YOGA AWARNESS

Yoga is essentially a spiritual discipline based on an extremely subtle science, As per Yogic scriptures the practice of Yoga leads to the union of individual consciousness with that of the Universal Consciousness, indicating a perfect harmony between the mind and body, Man & Nature. This thereby encourages a whole other level of confidence among the students who practice yoga. This instilling of confidence also helps in reducing situations of conflict among peers, as one gains confidence in their inner self.

Nehru college of Nursing organized a yoga training session for the students on 21st June 2018 at 8am at NCN auditorium. The trainer of the session was Acharya Sagarchand, School of Yoga, Palakkad .The session included theoretical classes & practical training sessions. The trainer demonstrated different yoga postures & all students practiced the sessions. This was a one day programme. After the sessions the students were very much trained in yoga & this session really helped to create appositive attitude about yoga among the students. It was planned to have a daily yoga practice every day in the hostel. The session officially concluded by the words of Gratitude by the college union chairman Mr. Muhammed Aslam at 5pm

FLASH MOB- WOMEN'S DAY CELEBRATION

The purpose of celebrating Women's Day is to raise the awareness about the status and dignity of women among the public. Flash mob was conducted by the department of Obstetrics & Gynecology with Nursing students of Nehru College of Nursing on 08.03.2019 in Vaniyankulam from 10.00 am. The students performed various activities regarding Gender Equality and Women Empowerment and created awareness and given supportive information to renew the commitment of public towards gender equality. Many students participated and recognized the women who have made contributions to the advancement of their gender.

IMMUNIZATION AWARENESS DAY- ROLE PLAY AND HEALTH EDUCATION

Immunization awareness day celebration programme was conducted on 16.03.2019 at PKDIMS Vaniyankulam. B.Sc.(N) III year students from Nehru College of Nursing were participated in the activities like health education regarding the importance, schedule and supportive information of immunization and performed role play about the importance of immunization. After the education programme, students motivated the mothers to clarify their doubts and given the related answers as per the query of mothers. The purpose of this event is to raise the awareness about the importance of vaccination to reduce the risk of getting a disease by working with body's natural defenses to build protection

FIRST AID CLINIC

First aid clinic in Chinkathoor Pooram was organized by the department of community health nursing, NCN and PKDIMS with students of Nehru college of nursing on 01.03.2019. The clinic was started at 10.30am. With the expert health workers from PKDIMS, our students were able to work skillfully in this clinic which greatly benefited to the community people. All the people were screened as per their problems and necessary first aid measures were given by the medical experts along with students. The clinic was very useful for the community and also for the students to enhance their practical skills on first aid.

As a part of world mental health day, Nehru College of nursing conducted a mental health awareness programme for the caregivers of the psychiatric patients on 10/10/2018 at psychiatric ward, P K Das Institute of Medical Sciences.

The programme started at 10.30 a.m. Pooja.K, Athulya.S and Usmanul Hakkeem of fourth year BSc nursing conducted the awareness programme. The focus of this initiative was to provide support and education specifically for caregivers of patients at the psychiatric ward, recognizing the vital role they play in the mental health and well-being of their loved ones. There were almost 10-15 people gathered for the programme. The programme took about 30 minutes.

The audiences were cleared with their doubts by raising questions and benefited after the session regarding mental health. The participants gained knowledge about this topic .The programme winded up at 11:00 am. The students done their moral duty towards the society by giving health education as a part of mental health training.

Beneficiaries of the programme were Fourth year B.Sc Nursing students, caregivers of psychiatric patients and nursing staff.

REPORT

As a part of world diabetic day, Nehru College of Nursing organized a comprehensive program at P K Das Institute of Medical Sciences, in observance of World Diabetes Day at 14/10/2018.

The event was led by third-year BSc Nursing students, who conducted a combination of role-play activities and health education on Diabetes Mellitus sessions, to raise awareness about Diabetes and its management. The roleplay demonstrated the clinical features of Diabetes Mellitus and its various etiological factors. Health education highlighted the management part and preventive aspects.

The audience were well impressed by the event. They were asking questions and the students answered.

Beneficiaries of the programme were Students of third year B.Sc Nursing, Faculty members, Patients, and nursing staffs.

REPORT

The Department of Child Health Nursing of Nehru College of Nursing organized a significant program in observance of World Down Syndrome Day at PKDIMS Hospital on21/03/2019.

The focus of the event was on providing mass health education to parents and children admitted to the hospital, shedding light on Down syndrome and fostering understanding and support.

Nursing students and professionals specializing in pediatrics covered various aspects of Down syndrome, including its causes, characteristics, and strategies for supporting individuals with Down syndrome.

The Beneficiaries are doctors, staff, students, patients and the public.

REPORT

The Department of Medical Surgical Nursing organized a event in recognition of World Cancer Day at PKDIMS hospital on 4/2/2019.

The theme of the program was "I can and I will" . This reflected the determination to raise awareness and empower individuals in the face of cancer.

The program was led by a health education sessions and a role-play aimed at the gathered audience promoting a sense of empowerment and determination to face cancer-related challenges. The cooperation of the public audience was effective.

Beneficiaries of the programme were Students of B.Sc Nursing, Faculty members, Patients, and nursing staffs.

Report of Yoga Demonstration

Understanding the importance of yoga practice in daily life, yoga demonstration is organized for all the students of Nehru College of nursing, Vaniyamkulam on 20/06/2019 at 8 am. The session was started with welcome address. Awareness on benefit of yoga practice was given by Prof. Tamilselvi P, Principal,Nehru College of Nursing. Acharya Sagar Chand, School of Yoga, Palakkad gave yoga demonstration at college auditorium to all the nursing students which they could follow and practice at their daily life. All participants gave a feedback of feeling freshness after the yoga session. The session ended with a vote of thanks.

COVID 19 SCREENING & AWARNESS AT WALAYAR CHECK POST

COVID 19 has become a social crisis, a health care professional has the responsibility of control & prevention of this social health issue. The College Union Chairman Mr. Muhammed Arshed & Vice Chairman Mr. Abhimanyu Devadas were taken a step forward in screening & awareness of the public at WALAYAR & GOVINDHAPURAM CHECK POST along with the police force , red cross members & other student nurses from different nursing colleges in PALAKKAD District during march 18th 2020 – till the first lockdown day on March 24th at WALAYAR CHECKPOST & from May 5th to 10th at GOVINDHAPURAM CHECK POST . The main objective of this programme was to assess the risk of people who are passing the border & to educate them regarding COVID 19 & it's preventive – control measures . The Nehru College of Nursing family is proud of the students who are the blooming buds to the future health care system.

WORLD HEART DAY THEME 2019

This year the theme is "My Heart, Your Heart'-", a reminder calls to everyone around the world to take care of their hearts. The theme emphasizes the crucial process of getting to know one's heart first; because one can only love and protect what they are aware of. In a world where knowledge about heart health is limited and policies are insufficient or lacking, the day aims to shatter barriers and empower individuals to take control of their well-being, as the theme depicts when we know more, we can take care better.

Nehru College of Nursing conducted an Awareness session as part of World Heart Day on 29/9/2019 in collaboration with the Department of Community medicine and Quality Department of PKDIMS in online platform.Dr. Lovely Livingston, Department of community Medicine welcomed the gathering. R.C Krishnakumar, Director (operations) PKDIMS inaugurated the session. The felicitation was done by Dr. Andrews, Principal PKDIMS and Prof.Mrs. Tamil Selvi, Principal, Nehru College of Nursing. Health awareness session was conducted by Dr. Vanitha Mani, Cardiothoracic Surgeon PKDIMS. Health talk on preventive aspects of cardiothoracic diseases was presented by Dr Pradeesh C B, Assistant Professor, Department of Community Medicine. The students of Nehru college of Nursing attended the session. Students gained knowledge in cardiology.

WORLD ENVIRONMENT DAY

World Environment Day is the "people's day" for doing something to take care of the earth. It is the UN day for encouraging worldwide awareness and action to protect our environment. World Environment Day started since 1974. This year host country for official celebration is China. The theme for 2019 is "Air pollution". Air pollution facts are: 92% of people worldwide do not breathe clean air. Air pollution costs global economy 5 trillion pounds every year. WHO report said air pollution is one of the leading threats to child health, accounting for almost one in 10 deaths in children under five years of age. So let us make greenery around us by plants. Nehru College of Nursing, Vaniyamkulam extends its hands into the nature by organising World Environment Day which has been raising awareness, supporting action, and driving changes for the environment. Prof Tamil Selvi, Principal inaugurated World Environment Day program on 17th June, 2019 by planting a Guava tree. Also revealed the theme of this year "Air Pollution". Each batch students along with their faculties, SNA Unit, teaching faculty and nonteaching staff had planted different types of trees and vegetable plants. The whole NCN team was so actively participated in the event. Environmental ethics is inculcated in the minds of the students.

HEALTH AWARENESS PROGRAMME ABOUT GERIATRIC CARE SERVICES

Old age is when a person is near or beyond the usual life expectancy, usually from the age of 65 onwards by modern standards. Old people are usually retired from work and spend their time in other ways like helping , take care of small children who are kin to them in some way. Often people of old age have wrinkly skin. They will move slower, and become constantly old. Old people have more health problems than young adults, and many of them take medicine. The reason for this is that their bodies are slowly deteriorating, so they have more problems, especially with moving. Osteoporosis weakens the bones, and is one of the problems that become more common with age.

The final year students of **NEHRU COLLEGE OF NURSING** has conducted a health awareness class on **11/12/2019** for geriatric care at **Community health centre AMBALAPPARA.** Students were taken classes for the people who have assembled in the community health centre with different topics related to old age people. The topics discussed in the classes were

- **PHYSIOLOGICAL CHANGES & HEALTH ISSUES& IT'S MANAGEMENT IN OLD AGE – Ms.Dibila**
- **ELDERLY ABUSE – Ms. Sreelakshmi**
- **GERIATRIC DIET – Ms. Swetha P S**
- **GERIATRIC EXCERCISES – Ms. Anju Babu**
- **MENTAL HEALTH PROBLEMS OF OLD AGE – Ms. Neena Chacko**
- **SOCIAL ISOLATION – Mr. Ajith R Nair**
- **COMMON DISEASES & IT'S MANAGEMENT IN OLD AGE – Ms. Arya**
- **NATIONAL HEALTH PROGRAMMES FOR OLD AGE – Ms. Liba Cheriyan**

The classes were taken with relevant audio visual aids. The classes were very much effective & there was greatest response from the group. By this health awareness programme they were able to deliver greater knowledge about the care old age people

Affiliated to Kerala University of Health Sciences)

HEALTH EXHIBITION AND AWARENESS ON PUBERTY AND MENSTRUAL HYGIENE PRACTICES

Menstrual Hygiene is vital to the empowerment and well-being of women and girls worldwide. It is about more than just access to sanitary pads and appropriate toilets – though those are important. It is also about ensuring women and girls live in an environment that values and supports their ability to manage their menstruation with dignity.To bring awareness around the vital role that good Menstrual Hygiene Management (MHM) plays in empowering women and adolescent girls worldwide to become all that they can be. So the final year students of NEHRU COLLEGE of NURSING has organised a health awareness programme on puberty, menstrual hygiene & practices at Government Higher Secondary School, Koonathara on 24th Jan 2020. The programme was organised as lecture cum discussion, PPT presentation & Chart presentation

The topic for the lecture class was as follows

- Anatomy of female reproductive system – Ms. Vani V V
- Physiology of female reproductive system – Ms. Akhila M
- Premenstrual syndrome – Ms. Krishna
- Menstrual hygiene (good practices) – Ms. Fathima T A
- Menstrual hygiene (bad practices & problems) – Ms. Anjana M S
- Articles used / materials – Ms. Anju Babu

Around 100 students have attended the class. The class included lecture cum discussion, PPT presentation, & chart presentation. There was good interaction from the students. They clarified much of their doubts. The class was very much effective & got greater appreciation from the school authorities & students.

