#the farewell party #

"If you're brave enough to say goodbye, life will reward you with a new hello."

Farewell party in the college is celebrated not to just to say goodbye to the friends, as they step into a new realm of life. It also a commemoration to celebrate all the good times together and wishing the best for the future. A farewell is also an expression of good wishes at a parting. It is the occasion of making life time memories. The Great Farewell captures the bombastic pomp and intrigue-packed circumstance of emotional distress at its zenith.

The MEDALLIONS of NCN , had organized a tremendous farewell party for their seniors. ZAPHAYERS of NCN on 3rd March 2023 at 10am. Mrs. SUMITHA KRISHNADAS, (Management representative) officially inaugurated the event & conveyed blessings & wishes to the outgoing students. Dr Kavithamole P.J (Principal NCN) addressed the gathering & wished them a greater future ahead. It was a stunning program with games, dances & music & heart touching moments for the zephyrs which was a throw back of their life at NCN. , Each one of the Zephyrs was honored by a memento as a token of love & reminder of NCN. The medallions had organized such a gratifying farewell party & will be a cherishing memory for the zephyrs when they think about NCN.

VISHU CELEBRATION AT NCN

"Vishu" the day is considered auspicious to begin the harvest season and farmers start ploughing of the land on this day. The celebrations begin at sunrise as people wake up at dawn and start their day by looking at VishuKani. Bursting crackers is part of the celebration. People wear new clothes for the occasion and elders of the family gift money, called Vishukkaineetam, to children, servants and tenants.

The NCN family celebrated "VISHU" on 13th April 2022 with all the prime & proud. A beautiful VishuKani was prepared & all the members of NCN family got their Vishu kaineettam inspite of any discrimination of position or authority. The entire NCN illuminated in the lightings & crackers. The celebrations ended up with a delicious "Paladapayassam". The day left as one of the best memory in the hearts of all in NCN family.

The senior students offered the freshers a platform to let out all their fears & hardships with very interesting funny games. The event was also fledged with mind-blowing dance performances & rocking songs by the whole batch students of NCN. Mr. Adil Muhammed A R & Ms. Anokka Jiju had won the personality contest & executed Mr. & Ms FRESHER in the event. Seniors honoured NCN’s new buds with the nickname “ KRENOVIANTZ” means the defenders of mankind .The programme was really a visual treat & will be in the heart of every KRENOVIANTZ . The XANTHRONS really deserve a special appreciation for organizing such a wonderful programme.

VISHU CELEBRATION 2021

The native people in Kerala observe Vishu with lot of colourful rituals. This festival signifies prosperity and is a festival of harvest. The importance of Vishu festival is to have the right start. The mythology significance is that Lord Shri Krishna killed the demon Narakasura on this day and hence the Vishu festival reason is the celebration of this victory. A good harvest brings in joy to the common people and it means that their barns will be full. Vishu is celebrated to offer prayers for a good and prosperous year ahead.

REPORT OF ONAM CELEBRATION
JAGRATHOLSAVAM 2020

Onam is a symbol of colour. The paththayas of the Illam will be full of poetry, and the huts of the servants will be filled with something. Reminiscent of the couplets Manusharellarumunumole..., this harvest festival affirms the unity of the Malayalees, the national festival of Onam. Onam is the national festival of Malayalees. From thousands of years away, the light of a memory shines through us and passes through us. The poetry describing the richness of 'Nira' in Kerala is still not enough for generations to sing. "The land of Maveli will live happily like any other human being, and there will be no danger; there will be no lies, no deceit, no false words; no lies, no falsehoods, no falsehoods." It is a popular saying. Vamana kicked Mahabali down to the underworld for the sake of the gods who were jealous of that prosperous reign, and how Mahabali came to visit his subjects once, is a story that Malayalam Nadu has passed down to many generations! Although there may have been many differences in the celebrations as part of the way of life, Onam remains the same in terms of rituals and the joy of the gatherings. Nehru College Union Chairman Muhammad Arshad. Secretary. Anshid. Rahman. Akhila A and her tireless efforts have given vigor and luster to the (online) Onam Celebration.

