INDEPENDENCE DAY CELEBRATION AUGUST 15 - 2023

Every year on August 15, India celebrates Independence Day, transforming the country into a painting filled with the colours of pride and patriotism. On this date in 1947, the nation declared its independence from the 200-year British rule. The historic occasion honours the nation's laborious transition from the confines of colonial control to the lofty heights of sovereignty. As the tricolour flag flutters in the breeze and the echoes of the national anthem reverberate through the air, Independence Day becomes more than a date on the calendar - it becomes a symphony of remembrance, a tribute to the sacrifice, and a celebration of unity.

NSS unit of Nehru college of nursing proudly celebrate independence day on August 15, flag was hoisted by Mrs. Sumitha Krishna Das, management representative Nehru group of institutions, presidential address was given by Dr. Srinivasan Gandhi, principal Nehru college of Nursing. The message of the day was given by NSS programme officer Mr. Nowfel P.M. after flag hoisting, NSS volunteers sang patriotic song and pledge also taken by the volunteers. The assembly was dispersed after National Anthem and distributing sweets.

VECTOR-BORNE SURVEY

As a part of the vector borne survey Nss unit Nehru college of nursing conducted the vector borne survey in ward 15 Ariyankavu Vaniyankulam panchayeth. The program was conducted by Nss volunteers on 17/08/2023

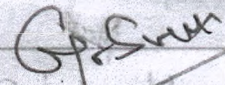

Vector-borne diseases result from an infection transmitted to humans and other animals by blood-feeding arthropods, such as mosquitoes, ticks and fleas. examples of vector borne disease include Dengue fever, West Nile virus, Lyme disease, and malaria

Nss volunteers provided health education regarding transmission and prevention of vector-borne disease and were advised to cover ~~the~~ the water containers tightly and remove the stagnant water.

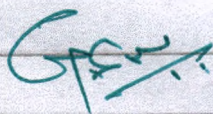

Nss volunteers got an opportunity to conduct a vector borne survey, which is very important in our community setting