WORLD AIDS DAY DEC 1st 2019

World AIDS Day is taking place on December 1 to raise awareness around HIV and AIDS, and to support the 37.9 million people around the world living with the virus.This year's theme will be "Ending the HIV/AIDS Epidemic: Community by Community," highlighting the role of communities in preventing, treating and supporting people with HIV. AIDS is a chronic disease which is caused by the HIV (Human Immunodeficiency Virus) virus. Due to the disease immune system becomes weak and people are more vulnerable to infections and diseases. It is found in all the tissues of the body but transmitted through the body fluid of an infected person via blood, semen, breast milk, etc. It mainly attacks the T-cells in the immune system. HIV is transmitted through sexual contact, blood transmission, perinatal transmission. Symptoms may include fever, joint pain, muscle aches, sore throat, tiredness, weakness, unintentional weight loss, etc. The main purpose of celebrating World AIDS day every year is to build new and effective policies and programmes to strengthen the systems of health and also to increase the capacity of health sectors towards HIV or AIDS.

The second year students of **NEHRU COLLEGE OF NURSING** has organised a awareness rally **on DEC 1st2019.** The rally was officially flagged of by the Principal **Prof. Tamil Selvi P.** Faculites of NEHRU COLLEGE OF NURSING , **Mr. VISHNU (2nd year class co ordinator), Mrs. SHERIN THOMAS , Mrs. SRUTHI. C & Ms. SRUTI S** accompanied the students in the rally . The rally was started at 10 am from the college premises & covered the Vaniyamkulam central and returned back to college by 12pm. The placard & slogans prepared by the students in the rally was very much effective in creating awareness in the public about HIV.

SCHOOL HEALTH PROGRAMME

INTRODUCTION

The scope of community health nursing is very extensive and community health service have different aspects. Providing community health service to every class or group of the community is the chief aim of community health nursing.

School health service is one of the special community health service that has an important aspects in community development. This aims at package of preventive, promotive and curative health status of the school age children.

By conducting a school health programme it is possible to increase the health level of community and achieve growth in the health of future generation. So this is special which include complex health care and welfare of school children.

The final year B.Sc nursing students of Nehru Collge of Nursing ,Vaniyamkulam conducted a school health programme as a part of the community healh nursing requirement. The students were guided by Ms. Sruti S, Nursing Tutor, Nehru College of Nursing , Mrs. Shincy, Nursing Tutor, Nehru College of Nursing & Dr. Sruthi , House Surgeon P K DAS Institute of Medical Science , Dr.Nabeela, House Surgeon, P K DAS Institute of Medical Sciences

The School Health Programme was conducted at L S N Higher Secondary School Ottappalam on 07.02.2020 from 9:00am to 4.00 pm.

OBJECTIVES

- To identify general health problems among school children
- To awake health consciousness in children
- To identify & treat any abnormalities / defects/ diseases as early as possible
- To identify visual & auditory defects in children
- To identify dental problems in children
- To provide health education on various topics

- To provide adolescent health services and health education on various topics related to adolescence.
- To impart knowledge regarding different carrier opportunities

REPORT OF SCOOL HEALTH PROGRAMME

The planning is necessary because it is the process of thinking about organizing the activity required to achieve a desired goals. For that objectives were formulated.

Five aspects for the school health programme

- Health assessment
- Eye clinic
- Dental clinic
- Health education
- Adolescent health awareness

The aspects of school health programme were discussed with Sr. Alma Maria , Headmistress LSN Lower Primary School , Sr. Dhanya Mariya , Headmistress Lady Immaculate Junior School ,Sr. Alphine , Principal LSN High School. They gave permission to us for conduct the school health programme as per the instruction of school and programme conducted on 07.02.2020 and 08.02.2020 from 9:00am to 4:00pm.

The morning session were doing the health assessment and health education at LSN Lower Primary School and Lady Immaculate Junior School .

There were 37 students. They were divided into two groups as group A and group B . The group A had done the health assessment at LSN LP School and group B had done health assessment at Lady Immaculate Junior School. The assessment were conducted as different sections like anthropometric assessment vital signs , dental check-up , auditory check-up , ophthalmic check-up , general health assessment

ANALYSIS

School life is the place of physical and mental growth and intensive development of children. By the end of the programme, various analysis were done and the following findings were obtained.

In Lady Immaculate Junior School , the assessment were mainly carried out on 60 students from 4th standard .

Table 1: Percentage distribution of common health problems in Lady Immaculate Junior School

Sl no	Health problems	Percentage
1	Under weight	76.6
2	Sinusitis	1.6
3	Dental carries	41.6
4	Throat infection	20
5	Cough	11.6
6	Deviated nasal septum	3.3

PRINCIPAL
PK DAS COLLEGE OF NURSING
PANAYUR (P.O), VANIYAMKULAM
OTTAPALAM, PALAKKAD DT
KERALA - 679522

7	Dust allergy	10
8	Latex allergy	3.3
9	Visual problems	11.6
10	Migraine	1.6
11	Food allergy	1.6
12	Lymph node enlargement (neck)	1.6

Inference: On the basis of Table 1 the most common affected problem is underweight & dental carries. Among 60 students 76.6 % students are underweight & 41.6 % students are with dental carries The main reason behind poor dental hygiene is lack of knowledge about the proper brushing techniques.In LSN Lower Primary School the assessment were carried out on 87 students from 1st standard & 106 students from 2nd standard.

Table 2 : Frequency distribution of common health problems in LSN LP School

Sl no	Health problems	Percentage
1	Pallor eye	1
2	Common cold	4
3	Dental carries	36
4	Throat infection	1
5	Visual problem	1.5
6	Thyroid enlargement	1
7	Tongue tie	1

Inference: On Table 2 the common health problem found were dental carries & common cold. Among 193 students 36 % is having dental carries & 4 % is affected with common cold

CAREER GUIDANCE

The career guidance session was arranged for the students in the school health education programme.

EVALUATION

Evaluation is the final step which helped as to identify the effectiveness of the programme for the easy evaluation. For the easy evaluation we divided into school evaluation and self evaluation.

SCHOOL EVALUATION

The programme was grand successful and was effective for all students. The cooperation from the school and authority were good. And also got good support from the teachers and students in the Nehru college of nursing.

P K DAS COLLEGE OF NURSING PANAYUR (P.O) VANIYAMKULAM OTTAPALAM PALAKKAD DT KERALA

PRINCIPAL
P K DAS COLLEGE OF NURSING
PANAYUR (P.O), VANIYAMKULAM
- OTTAPALAM, PALAKKAD DT
KERALA - 679522

SELF EVALUATION

After the programme we made an analysis regarding each steps that is from the beginning to end. After the over all analyzing it gave a good result to us.

CONCLUSION

School is an institution designed to provide learning space for students and learning environment for teachers. Under the direction of faculities, students is the learners or someone who attend the educational students are maximum interested to attain knowledge of reading witting calculation etc.

Other than these activities a comprehensive health programme is needed to provide the children in lower primary school itself. The middle year of childhood are extremely sensitive times for a number of health issues, especially when it comes to adopting health behavior that can have life long consequences. Because of these reason, the school health programme plays an important role in community health nursing.

HEALTH ASSESSMENT ON MENTALLY AND PHYSICALLY CHALLENGED

It's estimated that between 9 to 10 percent of the population in this country has a disability. People with a disability sometimes have difficulty doing things other people take for granted. However the greatest challenge facing people with a disability is the misguided view society has long had

About Polygarden

Polygarden is a residential rehabilitation centre governed by the charitable organisation directorate of social action is at Lakkidi near Ottapalam Town in Palakkad District, Kerala state in South India. At present 150 mentally retarded persons who are adults in between the age group of 16 to 50, most of them are orphans and belongs to family of below poverty line. Poly Garden render occupation therapy such as preparation of poly bags - nursery, vegetable garden and seed packets. They help in paddy cultivation Nurturing orchard Tasks in rubber plantation which is the programme emphasizing on rubber cultivation and allied works. They are co-operating with rubber tappers and collect at present 17 barrels (each barrel contains 200 literscapacity)of rubber milk within a period of 10 days. This latex (rubber milk) collected by mentally retarded boys are profitable and it helps the organisation to meet the partial expenses of Poly Garden the residential center. This will help to solve a big problem of rehabilitating almost 100 mentally abandoned persons. Experienced and technically qualified persons are available to help them

Health check-up & counselling

The 5th batch of Nehru College of Nursing (4th year) has organised a health assessment & referral services for the mentally challenged inmates of Polygarden as a part of community outreach programme. The programme was held on 18th Jan 2020. The programme was organised as 2 sessions. In the morning session the students have conducted the general health assessment & mental status examination of the inmates. In this session we have monitored the anthropometric measurements, vital signs, blood glucose monitoring physical examination, & Mental status examination. The main problems that could identify were poor

oral hygiene,& dental carries, poor personal hygiene, increased blood sugar & increased blood pressure.

In the afternoon session, counselling and recreational programmes was organized for the inmates. The psychological symptoms & behavioural abnormalities were reported by the institution in charge. Depending up on the survey of condition the patients were counselled about drug follow up and hygienic practices. Few patients were suggested for psychological counselling and they were referred to P K Das Institute of Medical Sciences. After this session the students conducted recreational programmes for the inmates & they actively participated in all events.

The camp was very much beneficial for the inmates of Polygarden. By this we could identify new cases of Diabetes Mellitus , Hypertension & other health issues in them and almost 10 were referred for both medical & psychological treatment at PK Das Institute of Medical Sciences.

PRITHVI 2022

"Saving our earth and its environment becomes highly important as it provide us food and water to sustain life. Our well-being solely depends on this planet it gives food and water to all living things so it is our responsibility to take care of it. That is why each year on April 22, more than a billion people celebrate Earth Day to protect the planet from things like pollution and deforestation. The Earth Day 2022 theme is 'Invest in Our Planet'. Given that the time is short, the theme highlights the need for people to come together and start taking measures to protect biodiversity and the planet."Taking as a reminder that; for the mankind , to protect and safeguard the mother earth and its species is mandatory, for making Earth a better place for the coming generations, Nehru College of Nursing had organized PRTHVI 2022 an initiate of planting an organic garden in the campus on world earth day 22nd April 2022.