Awareness program on Prevention of Accidents

As a part of NSS and Community Health Nursing, an "Awareness Program on Prevention of Accidents" was organized in Community Health Centre, Shornur on 18/08/2022 at 10.30 am for outpatients. The awareness program was inaugurated by Mr. Midhun J, PHN. The content was presented by Athira, Charutha, Ayana, Ashna & Assiya

Preventing accidents is easy when you know what to do. Accident prevention is the plans, preparation, and actions taken to avoid accidents or stop them from taking place. There were almost 45 people gathered for this awareness program. We explained in detail about various causes, management, and prevention of major forms of accidents that occur in our everyday life with the help of appropriate audio-visual aids. It took 30 minutes for presentation. The audience cleared their doubts by raising questions after the session.

The students gained knowledge from different resources regarding accidents, its incidence, types and preventive measures. The public got information regarding prevention of accidents.

World heart day 2k22

World Heart Day (29 September) is an opportunity for everyone to stop and consider how best to use heart for humanity, for nature, and for self. Beating cardiovascular disease is something that matters to every beating heart. World Heart Day 2022, is asking the world to: USE HEART FOR EVERY HEART. Use Heart means to think differently. To make the right decisions. For Every Heart involves the use of "FOR" and swings the focus from the actions themselves to the beneficiaries of the actions, allowing for wider application of the campaign while also making it more personal

Thinking a different approach which is good for cardiac health, P K Das institute of medical sciences in coordination with NSS unit in Nehru College of Nursing & other colleges under NGI organized a marathon & zoomba segment on the World heart day September 29th 2022. With unconditional effort & unity the event made remarkable on the special day. The marathon was followed by the inaugural function. Honourable Chairman & managing trustee Adv Dr P Krishnadas inaugurated the event officially. Dr R C Krishnakumar (Director operations PKDIMS), Dr Frijo George (Cardiologist PKDIMS), Dr M A Androose (Principal PKDIMS) & many other dignitaries addressed the gathering & reminded the importance of this special day. The Medallions our 3rd year BSc Nursing students manifested outstanding performance in the event & Mr Rahul secured 3rd position in marathon boys Ms Farshitha got second & Ms Aksa got third from girls side & received prizes from Honourable Chairman & Managing trustee Adv Dr P Krishnadas. A vibrant zoomba session was led by the zoomba trainer Dr Gouri Megha after the marathon. Our students had participated in this session very energetically. This was followed by releasing of red love balloons in the sky which representing the theme use the heart for every heart.

HIV AWARENESS CAMPAIGN 2021

On WORLD AIDS DAY

“HIV remains a major public health issue that affects millions of people worldwide. Although the world has made significant progress in recent decades, important global targets for 2020 were not met. Division, disparity and disregard for human rights are among the failures that allowed HIV to become and remain a global health crisis. Now, COVID-19 is exacerbating inequities and disruptions to services, making the lives of many people living with HIV more challenging. The theme of World AIDS Day 2021 is “End inequalities. End AIDS”. With a special focus on reaching people left behind, WHO and its partners are highlighting the growing inequalities in access to essential HIV services.”

On Dec 1st 2021, the department of community health nursing of NEHRU COLLEGE OF NURSING (NCN) in collaboration with PKDIMS & PRIMARY HEALTH CENTER VANIYAMKULAM conducted an advanced awareness programme. The programme was conducted as two sessions. At PKDIMS the program was started with welcome address and unveiling the theme done by Mrs. Radhika, Assistant Professor, PK Das Institute of Medical Science, Vaniyamkulam. The interns of P K Das Institute of Medical Sciences gave an effective Health Talk on the topic HIV and its preventive measures. The campaign was strengthened by an enchanting flash mob and following a health play done by IV Year BSc. Nursing, 2020-2021 batch students. The campaign was adjourned with thanks by Mrs. Jubeena, Associate Professor, PK Das Institute of Medical Science, Vaniyamkulam.

In Coordination with VANIYAMKULAM PHC an awareness rally was conducted on world AIDS day. The rally started from PCH Vaniyamkulam. Health inspector Vaniyamkulam PHC had done the inauguration. The rally begun with an outstanding flash mob by the 2nd year BSc Nursing Students NCN. Mr. HARIDAS Health & Education standing committee chairman of Vaniyamkulam Gramapanchayath had done the flag off for the rally. All the 2nd year & 4th year students of NCN, faculties from community health department NCN had participated in the rally along with the health workers of Vaniyamkulam PHC, ASHA workers, also members from Vaniyamkulam Gramapanchayath. The placards holed by the participants of the rally was so informative regarding the mode of transmission, prevention, treatment & government programmes for HIV infection. Rally adjourned at Vaniyamkulam Panchayath office. Increased awareness of safe practices to prevent HIV infection results in people being more careful and ultimately decreases infection rates.

