INTELLECTUAL PROPERTY RIGHTS

"Institution innovative council is to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses. Intellectual property rights are legal and institutional devices to protect creations of the mind such as inventions, works of art and literature, and designs. There is a growing interest in nursing in designing professional practice models that "work," that is, models that promote benefit both to nurses and to the clients they serve. The concept of institutional innovations, is an idea which is not restrictive to private practice, it opens opportunities in all the institutions including nursing colleges that will benefit patients, hospital administrators, physicians, and nurses.

"Nehru college of Nursing always makes chances for the students to explore more in their field of interest along with the academics. To build up more Entrepreneurs from the field of Nursing, & to make the students aware about IIC & IPR the I P R cell of NCN organized an introductory session on about "Intellectual property rights" on 27th April 2022 at 2.30 pm for the 1st year BSc Nursing students in the campus auditorium. Mrs. Anusweena Thomas welcomed the gathering & our beloved principal Dr. Kavitha mole P J had done the theme opening. Mrs Rose Jose Asst professor NCN was leading the talk on intellectual property rights. Ms. Zaina Elizabeth Jose Asso professor NCN expressed the token of gratitude. The innovative ideas developing ability is not strictly innate, but may be enhanced by experience and education like this sessions. Nursing is moving into an exciting time, one in which the opportunities for innovation and satisfaction for both nurses and clients are rapidly expanding

SEMINAR on

INTRODUCTION TO INTELLECTUAL PROPERTY RIGHTS

Innovation, creativity and branding represent a large amount of the value that changes hands in international trade today. The WTO's Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS), negotiated during the 1986-94 Uruguay Round, introduced intellectual property rules into the multilateral trading system for the first time. World Trade Organization has created a concept of Intellectual Property Rights to give rights to persons over their creations of their mind.

Nehru College of Nursing conducted a seminar session on INTRODUCTION TO INTELLECTUAL PROPERTY RIGHT on 14th March 2022. The session was addressed by Mrs. Sumitha Krishnadas, Management Representative, Nehru Group of Institutions. The seminar was handled by Dr. Kavitha Chalakkal, Assistant Professor, Inter University Centre for IPR Studies (IUCIPRS), CUSAT. The session was very useful for the attenders to gain an idea to register for the patency personally or for an institution for their own creations. Concluded the programme conveying the vote of thanks by Ms. Zaina Elizabeth Jose, Associate Professor, Nehru College of Nursing.

Biography

Dr Kavitha Chalakkal is currently an Assistant Professor in Inter University Centre for IPR Studies, CUSAT. She had worked formally as Assistant Director (Research) and Assistant Professor (Senior Grade) in Lloyd Law College. She has an experience of more than 8 years in academics and in national and international non-governmental sector. Dr Chalakkal received her PhD (2014) in International Environmental Law from the Jawaharlal Nehru University, New Delhi, after completing her L.L.M. in Intellectual Property and Environmental Law (2006; Cochin University of Science and Technology, Kerala) and M.Phil. in Public International Law (2008; Jawaharlal Nehru University). She received her bachelor's degree (L.L.B.) from Kerala University in 2003. Before starting her career in academics, Dr Chalakkal worked with various non-government organizations. Dr Chalakkal has also developed study modules (2016) for Post-Graduate Courses for the e-Pathshala project of the Ministry of Human Resources Development, Government of India. Dr. Chalakkal has many publications and presented papers in various international and national conferences. She has also won best paper and presenter awards in two international conferences. She is a member of the World Commission on Protected Areas and World Commission on Environmental Law, International Union for Conservation of Nature (IUCN).

Dr Chalakkal was the Fox Foundation Fellow (2009-10), Yale University, USA and is also a Research Fellow (2018), China-South Asia Legal Research Center, China Law Society.

Respected Ma'am,

Greetings from IUCIPRS, CUSAT!

I am Dr. Kavitha Chalakkal, Assistant Professor, Inter University Center for IPR Studies, CUSAT.