The basic theory in organic gardening is that; nature knows best. organic garden nurture the ground and therefore all that springs above it through techniques or systems that are found in nature seek to live a cleaner, healthier existence & more in a earth friendly way. 1 st year BSc Nursing Students & all the faculties of NCN together worked to build up the new organic garden in the NCN campus. Such a greater initiative offers the perfect intake of fruits and vegetables for the students & it decreases the amount of toxic chemicals that intake. It also makes the students aware that the only way to honour our mother earth is by creating balance in our lives and adopting eco-friendly habits, and by that we can make this planet a much better place to live in.

VIMUKTHI 2K22
ANTI NARCOTIC CAMPAGHIN

"Adolescents are vulnerable to the effects of substance use and are at increased risk of developing long-term consequences, such as mental health disorders, underachievement in school & college, a substance use disorder, and higher rates of addiction. First, substance use itself may impair cognitive development which, in turn, reduces academic achievement and disrupts academic progression. Recent studies have shown that heavy adolescent substance use can lead to problems with working memory and attention due to changes in adolescent brain activity. Anti-Narcotics Cell Branch initiates action against persons who manufacture, transport, possesses, sale narcotics drugs, psychotropic substance. The goal of the Anti-Narcotic Campaign is to educate the students to reject illicit drugs also preventing drug use and encouraging occasional users to discontinue use."

Nehru College of nursing organized a anti narcotic campaign along with the excise department Ottappalam on 31st May 2022 at 9.00 am in campus auditorium. Dr. Kavitha Mole P J Principal NCN welcomed the gathering, addressed the students & explained about the need &necessity of organizing anti narcotic campaigns. Mr. Sreejish CI Excise Department Ottappalam was the speaker for the session. All The 3rd year BSc Nursing students attended the session. The class was very interactive, students clarified all their queries with the resource person & they have taken oath that they will not encourage the use of any narcotics & also prevent anyone else using it. These kind of sessions are very much essential in the current society which really aware the students about the consequences of drug abuse &also make them socially responsible to take actions in preventing such activities coming up to their knowledge.

THANNEERKKUDAM 2K22

Extreme heat, coupled with drier conditions can significantly alter animal's habitat. Due to the severe drought condition, most of the water bodies have become dry. The hardness of summer is affecting not only the humans but all other living creatures in the world. As human being is more intelligent & things are much easy for them to access it is their responsibility to protect the other fellow beings in the earth. Being the angels in the earth, the social conscience of our little angels have no boundaries. The NSS volunteers & College union of **NEHRU COLLEGE OF NURSING** had begun an initiative to save the birds & animals from the severe draught **"THANNEERKKUDAM 2K22"** on 16th MARCH 2022 with an aim to provide water for the birds & animals to cope up in the drought. **Dr KAVITHA MOLE P J** (Principal NCN) addressed the gathering & made the students aware about the necessity of such an initiative in the current status & appreciated the effort of the NSS team & college union. NSS Co coordinator Prof. ABADUL NISTHAR & college union chairman **MR. ANSHID RAHMAN** had done the inauguration by filling the pots with holy water of mercy. It is commendable that such initiatives are being taken by the students to spread the showers of care & concern for their fellow beings.

TUBERCULOSIS WARENESS PROGRAMME 2022

World TB Day is observed on March 24 each year to raise public awareness and understanding about one of the world's deadliest infectious killers - TB and it's devastating health, social and economic impact on people around the world. March 24 marks the day in 1882 when Dr Robert Koch announced that he had discovered the bacterium that causes TB, which opened the way towards diagnosing and curing this disease.

Department of community health Nursing conducted program on world Tuberculosis day is held on 24 March 2022 in Nehru College Of Nursing Multipurpose Hall with the Theme: Invest to end TB -Save lives ,in presence of B.Sc. 1st year, 2nd year 3rd year and 4th year students .The program was hosted by Zephyres of Nehru College Of Nursing followed by welcome speech by Ms. Aparna A S 4th Year BSc Nursing Student ,theme revealing by Ms. Sangeetha 4th year BSc Nursing student .Poster presentation and Mime competition was conducted based up on the theme to deliver the message regarding Tuberculosis. The programme end with vote of thanks was given by Mss. Aparna S Anilkumar 4th year BSc Nursing Student. Mr. Mohammed Midhlaj and Ms. Jithisha of 4th year BSc nursing students of Nehru College of Nursing participated in the camp conducted by PK Das institute of medical sciences at chalavara.

REPORT OF KALAVARA 2K21" - NUTRITION FEST

Nurses play diverse roles in educating patients about a healthy diet and in promoting healthy eating habits, through their conversations with patients and families and through their work providing enteral and parenteral feeding to critically ill patients. The 9th batch of Nehru college of nursing conducted a nutrition fest" KALAVARA" on 3rd & 4th of Dec 2021 under the guidance & supervision of Ms ANU ELDHOSE Dietician PKDIMS. The programme was aiming at preparation & presentation of the diet of different categories which included normal adult, diabetes mellitus, pregnant women, low fat diet, renal diet, nutrient rich foods. This programme enables the students to acquire knowledge about different types of healthy diet & normal dietary requirement in different conditions.

WORLD ANTI MICROBIAL AWARENESS WEEK 2021

The "World Antimicrobial Awareness Week (WAAW) is celebrated from 18-24 November every year. The 2021 theme, Spread Awareness, Stop Resistance, calls on One Health stakeholders, policymakers, health care providers, and the general public to be Antimicrobial Resistance (AMR) Awareness champions. This day is celebrated annually & aims to increase awareness of global antimicrobial resistance and to encourage best practices among the general public, health workers and policy makers to avoid the further emergence and spread of drug-resistant infections."

The Department of Community Health Nursing & final year students of Nehru College of Nursing (NCN) had organized the WORLD ANTIMICROBIAL AWARNESS at Community Health Centre, Ambalapara, Palakkad on 25th Nov 2021.The program was started with welcome address and unveiling the theme done by Ms.Zaina Elizabeth Jose, Associate Professor, NCN,Vaniyamkulam. A Role play and awareness program on anti-microbials,it's resistance and how to prevent the resistance was done by IV Year BSc. Nursing (2020-2021) batch students.The campaign was adjourned with vote of thanks by Mrs. Rose Jose, Assistant Professor, NCN, Vaniyamkulam.The public who came to administer covid vaccines from CHC, Ambalapara was the beneficiary group of the program and was a great useful for them.

The final year students themselves got aware about the topic. The students improved their teaching skill using different audio visual aids. The audience of the community area, Ambalapara gained knowledge regarding the harmful overuse of antibiotics.

DHVANI 2K21

An event for engaging, health educating & entertaining the mentally challenged people at MANOMITHRA INSTITUTE OF MEDICAL SCIENCE

"Taking on the role of caring for someone with a mental illness is a big commitment. It can be very emotionally and physically demanding, but it can also be a rewarding experience. To give the person caring for the best chance of recovery it is important to find out how to support someone with a mental illness."

As a part of MENTAL HEALTH NURSING requirement the 3rd year students of Nehru College of Nursing (NCN) had got an opportunity to attend training at MANOMITHRA INSTITUTE OF MEDICAL SCIENCES, Palakkad, one of the nation's leading inpatient psychiatric hospitals. They are dedicated in treating individuals with complex mental illnesses, & equally committed to groom future mental health professionals and advancing mental healthcare through research.

An event "DHVANI" was organized on 12th NOV 2021 for the mental upliftment of the patients of Manomithra who are at the peak of their emotional instability. The programme was aimed for the mental relaxation, entertainment & creating awareness. The programme included fun games, cultural events & health education about alcohol dependence. Whole the patients , staff of Manomithra and 3rd year students of NCN had actively participated in the event. The ZAPHAYERS got a greater appreciation from the staff & management of Manomithra.

The NCN family is highly obliged for the ZAPHAYERS for glorifying the institution by their commendable work. The III year students gained skill and knowledge regarding treating the mentally challenged. The inmates were provided care, entertained and health educated by the students.

REPORT OF VISIT TO POLYGARDEN

Considering as a greater responsibility to give a hand to the vulnerable people in the society , the final year students of NCN had organized a one day programme at "POLYGARDEN" a residential rehabilitation centre governed by the charitable organization directorate of social action at Lakkidi near Ottapalam Town in Palakkad Dt.

The community health department of NCN along with the 4th year students had offered a helping hand at POLYGARDEN aimed with a regular health check up to the inmates & cultural events to provide moments of joy & happiness from the shores of misery. The events were conducted in two days on 31st Oct & 9th of Nov 2021. The students didn't forget to give a charity benefit by representing the college which will be very helpful to the residence. NCN family grateful to the soul sparkers for being socially committed citizens.

NUTRITION FEST

Protecting the helpless in society is not the sole responsibility of a group of people. The angels of the earth, who are at the forefront of taking full responsibility for the health care of the community, need to ensure the social health & care of every vulnerable person in the community. Older people are important members of any society and therefore have the right to live in dignity in later life. A roof over their heads is a critical need of the elder who are destitute, sick and abandoned by family and those uprooted by disasters.

The Department of Community Health Nursing of Nehru College of Nursing (NCN) and the final year students set aside all the hustle and bustle of their study and other emergencies for spending a day with the residents of the ISSAC IMMANUAEAL MISSION old age home THIRUVILWAMALA on 12th November, 2021. The little angels of NCN made them happy with games, laughter, songs and celebrations. Along with that, a nutrition fest was organized for the residents. In that the students have explained to the inmates regarding the importance of diet & the pattern of food they have to consume. The students have also made a delicious chicken Biriyani for them. The day was full of joy & happiness both to the inmates & students which will left behind in heart forever. Students also given the nursing care to the inmates.

The final year students came to know the geriatric problems and especially their emotional part. They acknowledged the moral value and emotional stability towards old age community and achieved co-ordination skill to render a service to socio-economic development of a society. The inmates of Issac Immanuel old age home were entertained and cared.

PULSE POLIO IMMUNIZATION AWARENESS CLASS AND ADMINISTRATION OF IMMUNIZATION

The Pulse Polio Initiative was started with an objective of **achieving hundred per cent coverage under Oral Polio Vaccine.** It aimed to immunize children through improved social mobilization, plan mop-up operations in areas where poliovirus has almost disappeared and maintain high level of morale among the public. The Pulse Polio Programme 2022 is **to commence in India from February 27**. The polio drive will be organized, keeping in mind all the COVID-19 specific protocols.

Community Health Nursing Department and NSS unit of Nehru College of Nursing had participated in Pulse Polio immunization programme organized by Family Health Centre Vaniyamkulam on 27th Feb 2022. The programme was inaugurated by Vaniyamkulam Panchayath president Mr. .Gangadharan& Other dignitaries were Dr. Sreehari(Medical Officer Family Health Center Vaniyamkulam) Mrs. Indira(Lady health inspector Vaniyamkulam FHC,) Mrs. Sindhu(Ward Member Vaniyamkulam Panchayath) and other staff of Vaniyamkulam FHC . Around 10 students of 2nd year BSc Nursing were part of this programme along with Mrs. Shincy k Lecturer Nehru College of Nursing. Approximately 82 children got vaccinated in this programme in family health center Vaniyamkulam.

