## REPORT ON ANIMAL HOUSE VISIT

### Objectives of visit:

- To get orientated to the health and agency animal handlers.
- To get adequate knowledge regarding infection and injury control in animals.
- To get knowledge regarding research activities using animal species.
- To get an orientation about the records and reports in animal house

### Report:

The 3<sup>rd</sup> Year BSc nursing students, (60 students) went for an Animal House visit at P K Das Institute of Medical Sciences on 15-04-2021 to gain knowledge regarding research activities performed on animal species, its need in the field of Medicine and Research. Reached there at 10.00am, and they were orientated regarding functioning of the animal house. After the orientation, classes were taken by two faculty members. The session imparted knowledge regarding the staffing patterns infection and injury control in animals, and records maintained in animal house. They also explained about the experimental animals that are used for the research purposes. The visit ended at 12.30 pm with clarification and feed back of the students. The students expressed that the visit was informative.

## REPORT ON HERBAL GARDEN VISIT ON 17-05-2021

### Objective of the visit

The objective of the herbal garden visit was

- To create awareness of conservation and traditional uses of herbs and medicinal plants.
- To orient the students to AYUSH – related learning cum therapy centre
- To orient the students regarding the medicinal benefits of herbs
- To learn the scope of medicinal plants as alternative medicines.
- To learn how to identify and conserve these important plants.

The IV Year BSc nursing students along with two faculty members visited Keraleeya Ayurveda Samajam, Shoranur on 17-05-2021. The students and faculty were oriented to the functioning of the Institution. After the orientation there were classes which explained about the medicinal benefits and the scope of these plants as alternative medicines in today's scenario and that many are using Ayurveda in home and even in alternative therapies for treatment.

### ORIENTATION CLASS REGARDING HERBAL PLANTS