I am writing this mail as per the instructions of Dr. M. Bhasi, Director, IUCIPRS, CUSAT, with regard to your mail regarding the conduct of a session on 'Introduction to IPR' at your institute, Nehru College of Nursing, Vaniyamkulam. I have been assigned by Sir to take this session at your institute and I would like to request you to kindly let me know further details regarding a convenient date and time.

Looking forward to hearing from you,

Thanking you,
Best Regards,

Kavitha

WEBINAR ON INFUSING RESEARCH ATTITUDE THROUGH PATENTS AND DESIGNS

Infusing a research attitude through patents and designs involves fostering a mind-set that combines innovation, curiosity, and a commitment to rigorous exploration. Patents protect novel ideas, while designs bring concepts to life, encouraging a culture of inquiry and creativity. This approach not only safeguards intellectual property but also cultivates an environment where experimentation and continuous learning thrive, driving progress and competitive advantage.

Nehru College of Nursing, Vaniyankulam organized A webinar on “infusing research attitude through patents and designs” on 18/06/2021 through online mode. After the inaugural ceremony, the resource person Dr. N Gunashekar, Principal of Jawaharlal College Engineering and Technology (JCET) started the session. Total 60 students and 6 faculties were attended the session. One of the student delivered vote of thanks to the resource person and to the participants.

A WEBINAR ON INTELLECTUAL PROPERTY RIGHT IN INDIA (IPR)

Intellectual Property Right (IPR) in India encompass a broad spectrum of legal protection for creation of mind, including patents, trade marks, copy rights and designs. These rights serve to incetivize innovation, creativity and economic growth by granding exclusive rights to creators and inventors. India's IPR aimed at striking a balance between protecting rights holders and promoting public interest and access to knowledge.

Nehru College of nursing organized a webinar on Intellectual Property Right in India on 5th April 2021 for third year BSc Nursing Students for getting adequate knowledge and application of IPR. The resource person Dr Suresh Mallya, Retired professor, Kerala University of Fisheries and Ocean Studies dealt the topic as two sessions. First session carried out from 10.30AM to 12.30PM and second session was from 2PM to 3.30 PM. 60 students and 6 faculties were participated. The session was excellent and it helped the participants to enhance their knowledge about the topic. The session was concluded by a vote of thanks.

A WEBINAR ON IPR AND INNOVATIONS

Intellectual property protection is critical to fostering the protection of ideas, businesses and individuals would not reap the full benefits of their inventions and would focus less on research and development.

Nehru College of Nursing organized a webinar on IPR and Innovations for our third year BSc nursing students on 10/08/2019 from 9.30 AM to 12.30 PM. The resource person was Dr K Umesha, Vice Principal, , Jawaharlal College of Engineering and Technology. Session included the topics conceiving your Invention, Patent Search and Drafting, Filing the Patent Application, Publication of the Application, Request for Examination, Respond to the Objections, Grant of Patent. The session concluded by vote of thanks and The Principal, NCN handover the honour of appreciation to the resource person.

A WEBINAR ON OVERVIEW OF PATENTS AND COPYRIGHTS

Patents and copyrights are forms of intellectual property protection. Patents safeguard inventions, granting exclusive rights to inventors for a limited time, typically 20 years. Copyrights protect original works of authorship such as literature, music and art, granting creators exclusive rights for a longer period, usually the authors lifetime plus 70 years. Both play a crucial role in fostering innovations and creativity while providing legal recourse against unauthorized use or reproduction.

Nehru College of Nursing organized a webinar on Overview of Patents and Copyrights on 17/08/2018 for third year BSc nursing students from 9.30AM to 12.30PM. The resource person was Dr Amritha Ajeej, HOD Civil Engineering Dept, Jawaharlal College of Engineering and Technology. 60 participants and 5 faculties participated in the seminar. The session concluded by vote of thanks and The Principal, NCN handover the honour of appreciation to the resource person.
