8.1.6 Describe how the College facilities were utilized by students from other institutions (PG/UG/GNM) for administrative/educational visits and critical evaluation during the last 5 years within 500 words.

Nehru College of Nursing has organized many educational programs such as seminars, panel discussion, workshops and webinars on current research and specialty related topics. Many students and faculties from outside educational institutions attended the various educational programs in our institutions for last five years. The institution conducted exhibitions, camps and campaigns on various topics in collaboration with governmental agencies and also in conjunction with PK Das Institute of Medical Science, Vaniyamkulam. The Institution also organized free camps, campaigns and medical exhibition for community and school children for public awareness.

The department of community medicines administered vaccines against COVID 19 pandemic for students, nursing faculty and community.

During the pandemic situation our parent hospital as well as our college students served as COVID First Line Treatment (CFLT) centers and thus rendered health care facilities for the students, faculties and staffs and also the community.

The institution is visited by nearby educational institutions for learning administrative and educational pattern and also visited the parent hospital as observational visit .

During the visit the students are given health and medical educational awareness of college and hospital. The students are given training sessions regarding Historical development, Mission, Vision, Philosophy and Organization and staffing pattern, Roles and function Policies

HEALTH EXHIBITION REPORT

SALUD 2K22

INTRODUCTION

We the Fourth year BSc Nursing students conducted a Health and Food Fest exhibition 'SALUD 2K22' in Nehru College of Nursing Vaniyamkulam on 4th July 2022 at 10:00 am to 04:30pm for school and college students.

According to World Health Organization (WHO) "Health is defined as state of complete physical, mental and social well being not merely an absence of disease or infirmity." We aimed to improve the health of students and also we initiated to bring out good healthy habits through this exhibition. Beneficiary of health exhibition was school students from T.M.U. School, Panamana, Swathy Central School, Vaniyamkulam and the students from Nehru College of Engineering and Research Centre Pambadi Thrissur, Nehru College of Pharmacy Pambadi Thrissur, Nehru College of Architecture Pambadi Thrissur, Nehru Academy of Law Pambadi Thrissur, Jawaharlal College of Engineering and Technology Lakkidi Palakkad and Nehru College of Nursing, Coimbatore.

Human science which includes specimens of body organs from PKDIMS Vaniyamkulam, models of various medical diagnostic procedures such as MRI scan, CT scan, model of foetal development, sanitary well, human skeleton and are presented. Also charts regarding fetal circulation, universal immunization schedule, hepatitis, dengue, corona, tuberculosis, leptospirosis, malaria, rabies transmission, chart of personal hygiene, balanced diet, whole human body chart are included along with healthy food display regarding diet on life style diseases.

CONCLUSION

Students can change the future of a nation, so the change must be started from the students. So all awareness programmes should be focused on students, because they communicate their learning experiences to the community and make changes by themselves.

HEALTH EXHIBITION REPORT

AROGYA 2019

INTRODUCTION

We fourth years conducted a health exhibition 'AROGYA 2019' in Nehru College of Nursing Vaniyamkulam on 19th December 2019 at 10:30am to 04:30pm for school students and college students.

The holistic concept of health is contained in the expression of wholeness. Health is a relative state in which one is able to function well physically, mentally, socially and spiritually to express the full range of one's unique potentials within the environment in which one lives. We aimed to improve the health and wealth of the society by giving awareness about the current health issues and need of good health to the students.

The beneficiaries of the exhibition was the students from the following institutions includes T.M.U.P School, Panamana, Swathy Central School, Vaniyamkulam and the students from Nehru College of Engineering and Research Centre Pambadi Thrissur, Nehru College of Pharmacy Pambadi Thrissur, Nehru College of Architecture Pambadi Thrissur, Nehru Academy of Law Pambady Thrissur, Jawaharlal College of Engineering and Technology Lakkidi Palakkad and Nehru College of Nursing, Coimbatore.

Different kinds of health models are used in this exhibition, which includes specimens of human body organs, models of whole human body, fetal development, exchange blood transfusion, phototherapy, sanitary well, good housing, transmission of communicable diseases, charts includes universal