"More than one billion people, or approximately 15 per cent of the world's population, live with some form of disability; 80 per cent live in developing countries. INTERNATIONAL DAY OF PERSONS WITH DISABILITIES aims to promote the rights and well-being of persons with disabilities in all spheres of society and development, and to increase awareness of the situation of persons with disabilities in every aspect of political, social, economic and cultural life.The theme for IDPD this year is "Leadership and participation of persons with disabilities toward an inclusive, accessible and sustainable post-COVID-19 world."

To make this day effective & purposeful the 3rd year students of NEHRU COLLEGE OF NURSING (NCN) had done a visit to POLYGARDEN Lakkidi , A resident home for physically & mentally challenged. The students had made the day the effective with making the inmates being participated in different games & different cultural events. Students were very keen in in making the participation of each inmates of Polygarden. These kind of participations are really beneficial for them to develop their hidden skills & talents. On behalf of NCN family the students had given worthy present to the Institution which will beneficial for the inmates

Even though physically & mentally challenged they still have a lot of obvious abilities. By organizing such events & ensuring their participation they can raise their standard as social citizens as much as like other individual in the society which is the focus & theme of the day.

The 3rd year students improved their skill to handle mentally and physically challenged in the community.

HEALTH CAMP

Nehru College of Nursing(NCN) promoted by Nehru Educational and Charitable Trust works with the vision of serving the society by improving the health and quality of life through excellence in Nursing Practice Education Research and Community service. The students of NCN are always keen in serving the society & never miss a chance for serving the people. Here the NSS volunteers of 4th year BSc Nursing Mr. Midhilaj , Ms Angel , Ms Assiya & Ms Diya got a golden opportunity to be a part of the medical camp organized by our parent hospital P K DAS INSTITUTE OF MEDICAL SCIENCES who works with the aim to provide world-class healthcare at the least possible cost. There were two camps organized in the nearby days. On 24th March 2022 the camp was at CHALAVARA. On 26th March 2022, it was at LAKKIDI , around 1000 people from different social levels attended the camp & we were able to rule out many health crises among them. All of them was provided the best medical service & was referred to PKDIMS for better treatment.

Being one of the best health care institution in Kerala who mould the best health care professionals it's a greater privilege and pride to be a part of society , showing concern and commitment to the people those who need it at most.

The final year students gained skill in providing nursing care in a medical camp and the public who attended the camp gained free consultation with expertise of P K DAS Institute of Medical Scienc

REPORT OF COVID 19 VACCINATION CAMPAIGN

The Kerala government on Sep 4th 2021 launched the "Be the warrior" campaign by, state Chief Minister Pinarayi Vijayan to tackle the third wave of the Covid-19 pandemic if it were to arrive. The aim of the campaign was to reduce the severity of the third wave and also to speed up the vaccination. While this proves the effectiveness of the preventive measures adopted by the State, this further points towards the need to accelerate the vaccination process and achieve universal coverage among the eligible population within the shortest time."

The students of Nehru College of nursing had got a relevant chance to be a part of the "BE THE WARRIOR" campaign by the state Govt of Kerala. The 4th year & 2nd year B.Sc. Nursing students during their Community Health Nursing posting played a part in the vaccination campaign organized by the Family Health Care Centre Vaniyamkulam & Community Health Centre, Ambalapara as well as the camps conducted at the local centres under them. The students who worked at the vaccination centres along with the staff, participated in all the activities there and made the people aware of the need for COVID vaccination

This event is NCN student's proud moments being able to participate in such activities of the Govt. which is effective in eradicating the COVID pandemic

AWARENESS CAMPAIGN ON WORLD HEALTH DAY 2022

The World Health Day is celebrated every year to raise awareness about the on-going health issues that concerns people across the world. The day is also used as an opportunity to spread awareness about the overall health & well-being of people. In the midst of a pandemic, a polluted planet, increasing diseases like cancer, asthma, heart disease, on World Health Day 2022, WHO focus global attention on urgent actions needed to keep humans and the planet healthy and foster a movement to create societies focused on well-being. The theme for this year's World Health Day is "Our Planet, Our Health".

The first year students of Nehru College of Nursing (NCN) had got an golden opportunity to be a part of the awareness campaign organized by our parent hospital P K DAS INSTITUTE OF MEDICAL SCIENCES (PKDIMS) on 7th April 2022. The official inauguration of the campaign was done by our honourable Chairman & Managing Trustee Adv Dr. P Krishnadas at PKDIMS. Dr R C Krishnakumar, Director Operations PKDIMS had done the flag off of the campaign.It was a three day campaign planned to cover the major town areas in Palakkad District & NCN buds had given their contribution on the first day of the campaign . It comprised of a flash mob conducted by the first year students of NCN and distribution of pamphlet regarding world health day. The health care packages and facilities that are provided in PKDAS Hospital are explained. On that day the campaign was conducted at major areas of Ottappalam block such as Cherplassery ,Vallappuzha , Koppam , Pattambi, Kulappulli, Shornur and Ottappalam.

Being the health professionals in future, it was a great opportunity for the First year students to be a part of such a big campaign. The public came to know the importance of health for their well being and also the health care facilities available in P K DAS INSTITUTE OF MEDICAL SCIENCES.

WORLD BREAST FEEDING WEEK

World breast feeding day was celebrated on 4/08/2021 at Family Health Centre, Vaniyamkulam by IV year B.Sc Nursing Students. The program was started by a prayer song. The gathering was welcomed by Mrs. Aswani. B. Assistant professor , Child Health Nursing and presidential address was given by Mr Suresh Thambi Health Inspector FHC Vaniyamkulam. The Programme was Inaugurated by Dr Jubina Fasal. Felicitation was given by Mrs. Indira LHI.

Then Health Education program was given on the topic about Importance of exclusive and expressed breast feeding, Preparation for Breast feeding Diet to be followed during Breast feeding, types of breast milk, positions during giving feeding, after care of baby. These session was delivered by Mr.Ashique, Ms. Anjana Jolly and Ms. Angel Thomas. People came for OPD sessions and immunization at the PHC had attended the sessions. Vote of Thanks was given by Mrs. Shincy. K, Lecturer, Community health Nursing.

This kinds of awareness programmes helps the mothers to acquire desirable knowledge regarding breast feeding and improve the health of babies, thus by we can build healthy Community.

The final year students improved their teaching skill as well as their co-ordinating skill.

PRITHVI 2022

"Saving our earth and its environment becomes highly important as it provide us food and water to sustain life. Our well-being solely depends on this planet it gives food and water to all living things so it is our responsibility to take care of it. That is why each year on April 22, more than a billion people celebrate Earth Day to protect the planet from things like pollution and deforestation. The Earth Day 2022 theme is 'Invest in Our Planet'. Given that the time is short, the theme highlights the need for people to come together and start taking measures to protect biodiversity and the planet."Taking as a reminder that; for the mankind , to protect and safeguard the mother earth and its species is mandatory, for making Earth a better place for the coming generations, Nehru College of Nursing had organized PRTHVI 2022 an initiate of planting an organic garden in the campus on world earth day 22nd April 2022.

The basic theory in organic gardening is that; nature knows best. organic garden nurture the ground and therefore all that springs above it through techniques or systems that are found in nature seek to live a cleaner, healthier existence & more in a earth friendly way. 1 st year BSc Nursing Students & all the faculties of NCN together worked to build up the new organic garden in the NCN campus. Such a greater initiative offers the perfect intake of fruits and vegetables for the students & it decreases the amount of toxic chemicals that intake. It also makes the students aware that the only way to honour our mother earth is by creating balance in our lives and adopting eco-friendly habits, and by that we can make this planet a much better place to live in.

VIMUKTHI 2K22
ANTI NARCOTIC CAMPAGHIN

"Adolescents are vulnerable to the effects of substance use and are at increased risk of developing long-term consequences, such as mental health disorders, underachievement in school & college, a substance use disorder, and higher rates of addiction. First, substance use itself may impair cognitive development which, in turn, reduces academic achievement and disrupts academic progression. Recent studies have shown that heavy adolescent substance use can lead to problems with working memory and attention due to changes in adolescent brain activity. Anti-Narcotics Cell Branch initiates action against persons who manufacture, transport, possesses, sale narcotics drugs, psychotropic substance. The goal of the Anti-Narcotic Campaign is to educate the students to reject illicit drugs also preventing drug use and encouraging occasional users to discontinue use."

Nehru College of nursing organized a anti narcotic campaign along with the excise department Ottappalam on 31st May 2022 at 9.00 am in campus auditorium. Dr. Kavitha Mole P J Principal NCN welcomed the gathering, addressed the students & explained about the need &necessity of organizing anti narcotic campaigns. Mr. Sreejish CI Excise Department Ottappalam was the speaker for the session. All The 3rd year BSc Nursing students attended the session. The class was very interactive, students clarified all their queries with the resource person & they have taken oath that they will not encourage the use of any narcotics & also prevent anyone else using it. These kind of sessions are very much essential in the current society which really aware the students about the consequences of drug abuse &also make them socially responsible to take actions in preventing such activities coming up to their knowledge.

THANNEERKKUDAM 2K22

Extreme heat, coupled with drier conditions can significantly alter animal's habitat. Due to the severe drought condition, most of the water bodies have become dry. The hardness of summer is affecting not only the humans but all other living creatures in the world. As human being is more intelligent & things are much easy for them to access it is their responsibility to protect the other fellow beings in the earth. Being the angels in the earth, the social conscience of our little angels have no boundaries. The NSS volunteers & College union of **NEHRU COLLEGE OF NURSING** had begun an initiative to save the birds & animals from the severe draught **"THANNEERKKUDAM 2K22"** on 16th MARCH 2022 with an aim to provide water for the birds & animals to cope up in the drought. **Dr KAVITHA MOLE P J** (Principal NCN) addressed the gathering & made the students aware about the necessity of such an initiative in the current status & appreciated the effort of the NSS team & college union. NSS Co coordinator Prof. ABADUL NISTHAR & college union chairman **MR. ANSHID RAHMAN** had done the inauguration by filling the pots with holy water of mercy. It is commendable that such initiatives are being taken by the students to spread the showers of care & concern for their fellow beings.

TUBERCULOSIS WARENESS PROGRAMME 2022

World TB Day is observed on March 24 each year to raise public awareness and understanding about one of the world's deadliest infectious killers - TB and it's devastating health, social and economic impact on people around the world. March 24 marks the day in 1882 when Dr Robert Koch announced that he had discovered the bacterium that causes TB, which opened the way towards diagnosing and curing this disease.

