Dear sir/m'm,

Greetings from NPTEL, IIT Madras!

Thank you for your continued support for our efforts & initiatives. We very much appreciate you motivating your students/faculty to take up the NPTEL certification courses and encouraging them towards getting certified through the examinations.

We take this opportunity to express our gratitude to the college management, the principal and the Local Chapter SPOC; without your support and cooperation, we could not have accomplished our goals. Looking forward to the same from you in the upcoming semesters as well.

Enclosed, please find our Jul-Dec 2022 course posters. Requesting you to kindly display them in prominent places within your college campus.

We are also enclosing a write-up of our various initiatives. Kindly go through the same and let us know if you need any further clarification. The SPOC is most welcome to join our Thursday Open House online sessions (5pm every Thursday) and interact with us.

Thank you.

Sincerely
NPTEL Team

Dear Sir/m'm,

Greetings from NPTEL, IIT Madras!

NPTEL has recently started various new initiatives. We would like to give a brief introduction to the various programmes that we run as part of the larger NPTEL initiative. We urge you to go through the same and visit our website <https://nptel.ac.in/> for more details.

NPTEL+ Anyone Anywhere Anytime

NPTEL has launched the new portal NPTEL+ to expand the variety of offerings and courses for learner upskilling. 3 types of training programs are run currently:

1. **NPTEL courses in self paced mode:** Learners may progress through the course and complete assignments at their own pace and also choose to write a remote proctored online exam from the comfort of their homes to earn a certificate.
2. **Short term training programs from the IITs/IISc:** Short term training programs which might involve fully live lectures coupled with hands-on training or a blended mode of learning are being offered.
3. **Other programs:** These programs include courses from institutes/organizations that are partnering with NPTEL to equip the learners to be industry ready.

For more details please visit <https://elearn.nptel.ac.in/>

Digital Skilling <https://elearn.nptel.ac.in/shop/nptel/digital-skilling/>

We have been looking into several initiatives to help enhance the employability skills of our NPTEL learners. As part of this, we have developed a course on basic digital skills. This course comprises video lessons on various features of a few basic tools and Apps that we use at workplaces routinely such as: GSuite, and a few Add Ons such as Image capturing. This course will be useful for anyone who is looking to learn some basic digital skills.

Domain Certification <https://nptel.ac.in/domains>

Courses are grouped to help learners specialise in 51 domains across 12 disciplines. Completing a domain helps to gain expertise in a specific area. This can be helpful for learners who wish to work in a particular area as part of their job or research.

Industry Interaction <https://nptel.ac.in/nia>

NPTEL has been working towards bringing in an industry perspective to its technically rich courses which led to the inception of an initiative called NPTEL INDUSTRY ASSOCIATE (NIA). As part of NIA, NPTEL has launched various initiatives in collaboration with different industry partners. Some of the initiatives have been launched with the CSR support from our partners. We are glad to inform you that NPTEL learners can benefit by participating in the following initiatives:

- 1) **Internships for course toppers with the IIT Faculty:** NPTEL provides toppers with the opportunity to gain rich research experiences with faculty from prestigious IITs and IISc. Exposure to the IIT environment of learning and research and the labs for a month would definitely be a motivation for the students to pursue higher education in a particular field of their interest. Such students will participate in an internship with IIT/IISc professors with a nominal stipend.
- 2) **Fee Waiver Support for economically background students:** NPTEL is supporting students from economically weak backgrounds to complete the course and get a certificate from the IITs. NPTEL provides Rs. 500 as an exam fee waiver to such deserving students. This fee waiver is provided only to the students studying at institutes that partner with NPTEL as Local Chapters.

Dear Sir/Madam,

Sub: Establishing SWAYAM NPTEL Local Chapter in your college

Greetings from the NPTEL office.

This is to acknowledge the receipt of your letter accepting to host SWAYAM NPTEL Local Chapter in your institution.

The Single Point of Contact (SPOC) nominated from your college is

Name of SPOC: DR. BINU BABU
Designation: ASSOCIATE PROFESSOR
Department: NURSING
Contact No(s): 8560987525
E-mail id: binuenchappanal@gmail.com

We wish to inform you that all future correspondence related to NPTEL contents and online courses will be made to the afore-mentioned SPOC. He/she will be routinely updated with all the latest NPTEL initiatives which then may be circulated among the students.

We are also happy to share that a dedicated SWAYAM NPTEL Local Chapter web page is being created and your institution will have a separate page on it (<http://archive.nptel.ac.in/LocalChapter>)

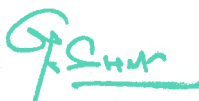

Thanking you.

Sincerely

Prof. Andrew Thangaraj