The health play & awareness sessions was so informative to public. The community health department of NCN, the 2nd and 4th year students need a greater appreciation for organizing such an impressive event.

Drug addiction has become a great threat for the people of India. A large number of people especially the young generation are addicted to drugs. Mainly the young boys and girls are the victims of drug addiction. Nowadays drug addicts are found everywhere in the streets, in the parks, and even in the educational institutions. The number of drug addicts is increasing day by day. It is known that most of them are get addicted to drugs at their teenage. When they realize the consequences of drug addiction, it is too late. They want to shirk off the habit, but they cannot.

The final consequence of drug is very devastating. It causes death by severe affliction and suffering. The parents, the government, and the conscious citizens should come forward to take initiatives with a view to putting an end to this problem.

On behalf of that the faculties of Nehru College of Nursing conducted awareness programme on **Drug Addiction (SAY NO TO DRUGS)** at Providence College Erumapetty in collaboration with Lions Club 318-D Erumapetty on 4-2-2021. Report on health awareness programme conducted for KUDUMBASHREE UNIT VANIYAMKULAM

The Kudumbashree programme took birth in 1998 in Kerala as a community-driven initiative that aimed at encouraging a woman to 'save' for the future. And after nearly two decades, Kudumbashree is considered a lifeline by countless women who have reaped its benefits to carve out an identity of their own in society. Kudumbashree means different things to different people. For some, it is the poverty eradication project of the State Government of Kerala. The poverty eradication mission is called Kudumbashree. In a village setting, a National Health Group (NHG) is called Kudumbashree. The Community Development Society (CDS) is called Kudumbashree.

Vaniyamkulam Panchayath is having a very active kudumbashree unit. The different projects under the kudumbashree unit in Vaniyamkulam Gramapanchayath are

- Pad making unit
- Soap making unit
- Pickle making unit
- Umbrella making unit
- Disinfectants making unit
- Tyling unit
- Ayush gramam
- Agricultural projects

As the kudumbashree workers involve in different occupational areas they are more prone for different health harards , it is essential for them to give an awareness on the health related topics .The final year students of Nehru College of Nursing have conducted a health awareness programme for the kudumbashree workers in Vaniyamkulam Grama Panchayath . The programme was held on february 1st 2020 at the conference hall of Vaniyamkulam Panchayath Office.

SANITATION CAMPAIGN AT KOONATHRA HSS

Total Sanitation Campaign (TSC) Rural sanitation came into focus in the Government of India in the World Water Decade of 1980s. The Central Rural Sanitation Programme was started in 1986 to provide sanitation facilities in rural areas. It was a supply driven, highly subsidy and infrastructure oriented programme. As a result of these deficiencies and low financial allocations, the CRSP had little impact on the gargantuan problem. The experience of community-driven, awareness-generating campaign based programmes in some states and the results of evaluation of CRSP, led to the formulation of the Total Sanitation Campaign (TSC) approach in 1999

The main objectives of the TSC are as under:

- Bring about an improvement in the general quality of life in the rural areas
- Accelerate sanitation coverage in rural areas.
- Generate felt demand for sanitation facilities through awareness creation and health education.
- Cover schools/ Anganwadi's in rural areas with sanitation facilities and promote hygiene education and sanitary habits among students.
- Encourage cost effective and appropriate technologies in sanitation
- Eliminate open defecation to minimize risk of contamination of drinking water sources and food.
- Convert dry latrines to pour flush latrines, and eliminate manual scavenging practice, wherever in existence in rural areas.

As a part of the total sanitation campaign the 4th year students & faculties of Community Health Nursing have conducted a sanitation campaign at Koonathara Govt. HSS on 24.01.2020. The students have done the cleaning of the school premises. There was about 37 students & 2 faculties. They were divided as several groups and cleaned the school ground area, building surroundings. They have removed the whole waste materials & cleaned the grass & plants from the ground. By this sanitation campaign the students could able to make the whole college premises neat and clean. The staffs & students of the school appreciated the work of the students & by this programme we could create awareness among the school students the need of keeping their surroundings neat & clean