Department of community health Nursing conducted program on world Tuberculosis day is held on 24 March 2022 in Nehru College Of Nursing Multipurpose Hall with the Theme: Invest to end TB -Save lives ,in presence of B.Sc. 1st year, 2nd year 3rd year and 4th year students .The program was hosted by Zephyres of Nehru College Of Nursing followed by welcome speech by Ms. Aparna A S 4th Year BSc Nursing Student ,theme revealing by Ms. Sangeetha 4th year BSc Nursing student .Poster presentation and Mime competition was conducted based up on the theme to deliver the message regarding Tuberculosis. The programme end with vote of thanks was given by Mss. Aparna S Anilkumar 4th year BSc Nursing Student. Mr. Mohammed Midhlaj and Ms. Jithisha of 4th year BSc nursing students of Nehru College of Nursing participated in the camp conducted by PK Das institute of medical sciences at chalavara.

REPORT OF KALAVARA 2K21" - NUTRITION FEST

Nurses play diverse roles in educating patients about a healthy diet and in promoting healthy eating habits, through their conversations with patients and families and through their work providing enteral and parenteral feeding to critically ill patients. The 9th batch of Nehru college of nursing conducted a nutrition fest" KALAVARA" on 3rd & 4th of Dec 2021 under the guidance & supervision of Ms ANU ELDHOSE Dietician PKDIMS. The programme was aiming at preparation & presentation of the diet of different categories which included normal adult, diabetes mellitus, pregnant women, low fat diet, renal diet, nutrient rich foods. This programme enables the students to acquire knowledge about different types of healthy diet & normal dietary requirement in different conditions.

WORLD ANTI MICROBIAL AWARENESS WEEK 2021

The "World Antimicrobial Awareness Week (WAAW) is celebrated from 18-24 November every year. The 2021 theme, Spread Awareness, Stop Resistance, calls on One Health stakeholders, policymakers, health care providers, and the general public to be Antimicrobial Resistance (AMR) Awareness champions. This day is celebrated annually & aims to increase awareness of global antimicrobial resistance and to encourage best practices among the general public, health workers and policy makers to avoid the further emergence and spread of drug-resistant infections."

The Department of Community Health Nursing & final year students of Nehru College of Nursing (NCN) had organized the WORLD ANTIMICROBIAL AWARNESS at Community Health Centre, Ambalapara, Palakkad on 25th Nov 2021.The program was started with welcome address and unveiling the theme done by Ms.Zaina Elizabeth Jose, Associate Professor, NCN,Vaniyamkulam. A Role play and awareness program on anti-microbials,it's resistance and how to prevent the resistance was done by IV Year BSc. Nursing (2020-2021) batch students.The campaign was adjourned with vote of thanks by Mrs. Rose Jose, Assistant Professor, NCN, Vaniyamkulam.The public who came to administer covid vaccines from CHC, Ambalapara was the beneficiary group of the program and was a great useful for them.

The final year students themselves got aware about the topic. The students improved their teaching skill using different audio visual aids. The audience of the community area, Ambalapara gained knowledge regarding the harmful overuse of antibiotics.

DHVANI 2K21

An event for engaging, health educating & entertaining the mentally challenged people at MANOMITHRA INSTITUTE OF MEDICAL SCIENCE

"Taking on the role of caring for someone with a mental illness is a big commitment. It can be very emotionally and physically demanding, but it can also be a rewarding experience. To give the person caring for the best chance of recovery it is important to find out how to support someone with a mental illness."

As a part of MENTAL HEALTH NURSING requirement the 3rd year students of Nehru College of Nursing (NCN) had got an opportunity to attend training at MANOMITHRA INSTITUTE OF MEDICAL SCIENCES, Palakkad, one of the nation's leading inpatient psychiatric hospitals. They are dedicated in treating individuals with complex mental illnesses, & equally committed to groom future mental health professionals and advancing mental healthcare through research.

An event "DHVANI" was organized on 12th NOV 2021 for the mental upliftment of the patients of Manomithra who are at the peak of their emotional instability. The programme was aimed for the mental relaxation, entertainment & creating awareness. The programme included fun games, cultural events & health education about alcohol dependence. Whole the patients , staff of Manomithra and 3rd year students of NCN had actively participated in the event. The ZAPHAYERS got a greater appreciation from the staff & management of Manomithra.

The NCN family is highly obliged for the ZAPHAYERS for glorifying the institution by their commendable work. The III year students gained skill and knowledge regarding treating the mentally challenged. The inmates were provided care, entertained and health educated by the students.

REPORT OF VISIT TO POLYGARDEN

Considering as a greater responsibility to give a hand to the vulnerable people in the society , the final year students of NCN had organized a one day programme at "POLYGARDEN" a residential rehabilitation centre governed by the charitable organization directorate of social action at Lakkidi near Ottapalam Town in Palakkad Dt.

The community health department of NCN along with the 4th year students had offered a helping hand at POLYGARDEN aimed with a regular health check up to the inmates & cultural events to provide moments of joy & happiness from the shores of misery. The events were conducted in two days on 31st Oct & 9th of Nov 2021. The students didn't forget to give a charity benefit by representing the college which will be very helpful to the residence. NCN family grateful to the soul sparkers for being socially committed citizens.

NUTRITION FEST

Protecting the helpless in society is not the sole responsibility of a group of people. The angels of the earth, who are at the forefront of taking full responsibility for the health care of the community, need to ensure the social health & care of every vulnerable person in the community. Older people are important members of any society and therefore have the right to live in dignity in later life. A roof over their heads is a critical need of the elder who are destitute, sick and abandoned by family and those uprooted by disasters.

The Department of Community Health Nursing of Nehru College of Nursing (NCN) and the final year students set aside all the hustle and bustle of their study and other emergencies for spending a day with the residents of the ISSAC IMMANUAEAL MISSION old age home THIRUVILWAMALA on 12th November, 2021. The little angels of NCN made them happy with games, laughter, songs and celebrations. Along with that, a nutrition fest was organized for the residents. In that the students have explained to the inmates regarding the importance of diet & the pattern of food they have to consume. The students have also made a delicious chicken Biriyani for them. The day was full of joy & happiness both to the inmates & students which will left behind in heart forever. Students also given the nursing care to the inmates.

The final year students came to know the geriatric problems and especially their emotional part. They acknowledged the moral value and emotional stability towards old age community and achieved co-ordination skill to render a service to socio-economic development of a society. The inmates of Issac Immanuel old age home were entertained and cared.

PULSE POLIO IMMUNIZATION AWARENESS CLASS AND ADMINISTRATION OF IMMUNIZATION

The Pulse Polio Initiative was started with an objective of **achieving hundred per cent coverage under Oral Polio Vaccine.** It aimed to immunize children through improved social mobilization, plan mop-up operations in areas where poliovirus has almost disappeared and maintain high level of morale among the public. The Pulse Polio Programme 2022 is **to commence in India from February 27**. The polio drive will be organized, keeping in mind all the COVID-19 specific protocols.

Community Health Nursing Department and NSS unit of Nehru College of Nursing had participated in Pulse Polio immunization programme organized by Family Health Centre Vaniyamkulam on 27th Feb 2022. The programme was inaugurated by Vaniyamkulam Panchayath president Mr. .Gangadharan& Other dignitaries were Dr. Sreehari(Medical Officer Family Health Center Vaniyamkulam) Mrs. Indira(Lady health inspector Vaniyamkulam FHC,) Mrs. Sindhu(Ward Member Vaniyamkulam Panchayath) and other staff of Vaniyamkulam FHC . Around 10 students of 2nd year BSc Nursing were part of this programme along with Mrs. Shincy k Lecturer Nehru College of Nursing. Approximately 82 children got vaccinated in this programme in family health center Vaniyamkulam.

(Approved by Indian Nursing Council, Kerala Nurses& Midwives Council& Kerala Government
Affiliated to Kerala University of Health Sciences)

"More than one billion people, or approximately 15 per cent of the world's population, live with some form of disability; 80 per cent live in developing countries. INTERNATIONAL DAY OF PERSONS WITH DISABILITIES aims to promote the rights and well-being of persons with disabilities in all spheres of society and development, and to increase awareness of the situation of persons with disabilities in every aspect of political, social, economic and cultural life.The theme for IDPD this year is "Leadership and participation of persons with disabilities toward an inclusive, accessible and sustainable post-COVID-19 world."

To make this day effective & purposeful the 3rd year students of NEHRU COLLEGE OF NURSING (NCN) had done a visit to POLYGARDEN Lakkidi , A resident home for physically & mentally challenged. The students had made the day the effective with making the inmates being participated in different games & different cultural events. Students were very keen in in making the participation of each inmates of Polygarden. These kind of participations are really beneficial for them to develop their hidden skills & talents. On behalf of NCN family the students had given worthy present to the Institution which will beneficial for the inmates

Even though physically & mentally challenged they still have a lot of obvious abilities. By organizing such events & ensuring their participation they can raise their standard as social citizens as much as like other individual in the society which is the focus & theme of the day.

The 3rd year students improved their skill to handle mentally and physically challenged in the community.

HEALTH CAMP

Nehru College of Nursing(NCN) promoted by Nehru Educational and Charitable Trust works with the vision of serving the society by improving the health and quality of life through excellence in Nursing Practice Education Research and Community service. The students of NCN are always keen in serving the society & never miss a chance for serving the people. Here the NSS volunteers of 4th year BSc Nursing Mr. Midhilaj , Ms Angel , Ms Assiya & Ms Diya got a golden opportunity to be a part of the medical camp organized by our parent hospital P K DAS INSTITUTE OF MEDICAL SCIENCES who works with the aim to provide world-class healthcare at the least possible cost. There were two camps organized in the nearby days. On 24th March 2022 the camp was at CHALAVARA. On 26th March 2022, it was at LAKKIDI , around 1000 people from different social levels attended the camp & we were able to rule out many health crises among them. All of them was provided the best medical service & was referred to PKDIMS for better treatment.

Being one of the best health care institution in Kerala who mould the best health care professionals it's a greater privilege and pride to be a part of society , showing concern and commitment to the people those who need it at most.

The final year students gained skill in providing nursing care in a medical camp and the public who attended the camp gained free consultation with expertise of P K DAS Institute of Medical Scienc

REPORT OF COVID 19 VACCINATION CAMPAIGN

The Kerala government on Sep 4th 2021 launched the "Be the warrior" campaign by, state Chief Minister Pinarayi Vijayan to tackle the third wave of the Covid-19 pandemic if it were to arrive. The aim of the campaign was to reduce the severity of the third wave and also to speed up the vaccination. While this proves the effectiveness of the preventive measures adopted by the State, this further points towards the need to accelerate the vaccination process and achieve universal coverage among the eligible population within the shortest time."

The students of Nehru College of nursing had got a relevant chance to be a part of the "BE THE WARRIOR" campaign by the state Govt of Kerala. The 4th year & 2nd year B.Sc. Nursing students during their Community Health Nursing posting played a part in the vaccination campaign organized by the Family Health Care Centre Vaniyamkulam & Community Health Centre, Ambalapara as well as the camps conducted at the local centres under them. The students who worked at the vaccination centres along with the staff, participated in all the activities there and made the people aware of the need for COVID vaccination

This event is NCN student's proud moments being able to participate in such activities of the Govt. which is effective in eradicating the COVID pandemic

AWARENESS CAMPAIGN ON WORLD HEALTH DAY 2022

The World Health Day is celebrated every year to raise awareness about the on-going health issues that concerns people across the world. The day is also used as an opportunity to spread awareness about the overall health & well-being of people. In the midst of a pandemic, a polluted planet, increasing diseases like cancer, asthma, heart disease, on World Health Day 2022, WHO focus global attention on urgent actions needed to keep humans and the planet healthy and foster a movement to create societies focused on well-being. The theme for this year's World Health Day is "Our Planet, Our Health".

