) introduced the chief guest to the group. All students & staffs of NEHRU COLLEGE OF NURSING had attended the webinar.

The whole session was very much effective & informative. These sessions will really help the students to deliver effective communication in their personal & professional life. The feedback got from the group about the webinar was very good. The team NCN expressed the gratitude to the resource person Mrs BINDHU MUMTAZ for the wonderful sessions. Mr. SHAHUL HAMEED (Asst. Proff. Nehru college of nursing, SSGP CO – ORDINATOR NCN) delivered the vote of thanks. The programme winds up by 5.30pm.

✚ **“WEBINAR ON DEPRESSION DUE TO LONG TERM EFFECT OF COVID 19 SEQALE” (8th DEC 2020)**

Fear, worry, and stress are normal responses to perceived or real threats, and at times when we are faced with uncertainty or the unknown. So it is normal and understandable that people are experiencing fear in the context of the COVID-19 pandemic. Added to the fear of contracting the virus in a pandemic such as COVID-19 are the significant changes to our daily lives as our movements are restricted in support of efforts to contain and slow down the spread of the virus.

The SSGP of NEHRU COLLEGE OF NURSING had organised a webinar on DEPRESSION DUE TO LONG TERM EFFECT OF COVID 19 SEQALE on 8th December 2020 in Google meet flat form . The speaker was Mr.Krian Kareepadath Goplal Krishnan, Neuropsychologist, Director, MindScape Counselling Centre, Thrissur, presently working as Assit. Professor at St. Joseph’s College, Irinjalakuda and former worked as SSGP Co-ordinator at Kerala University Of Health Sciences (KUHS). All students from second year, third year and fourth year attended the class

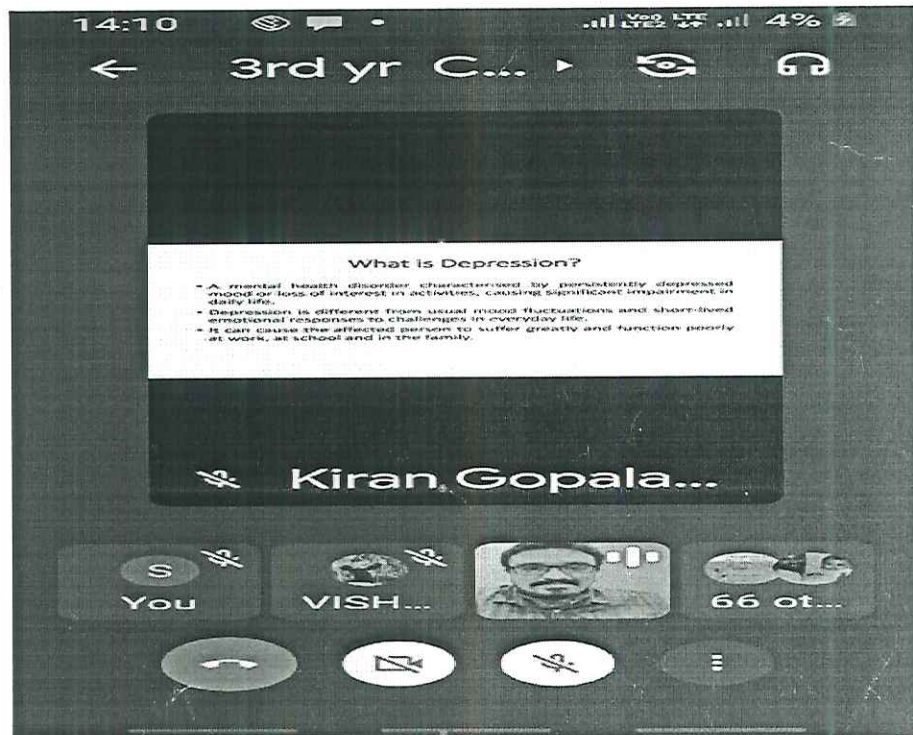

The sessions were very much informative we got a good feedback from the students. The students have actively participated in the session. they are clarified all their issues & problems with the speaker . the session ended at 3pm

The Personal Support Worker (PSW) Foundational Theory course by CHEMMANUR ACADEMY

Chemmannur Academy, having 18 years of experience in training and international recruitment, is launching the Personal Support Worker(PSW) Foundational Theory course, in association with Saint Elizabeth Health Care (SE Health), a 110 years old reputed healthcare organization in Canada. This is due to the immense demand for personal support workers in the healthcare industry around the world. They are providing a 400 hours online training program with internship and upon successful course completion candidates are eligible for placement in a reputed healthcare facility in Kuwait.

The sessions was on 05/02/2021, Friday at 11.00 AM. 4th year students of NEHRU COLLEGE OF NURSING had attended the webinar. This sessions these was much effective & beneficial for the students
