## GANDHI JAYANTHI 2021

*"India celebrates the birthday of its iconic front-runner MAHATHMA GANDHI in every year Oct 2<sup>nd</sup>. GANDHIJI has been offered the title of 'Father of the Nation' for his significant contributions to the country. He played an enormous role in attaining freedom from British. His method of non-violence inspired many civil rights movements across the world. This year marks the 152<sup>nd</sup> birth anniversary of Gandhi"*

*GANDHIJI always stressed the importance of cleanliness & sanitation in respect to compacting disease. He recognised that attitude towards cleanliness directly reflect the general outlook of the society & he strongly believe in achieving cleanliness through community participation*

To mark this day the NSS unit of NEHRU COLLEGE OF NURSING had organized a commendable cleanliness programme in the campus premises. The whole students & staff of NCN diligently performed on this day passing the message that, to build a healthy community first step & care should be started from our own surroundings. Our Principal Prof. KavithaMol P J addressed the students & alerted them about the relevance of sanitation & cleanliness. Following the foot step of ideas& thoughts of the greater personalities of our nation even being the new generation is really commendable & it is a step towards a better future. For organizing such a dedicative event the NSS unit NCN really need a greater appreciation

## VISHU CELEBRATION AT NCN

"Vishu" the day is considered auspicious to begin the harvest season and farmers start ploughing of the land on this day. The celebrations begin at sunrise as people wake up at dawn and start their day by looking at VishuKani. Bursting crackers is part of the celebration. People wear new clothes for the occasion and elders of the family gift money, called Vishukkaineetam, to children, servants and tenants.

The NCN family celebrated "VISHU" on 13th April 2022 with all the prime & proud. A beautiful VishuKani was prepared & all the members of NCN family got their Vishu kaineettam inspite of any discrimination of position or authority. The entire NCN illuminated in the lightings & crackers. The celebrations ended up with a delicious "Paladapayassam". The day left as one of the best memory in the hearts of all in NCN family.

## “ENERGIO 2021” SPORTS MEET

College Athletics programs drive to boost alertness, discipline, team spirit, mental ability, confidence and concentration of a student. Also, studies show that sports activities increase blood flow to the brain which helps to build more connections between neurons. It means that one gets better at concentrating and memorizing. The goal of a college education through sports and academics is vital. Being a student-athlete creates opportunities, and gives young athletes the essential characteristics needed to be eligible for an athletic or academic scholarship.

Nehru college of nursing, has always focused on giving priority & importance to the artistic & athletic development of the students along with their studies, had organized a vibrant Sports meet “ENERGIO 2021” expressing that no pandemic can let them down. The event was organized as two sessions. 1st sessions of indoor competitions was on 21st Nov 2021 & on 11th Dec 2021 the outdoor competition was conducted. The official inauguration for the sports meet was done by kick off by Prof. KUMARI HARIPRIYA O B Vice Principal Nehru college of Nursing. The students were guided & monitored by Mr. GOVINDHAN KUTTY Physical instructor & trainer PKDIMS & NCN. All the students of NCN had given remarkable participation in the events

Though academic curriculum keeps the students busy in that period to learn technical stuff and get a job, the importance of sports in helping to have a good mental and physical health is undeniable.

## "RANG DE"

### The part of colours

The month of March brings lots of joy and happiness. It is when the much await festival of colour is celebrated. Holi is the occasion with much pomp & it marks the celebration of the victory of good over evil. It is a day when people smear colours on each other faces. The festival promotes brotherhood and togetherness. It is the day to spread love and laughter with your friends and family. In this year Holi falls on March 18.

In the paradise of Nehru College of Nursing the college union, NSS & student nurse's association had organized a colour party. "RANG DE" - on March 18th 4pm at NCN campus ground. This vibrant party lifted everyone to a mode of excitement & frenzy. The colour of Holi spreads a message of peace and happiness. The entire NCN family forgot all the differences and celebrates this festival of colours.

## INDEPENDENCE DAY CELEBRATION - 2021

India is celebrating its 75th Independence Day and marking another milestone in the history of the world's largest democracy. The day serves as a reminder of the struggle for independence and commemorates the valour of freedom fighters who laid down their lives for the nation.

**REPORT OF CHRISTMAS CELEBRATION AT "MANOMITHRA PSYCHIATRIC CARE & COUNSELLING CENTRE"**

As Christmas rings in, The ZAPHAYRS of Nehru College of nursing had shown beyond doubt their social commitment by organizing a Christmas celebration for the inmates of "MANOMITHRA PSYCHIATRIC CARE & COUNSELLING CENTRE", PALAKKAD on 10th December 2021. India's disabled community has had a tough year with the Covid pandemic posing many challenges. But on Christmas, everyone is gearing up to celebrate. The programme was embraced with cribs, carols, dances & delicious cakes which intensify the Christmas vibes. The day has become full of celebration, love & compassion which really wiped off all the troubles & miseries of people there at Manomithra . Such acts, of love & compassion by the little angles of NCN are absolutely commendable. As the year comes to an end, members from disabled community look forward for a brighter, healthier and fruitful 2021.

### REPORT OF IFTHAR PARY

Ramadan is a period of devotion, fasting, charity-giving and self-accountability. It is also a month of forgiving. The Angel Gabriel descended from heaven to reveal the Quran, God's message to the Holy Prophet Muhammad, marked by 29-30 days of fasting. Fasting is primarily an exercise of devotion to willingly renounce oneself, for a definite period of time, from all bodily appetites in order to form spiritual discipline and self-control. IFTHAR is the meal eaten to break their fast after sunset every day during Ramadan.

To emphasize Empathy and generosity as the values of Ramadan the Zaphayers of Nehru College of Nursing had organized an IFTAR party at the NCN campus on 22nd April 2022 at 6.30pm. The event spread the message of sharing food, time, love and respect with poor and needy people during Ramadan more than any time of the year. Such programs that incite love, brotherhood and religious harmony are meant to instill goodness and love in the students.