The first year students of Nehru College of Nursing (NCN) had got an golden opportunity to be a part of the awareness campaign organized by our parent hospital P K DAS INSTITUTE OF MEDICAL SCIENCES (PKDIMS) on 7th April 2022. The official inauguration of the campaign was done by our honourable Chairman & Managing Trustee Adv Dr. P Krishnadas at PKDIMS. Dr R C Krishnakumar, Director Operations PKDIMS had done the flag off of the campaign.It was a three day campaign planned to cover the major town areas in Palakkad District & NCN buds had given their contribution on the first day of the campaign . It comprised of a flash mob conducted by the first year students of NCN and distribution of pamphlet regarding world health day. The health care packages and facilities that are provided in PKDAS Hospital are explained. On that day the campaign was conducted at major areas of Ottappalam block such as Cherplassery ,Vallappuzha , Koppam , Pattambi, Kulappulli, Shornur and Ottappalam.

Being the health professionals in future, it was a great opportunity for the First year students to be a part of such a big campaign. The public came to know the importance of health for their well being and also the health care facilities available in P K DAS INSTITUTE OF MEDICAL SCIENCES.

WORLD BREAST FEEDING WEEK

World breast feeding day was celebrated on 4/08/2021 at Family Health Centre, Vaniyamkulam by IV year B.Sc Nursing Students. The program was started by a prayer song. The gathering was welcomed by Mrs. Aswani. B. Assistant professor , Child Health Nursing and presidential address was given by Mr Suresh Thambi Health Inspector FHC Vaniyamkulam. The Programme was Inaugurated by Dr Jubina Fasal. Felicitation was given by Mrs. Indira LHI.

Then Health Education program was given on the topic about Importance of exclusive and expressed breast feeding, Preparation for Breast feeding Diet to be followed during Breast feeding, types of breast milk, positions during giving feeding, after care of baby. These session was delivered by Mr.Ashique, Ms. Anjana Jolly and Ms. Angel Thomas. People came for OPD sessions and immunization at the PHC had attended the sessions. Vote of Thanks was given by Mrs. Shincy. K, Lecturer, Community health Nursing.

This kinds of awareness programmes helps the mothers to acquire desirable knowledge regarding breast feeding and improve the health of babies, thus by we can build healthy Community.

The final year students improved their teaching skill as well as their co-ordinating skill.

NATURE TO NATURE

WORLD ENVIRONMENTAL DAY 2022

Sustainability and the protection of the environment are without a doubt among the most pressing issues we face in the world today. The core necessities of life all come from Mother Nature and, unfortunately, we take it for granted. World Environment Day encourages everyone from individuals to large-scale corporations to be more conscious of their impact on the environment. The theme for this year's celebration of World Environment Day is **'Only One Earth.**

With regards to World environmental day 2022 Nehru college of nursing in association with OUSHADHI , Kuttanallur organized planting a herbal garden in the campus. The official inauguration & handing over of the saplings was done by Dr. Praseetha specialist Medical Officer, Ayushgram On 7th June 2022. Dr Kavitha mole P J Principal NCN addressed the gathering made the students aware about the importance of protecting the nature & planting trees . Mrs Zaina Elisebath expressed the token of gratitude. This kind of events makes the students aware that protecting our environment is the foundation for sustaining our planet, community and economy & as the upcoming citizens it is one of their primary responsibilities.

GARBA 2K22

NUTRITION FEST

It is very well known that Nutrition plays a very important role in our life – from the time a child is born in the womb and it continues even after birth.Food has major role in promoting health. Nurses promote healthy nutrition to prevent disease, assist patients to recover from illness and surgery, and teach patients how to optimally manage chronic illness with healthy food choices. It is important that nurses understand proper nutrition as it relates to recovery as well. Proper nutrition is not only important for preventing disease, it is also crucial to the recovery process.

As a part of Nutrition & Dietetics practicals The KRENOVENTS 2nd Sem BSc Nursing students of Nehru College of Nursing conducted two days Nutrition fest under the guidance & supervision of Ms Anu Eldhose (Dietitian, P K Das Hospital) on 13th & 14th Dec 2022 with the aim of making nursing students aware about the importance of nutrition and Dietetics. The program was mainly focusing on certain diets like Diabetic , Renal ,low fat , pregnancy, Adult sedentary man & women. Along with this special focus was given to Potassium, calcium , iron , protein,folic acid & vit C rich diet. The event was officially inaugurated by our principal Dr Kavithamole P I & our vice principal Prof Priya Mary Stella. All the students in the S2 batch had given outstanding effort & prepared delicious dishes & presented their clinical significance. All the teaching & non teaching staffs of NCN took part in the event & were overwhelmed by the taste of the healthy food prepared by the students.This event was a lesson for the students as they went through a great experience in preparation of healthy food & this really made them aware about its importance.

25th April 2023

SEMINAR ON WORLD MALARIA DAY 2023

"According to the World Health Organization (WHO), in 2020, there were an estimated 241 million malaria cases worldwide, leading to approximately 627,000 deaths, with the majority of the cases and deaths occurring in sub-Saharan Africa. The theme for World Malaria Day 2023 is "Reaching the Zero Malaria Target". The theme aims to mobilize communities, governments, and partners to accelerate efforts towards the WHO's global technical strategy for malaria 2016-2030, which aims to reduce malaria cases and deaths by at least 90% by 2030."

The community health department of Nehru College of nursing had organized a seminar on 25th April 2023 at NCN auditorium with regards to WORLD MALARIA DAY 2023. Prof. Zaina Elizabeth Jose (CHN Dept NCN) welcomed the gathering. Following this an awareness class on Malaria was handled by Mr Nowfel (Asst Prof CHN Dept NCN) All the 3rd SEM students were attended the seminar. These kinds of well informative & insightful sessions really help the students to gain more knowledge. The event concluded with a token of gratitude by Mrs Rose Jose (Asst Prof CHN Dept NCN).

8/5/23

WORLD THALASSEMIA DAY 2023

On behalf of world thalassemia day semester III Bsc nursing students conducted a seminar on the topic "Thalassemia, to give awareness and knowledge about the disease condition to the nursing students. This year the theme of world thalassemia day is 'strengthening education to Bridge the Thalassemia Care Gap'. It is an open call to work with global communities in raising awareness about Thalassemia and its possible treatment options. The programme conducted at NCN auditorium on 8/5/23.The dignitaries on the dice were Dr. Binu Babu(Associate professor, Medical surgical nursing, Nehru college of nursing)Mrs Jincy Ealias , Associate professor, Medical surgical nursing, Nehru college of nursing)Mrs.Sruthi M(Lecturer, Nehru college of nursing)Mrs Lekshmi Devi(Lecturer, Nehru college of nursing),Ms. Meena (Lecturer, Nehru college of nursing). In this seminar students discussed about the definition, types, signs and symptoms, pathophysiology, Etiology, risk factors, diagnostic evaluation, management and health education, prevention by using attractive audio visual aids. Here students done a great job this seminar was effective to all peer group as well as other groups.

MAY 24 2023

WORLD SCHIZOPHRENIA DAY 2023

Cases with descriptions associated with schizophrenics began to be recorded in the 17,00s; the disease has been around since early civilization. This disorder affects about 3/1000 individuals. It is more common in men, and in terms of age of onset, men tend to be younger by an average of about five years than women when they develop schizophrenia. Schizophrenia is a mental disorder characterized by persistent psychotic symptoms.

As a part of this special day, Psychiatric Guild Palakkad and Manomithra Psychiatric Care and Counselling Centre Palakkad jointly conducted a motivational seminar in Golden hall of Joby's mall, Palakkad on 24/05/2023 from 9.30 am to 12.30 pm. The program was started with a prayer followed by an inauguration ceremony by lighting lamp, presidential address, felicitation and vote of thanks. Students from different institutions was participated in the seminar. 20 students were participated in the program behalf of Nehru College of Nursing. After the tea break the seminar was started by Mr. Parthasarathi R, consultant psychologist, Manomithra. The topics included are illegal drug use after Covid-19, related suicides and crimes and early detection of such problems and its prevention. The session was very effective and motivational.

8th May 2023

WORLD HAND HYGIENE DAY CELEBRATION-2023

Hand hygiene saves millions of lives every year when performed at the right moments during health care delivery. Word hand hygiene day is a global health care event observed on the 5th may every year, intending to unite people worldwide to increase awareness about hand hygiene standards in healthcare facilities, thereby protecting healthcare workers and civilians from infections.

World hand hygiene day 2023 is organized by medical surgical nursing department on 8th May 2023 at NCN auditorium at 4 pm. The program started with welcome speech by Ms. Sivalaya Sagar. III semester B.Sc nursing students conducted a flash mob on importance of hand hygiene followed by a demonstration on steps of hand hygiene. Also a mime was conducted to show the "5 moments of hand hygiene" in a health care setting and revealed the theme of world hand hygiene day 2023 - "Accelerate action together: Save Lives; Clean your hands". The program was concluded by vote of thanks by Ms. Aleesha P Joy. The program could rise an awareness on importance, steps and moments of hand hygiene among students.

20th APRIL 2023

PANEL DISCUSSION ON

HEALTH EQUITY: HEALTH FOR ALL

A panel discussion is a structured conversation that brings together multiple experts or stakeholders to explore a specific topic, share their perspectives, and engage in lively discourse. This format is highly effective in events, as it allows for a variety of viewpoints to be presented, fostering a rich and informative experience for the audience.

Nehru college of Nursing always promotes the best learning experience to the students. With regards to world health day 2023 the Community Health Nursing Department of NCN had conducted a panel discussion Competition on 20th APRIL 2023 on the topic "Health for all" at 10:00 am at NCN auditorium. Ms Sneha K (4thyear BSc Nursig) welcomed the gathering . Dr. Prof. Srinivasan Gandhi ,(Principal of Nehru College of Nursing) inaugurated the event by unveiling the theme of world health Day 2023. Following this Prof. Zaina Elizabeth Jose, (Community health Nursing Dept) gave felicitation to the event.

