## RESOURCE MOBILIZATION POLICY

The primary source of fund is generated by the institution through fees collected from students towards tuition fees. This is in accordance with the rules and regulations of the Education Department, State Government, Central Government and the affiliated university. This fee amount is primarily used for the development of students, organizing seminars, field trips, organizing workshops, faculty remuneration and completion of the courses. Fund is also generated in the form of fee collected from FDPs, workshops, trainings and college day organized by the institution. They are primarily used to organize the event, purchase resources for the event and to cover all expenses of the event. Fund is also accrued in the form of internal revenue such as interests from bank deposits.

The revenue generated by the above sources is allocated to the respective activities. A proper and transparent system is in place for allocating this fund. Approvals from the activity coordinator, Head of the Department, Principal, Office Superintendent and the Chairman is required for spending or allocating this fund.

A clear and well defined system is also in place to monitor the effective and efficient usage of this fund. Fund is allocated to events only after scrutinizing the budget and program plan. Financial assistance is provided to students and faculty members to attend various faculty development programs and workshops.

As a part of Outcome Based Education system, this institution has given utmost importance for the generation and utilization of funds to meet the objectives of the institution. The institutional strategy to generate funds is primarily based on Quality enhancement strategy. This strategy is essential in teaching learning and health care service environment. By quality enhancement, the scope for increasing consultancy widens which leads to generation of more funds.

By providing quality enhancement, a better fee structure can be claimed by the college that can be sanctioned by the government. This also leads to improved funding. Hence, quality enhancement of the institution is nurtured to generate funds from different sources.

Optimal utilization of funds is ensured through the following:

1. Adequate funds are allocated for effective teaching-learning practices that include conduct of FDPs, orientation programs, workshops, inter-disciplinary activities, training programs that ensure quality education.
2. Adequate remuneration based on the performance-quotient of the teaching professionals is provided.
3. The budget will be utilized to meet day-to-day operational and administrative expenses and maintenance of the fixed assets.
4. The grants received from the external funding agencies are effectively utilized in implementation of projects by procuring the suitable equipment. This equipment is further utilized in the established advanced laboratories of the institute. Availability of such equipment has further improved the research interest of the faculty and students.