After the official function, the panel discussion started with 3 groups as participants. Prof. Priya Mary Stella (Vice Principal) ,Prof Ushas Jose(HOD community health nursing department) and Lt. Col. Regina(Asso Prof, HOD OBG Depmt) were the judging panel of the competition. The first group was the outgoing batch students & they discussed about preventive measures of disease The second & third group was from the 4th year students & they discussed about the relation of peace with health & maternity and child health. All the three groups had given their best performance & the competition was very tight. In the heavy competition the first group outgoing batch secured the 1st position. The group moderator was Ms Alousiya and the group members were Ms Annu Rose, Ms Sangeetha, Ms Aparna A S & Mr Vishnu K. The event concluded with the Vote of Thanks by Ms Aleena Thomas (4th year BSc Nursing)

REPORT ON WORLD ASTHMA DAY CELEBRATION-2023

World asthma day is a global healthcare event commemorated every year on first Tuesday in every year to promote awareness of asthma worldwide. Asthma is the most frequent chronic condition among children and adults worldwide. According to WHO 26.2 crore people suffer from asthma, with a mortality count of 4.55 lakh globally. This year the world asthma day theme given by global initiative for asthma is "Asthma care for all". Celebration of world asthma day is to increase global awareness and improve patient care worldwide.

As a part of celebration of world asthma day 2023, department of medical surgical nursing organized programmes on 8th May 2023 at NCN auditorium at 2.30 pm. III semester students conducted a health play based on the theme "asthma care for all" and quiz competition. Students of different batches participated in the quiz competition. Mr. Aadil Rayz, Mr. Abdhul Radheed, Mr. Niranjan L Govind and Mr. Kailas won the first prize in the quiz competition and the winners are awarded by Dr. Binu Babu, Professor, NCN. The program was concluded by vote of thanks by Ms. Aleesha P Joy. The program could raise awareness on asthma care and encouraged a collaborative management measures for asthma patients among students.

29th April 2023

WORLD IMMUNIZATION WEEK 2023

24 to 30 April is World Immunization Week. World Immunization Week, celebrated, aims to highlight the collective action needed and to promote the use of vaccines to protect people of all ages against disease. Through its convening power, WHO works with countries across the globe to raise awareness of the value of vaccines and immunization and ensures that governments obtain the necessary guidance and technical support to implement high quality immunization programmes. The ultimate goal of World Immunization Week is for more people and their communities to be protected from vaccine-preventable diseases.

Nehru college of nursing had organized a **QUIZ competition** on **29th April 2023 10.30 am** at IV Year Bsc nursing classroom in accordance with World Immunization Week. The program was organized by Department of Paediatric Nursing, Nehru College of nursing and the participants were IV year Bsc nursing students. Students were divided into 6 groups of 10 students in each group. There were 2 rounds that include a general round and an audio visual round. Questions were related to immunization and vaccines. All the students participated actively and Group 5 won the quiz. Dr.Prof.Srinivasan Gandhi, Principal ,Nehru College of Nursing congratulated and distributed prizes to the winners.

As a part of NSS and Community Health Nursing , we conducted an awareness programme regarding peptic ulcer in PKDAS on 22/3/2023 at 10:00 am for outpatients. The awareness programme was inaugurated by Mrs. Priya Mary Stella vice principal of Nehru College of Nursing , the content was presented by Arya , Gopika and Pranav . . A peptic ulcer is a sore on the lining of your stomach, small intestine or esophagus. A peptic ulcer in the stomach is called a gastric ulcer. There were almost 45 people gathered for this awareness programme. We explained in detail about its causes, clinical features, management and prevention with the help of appropriate audio-visual aids. It takes about 30mins . the audience cleared their doubts by raising questions after the session.

Awareness program on Prevention of Accidents

As a part of NSS and Community Health Nursing, an "Awareness Program on Prevention of Accidents" was organized in Community Health Centre, Shornur on 18/08/2022 at 10.30 am for outpatients. The awareness program was inaugurated by Mr.Midhun J, PHN. The content was presented by Athira, Charutha, Ayana, Ashna & Assiya

Preventing accidents is easy when you know what to do. Accident prevention is the plans, preparation, and actions taken to avoid accidents or stop them from taking place. There were almost 45 people gathered for this awareness program. we explained in detail about various causes, management, and prevention of major forms of accidents that occur in our everyday life with the help of appropriate audio–visual aids. It took 30 minutes for presentation. The audience cleared their doubts by raising questions after the session.

The students gained knowledge from different resources regarding accidents, its incidence, types and preventive measures. The public got information regarding prevention of accidents .

REPORT OF AWARENESS PROGRAM ON DIET AMONG OLD AGE PEOPLE

The fourth-year B.Sc nursing students of Nehru College of Nursing went for an old age home visit on 24 September 2022 at"Emmanuel Geriatric Centre", Thiruvilwamala. The institution is run by Mr.Isac and Mrs. Maneesha, since 2004. There were a totally of 11 old age people and two orphan children. There we conducted an awareness program regarding diet among old age people under the guidance of our faculties Mrs. Zaina Elizebath and Mrs. Rose Jose. All the inmates were diabetic free so we prepared tapioca, fish curry, and chammanthy along with black tea. We spend a whole day with them made them entertained and also gave financial support to them. Students gained knowledge regarding the requirements of nutrients for old age. The oldage people got nutritious food on lunch time and acquired informations regarding their nutritional requirements.

REPORT OF MEDICAL CAMP ON DEAF AND DUMP GOVERNMENT SCHOOL, KANIYAMPURAM

Deaf and dump is an archaic term that is considered offensive. Many deaf people do not use a spoken language, thus they are technically mute. The dump has also meant mute. Being deaf is not a mental illness; it's simply a problem with their hearing, and that can affect their ability to speak clearly or in some cases at all.

As a part of the NSS Campaign, the 4th year BSc.Nursing students of Nehru College of Nursing have got an opportunity to be a part of the medical camp on Deaf and Dump Government School, Kaniyampuram in collaboration with the Primary Health Center, Lakkidi. The program was conducted on 21-07-2022 at 10 am. Around 50 students participated in the medical camp. Mainly the screening tests for anemia and physical examination of the students were done.

Through this medical camp, signs and symptoms of anemia were noted among some of the students. It became beneficial for them to seek early treatment. Students gained skills to use different screening tests and do the thorough physical examination.

HRIDHAYATHALAM

World heart day 2k22

World Heart Day (29 September) is an opportunity for everyone to stop and consider how best to use heart for humanity, for nature, and for self. Beating cardiovascular disease is something that matters to every beating heart. World Heart Day 2022, is asking the world to: USE HEART FOR EVERY HEART. Use Heart means to think differently. To make the right decisions. For Every Heart involves the use of "FOR" and swings the focus from the actions themselves to the beneficiaries of the actions, allowing for wider application of the campaign while also making it more personal

Thinking a different approach which is good for cardiac health, P K Das institute of medical sciences in coordination with NSS unit in Nehru College of Nursing & other colleges under NGI organized a marathon & zoomba segment on the World heart day September 29th 2022. With unconditional effort & unity the event made remarkable on the special day. The marathon was followed by the inaugural function. Honourable Chairman & managing trustee Adv Dr P Krishnadas inaugurated the event officially. Dr R C Krishnakumar (Director operations PKDIMS), Dr Frijo George (Cardiologist PKDIMS), Dr M A Androose (Principal PKDIMS) & many other dignitaries addressed the gathering & reminded the importance of this special day. The Medallions our 3rd year BSc Nursing students manifested outstanding performance in the event & Mr Rahul secured 3rd position in marathon boys Ms Farshitha got second & Ms Aksa got third from girls side & received prizes from Honourable Chairman & Managing trustee Adv Dr P Krishnadas. A vibrant zoomba session was led by the zoomba trainer Dr Gouri Megha after the marathon. Our students had participated in this session very energetically. This was followed by releasing of red love balloons in the sky which representing the theme use the heart for every heart.

HRIDHAYATHALAM

World Heart Day 2k22
(Organized by PKDIMS)

World Heart Day (29 September) is an opportunity for everyone to stop and consider how best to use heart for humanity, for nature, and for self. Beating cardiovascular disease is something that matters to every beating heart. World Heart Day 2022, is asking the world to: USE HEART FOR EVERY HEART. Use Heart means to think differently. To make the right decisions. For Every Heart involves the use of "FOR" and swings the focus from the actions themselves to the beneficiaries of the actions, allowing for wider application of the campaign while also making it more personal

Thinking a different approach which is good for cardiac health, P K Das institute of medical sciences in coordination with Nehru College of Nursing & other colleges under NGI organized a marathon & zumba segment on the World heart day September 29th 2022. With unconditional effort & unity the event made remarkable on the special day. The marathon was followed by the inaugural function. Honourable Chairman & Managing Trustee Adv .Dr. P. Krishnadas inaugurated the event officially. Dr R C Krishnakumar (Director operations PKDIMS), Dr Frijo George (Cardiologist PKDIMS), Dr M A Androose (Principal PKDIMS) & many other dignitaries addressed the gathering & reminded the importance of this special day. The Medallions, 3rd year B.Sc Nursing students manifested outstanding performance in the event & Mr. Rahul secured 3rd position in marathon boys, Ms. Farshitha got second & Ms. Aksa got third from girls side & received prizes from Honarable Chairman Chairman & Managing Trustee Adv. Dr. P. Krishnadas. A vibrant zoomba session was led by the zoomba trainer Dr Gouri Megha after the marathon. Our students had participated in this session very energetically. This was followed by releasing of red love balloons in the sky which representing the theme use the heart for every heart.
Students could attain the knowledge regarding the concept of word health day and they could deliver the same thing to the public also.

NSS VOLUNTEERS PARTICIPATION IN THE MEDICAL CAMP

All the NSS volunteers who opt to serve the nation through the NSS lead community service with pride and a sense of responsibility towards helping the needy. Being one of the major part of the health care system it the responsibility of the nurse to take steps forward for those who are in need of the health care facilities.

The NSS Volunteers of Nehru College of Nursing were a part of the health camp & the first aid clinic organized by P K DAS INSTITUTE OF MEDICAL SCINECE at THIRUVILLUAMALA , SREE VILLUADHRI KSHETHRA NIRAMALA MAHOLSAVAM on 22nd Sep 2022. Our NSS volunteers from 4th year BSc Nursing , Mr. ARUN & Mr . ALEN CHERIYAN had given a dedicative work there in the camp along with the efficient medical professionals from our parent hospital P K DAS Institute of Medical Sciences. Such social commitment & responsibility of our students are admiring & these really help them to be the best professional in future.

Students gained skills to perform screening tests and to run first aid clinic. The public got an opportunity to identify the problems earlier and to seek further management.

SCHOOL HEALTH PROGRAMME & SANITATION CAMPAIGN

As a part of Community Health Nursing and NSS activity, Nehru College of Nursing & NSS volunteers conducted a school health programme on 28-9-2022 at TRK Higher Secondary School, Vaniyamkulam from 9:30 am to 3:00 pm.

School health programme is carried out with the community to promote and protect the health of students as well as school personnel. Around 107 students took part in school health programme,57 boys,50 girls respectively. An Optometrist Mrs. Reshma and a House surgeon Mr. Nirmal participated in this programme. Their sincere service makes the programme successful. All students have undergone both ophthalmic screening and medical check-up. The student assisted for screening and take anthropometric measurements of all school children. Health education given to them about menstrual hygiene and substance abuse. Health exhibition was conducted by using charts and specimens.

In the afternoon session, a sanitation campaign was conducted by NSS volunteers from 2pm -4pm. They cleaned the school ground. It was uplifted the Swachh Barath theme of our nation among school children. The team work of our students make the school health programme successful.

Students acquired knowledge, skill and attitude regarding ophthalmic screening, medical check up and anthropometric measurements. The school students got information regarding their weight, height, BMI and their health status.

EQUALIZE - World AIDS Day 2022.

To spread awareness about devastating effects of AIDS and about the measures to be taken to prevent the spread of HIV virus. The UN observes 1st day of December of every year as the World AIDS Day. People around the world unite to show support for people living with and affected by HIV and to remember those who lost their lives to AIDS.

The inequalities which perpetuate the AIDS pandemic are not inevitable; but we can tackle them. This World AIDS Day, UNAIDS is urging each of us to address the inequalities which are holding back progress in ending AIDS. The "Equalize" slogan is a call to action. It is a prompt for all of us to work for the proven practical actions needed to address inequalities and help end AIDS.

The Nehru College of Nursing NSS unit and the department of community health nursing organized very informative programs like Skit, Flash mob to provide all facets of awareness about the AIDS on this World AIDS Day, 2022 at P K Das Institute of Medical Sciences, Ottappalam Bus stand, and TRK Higher Secondary School, Vaniamkulam. The students also conducted a quiz competition at TRK Higher Secondary School. Students actively participated in all the programs and provided more information to public about prevention of AIDS and also explained the importance of theme "Equalize".

The Public got an awareness regarding AIDS through the skit and flash mob. Students have improved their skill in educating the public through various methods.

AWARENESS PROGRAMME ON PREVENTION OF NON-COMMUNICABLE DISEASES

As part of NSS and community health nursing, an awareness program was conducted regarding the prevention of non-communicable diseases in CHC. The awareness program was inaugurated by Mr. Midhun JPHN. The content was presented by Aparna A S, Ansil Shabu, Anju Saju, Anjana, and Anisha.

The fourth-year B.Sc nursing students got an opportunity to conduct an awareness program regarding the prevention of non-communicable diseases which is more common among community settings. Prevention of noncommunicable diseases is very easy when you know what to do. Non-communicable disease prevention is the plans, preparation, and action taken to avoid non-communicable diseases. This awareness program was given to 40 patient and was beneficent and its causes, and management was discussed. It takes about 25 minutes. The audience Cleared their doubt by rising questions after the session. Students got knowledge regarding the significance of non communicable diseases and its prevention. This awareness programme provided additional knowledge about the measures to prevent non communicable diseases.

Emerging diseases and their Prevention

As a part of NSS and Community health nursing, the IV-year B.Sc nursing students got an opportunity to conduct an awareness program regarding EMERGING DISEASES AND ITS PREVENTION. A health awareness program was conducted in Lakkidi PHC and inaugurated by medical officer Dr. Sabu. The content was presented by Chelsiya Nixon, Chinchu C.P., Diya Rose, Dona Rose, Emili Elsa, Geethanjali, Haritha R Nair, Hilda, and Jithisha.

Emerging infectious diseases

Emerging diseases include HIV infections, SARS, Lyme disease, Escherichia coli O157:H7 (E. coli), hantavirus, dengue fever, West Nile virus, the Zika virus, Corona virus, Ebola virus, etc. Reemerging diseases are diseases that reappear after they have been on a significant decline.The team discussed the disease conditions, management, and preventive measures. Nearly 11 members took part in the awareness program. The audience benefited from the program by clearing their doubts and active participation. The people who were in PHC acquired knowledge about the emerging diseases and its prevention. The students developed their learning and teaching skills, ablility to interact with others and attitude towards health education for public.

'NO TO DRUGS' AWARENESS CAMPAIGN

Venue: - Vaniyamkulam Grama Panchayath

The Government of Kerala had launched a comprehensive 'NO TO DRUGS' campaign to make the southern states free of destructive contrabands and it would be achieved by any means. The Government of Kerala initiated several antidrug campaigns. Campaign made as a part of curriculum under the consideration of Government, for seeing that everyone should come together without any prejudice to secure the future of country and it's children. Active participation of students and youth organizations are encouraged to ensure in the fight against drugs.

As a part of antidrug campaign Nehru College of Nursing and NSS unit conducted an antidrug rally and awareness programme in collaboration with Vaniyamkulam Grama Panchayath on 31st October 2022 at 9.30am. 60 students of Nehru College of Nursing take part in the programme. Inauguration done by Panchayath President Mr. Gangadharan. Speech about antidrug done by Panchayath member Mrs. Sindhu. Rally conducted from P K Das hospital to Vaniyamkulam Grama Panchayath.Students actively take part and displayed placards about anti-drug and after that given an awareness programme.

By this programme public got an awareness regarding the drug abuse and its after effects. Students improved their skill to educate the public.

BREAST FEEDING WEEK 2K22

(AWARENESS PROGRAM)

Breast feeding week 2022 focus on strengthening the capacity of acts that have to protect, promote and support breastfeeding across different levels of society. These actors make up the warm chain of support for breastfeeding. Target audiences including governments, health systems, workplaces and communities will be informed, educated and empowered to strengthen their capacity to provide and sustain breastfeeding-friendly environments for families in the post pandemic world. This year, the theme for World Breastfeeding Week (WBW 2022) is "Step up for Breastfeeding - Educate and Support."

With regards to world breast feeding week community health nursing department & ZAPHAYERS organized an awareness program at Primary health center Lakkidi for the breast feeding mothers on 10th Aug 2022 11am. The aim of this program is to promote breastfeeding and bring the breastfeeding community together. People need to be informed about breastfeeding's advantages. The session discussed about bioactive components of breast milk , nutrition & diet during breast feeding , positions of breast feeding, common breast feeding struggles. In This World Breastfeeding Week, let's join hands and promote breastfeeding while educating ourselves and others about the theme, history, and significance of world breastfeeding week.

INSTITUTION'S INNOVATION COUNCIL

EXHIBITION OF HERBAL PLANTS

"Plants have been used for medicinal purposes long before prehistoric period. According to WHO, around 21,000 plant species have the potential for being used as medicine. The economic importance of medicinal plants is much more to countries such as India than to rest of the world. As our lifestyle is now getting techno-savvy, we are moving away from nature. So medicinal plants are important for people, not only as a primary source of medicines but also as phytochemical building blocks for development of new drugs "

Community health Nursing department & NSS Unit of Nehru college of nursing organized a exhibition of herbal plants at Govt Voc H S S Koonathara on 17th July 2022 with the aim of making the public aware about the relevance of using medicinal plants in their day today life. Our 4th year BSc Nursing students were the main organizers of this event. Herbs of different categories were displayed in the exhibition & the students explained about each plant & its medical use. Public from local areas & the students of that school were active part of the exhibition. Through this event we tried to spared the message to the public that herbs are natural products they are free from side effects, they are comparatively safe, eco-friendly and locally available & there is a need to promote them to save the human lives. Such interesting & novel ideas for creating public awareness to be certainly appreciated

NCN participation in AROGYA MELA 2K22
Organized by Ottappalam Block Panchayath

Awareness plays a key role in approach to improving access to healthcare. Awareness programs seek to empower communities, medical professionals and patients with appropriate tools, information and skills so that they can make high-quality, informed decisions on prevention, diagnosis, treatment, care, and support.

The department of Community Health Nursing & NSS unit of Nehru College of Nursing got an opportunity to be a part of the health awareness program organized by Ottappalam Block Panchayath including all the Government & private health institutions in Ottappalam block. The program was held in two consecutive days. On 16th July 2022 an awareness rally was conducted, which was from P K DAS Institute of Medical Sciences to Vaniyamkulam Panchayath office. Staffs from different Government & Private Health Care institutions, students from different nursing institutions, ASHA workers, Kudumbashree workers and the other healthcare providers were accompanied in the Rally with pluck cards which conveyed the message of importance of health. The rally singed off with a flash mob by the final year students of Nehru College of Nursing.

On 17th July 2022 an awareness exhibition was conducted at Government Vocational Higher Secondary School, Koonathara. Each of the health institutions prepared a stall which represents different health aspects. Our 4th year students were dealing with maternal & child care. The stall was equipped with different charts & models which explains the concept. Around hundreds of public from the nearby areas attended the event. Team NCN is very privileged & proud to a part of this great event. As the future health care provider, students are the ones who provide the hands-on care & one of the most critical roles that they have in health promotion and disease preventions.

Public got knowledge about critical role possessed by a nurse, health promotion and disease prevention methods through different models and charts . The students took efforts to create these visual aids. So they gained skills to prepare, learn, educate and deliver the content very effectively.

REPORT ON WORLD DIABETES DAY

World diabetes day was celebrated on 14/11/2022.The theme was "Education to Protect Tomorrow". There is a need to strengthen access to quality education on diabetes both for the health team and for people living with diabetes, their caregivers, and society in general. It was conducted as an health education programme and it was conducted at surgical ward , PKDIMS. Total number of participants were 30.They were enthusiastic and asked relevant questions regarding the topic. They were benefitted with the health education programme and expressed their gratitude towards Nehru College of Nursing

WORLD HYPERTENSION DAY MAY 17. 2023

The WHO South East Asia Region is accelerating action to prevent, detect and control hypertension which affects an estimated 1.28 billion people globally, two thirds of them in low –and middle – income countries. The theme of this year's World Hypertension Day – *"Measure Your Blood Pressure, Control it, Live Longer"*- highlights the need to increase the awareness and access for all people in the region to quality hypertension services.

As a part of this special day, Mental Health Department along with third year BSc nursing students conducted a programme in PK Das Institute of Medical Sciences on 17/05/2023 at 2pm. Students started the programme with an introduction regarding the day and the programme. Programme began with a flash mob and a role play. 20 students were participated in the programme and 50-80 audiences (clients, bystanders and other hospital staffs) witnessed the programme. The role play was very informative and useful for the people and they covered onset, its causes, manifestations and management of hypertension in a comic and interesting way. The session was ended with a health education regarding hypertension. We realized that the programme made the people aware about hypertension when reviewed the feedback from audience.

WORLD HEPATITIS DAY

World Hepatitis Day (28/07/2022) was celebrated on 29/07/2022 with the theme "Bringing hepatitis care closer to you", aiming to raise awareness about the need to simplify and bring hepatitis care to primary health facilities, community-based venues and locations beyond the hospital sites, so that care is closer to communities and people wherever they are . It was celebrated as an health education programme and it was conducted at medical ward of the parent hospital P K DAS Institute of Medical Sciences. The number of participants were 15.They were excited about the session and doubts were clarified.

Authorized by

As a part of NSS and Community Health Nursing , we conducted an awareness programme regarding wound healing in PKDAS on 28/3/2023 at 10:00 am for outpatients. The awareness programme was inaugurated by Mrs. Priya Mary Stella vice principal of Nehru College of Nursing , the content was presented by Athira , Aswathi and Bessy . A Wound healing mostly means healing of the skin. The wound healing begins immediately after an injury to the epidermal layer and might take years. There were almost 45 people gathered for this awareness programme. We explained in detail about its causes, clinical features, management and prevention with the help of appropriate audio-visual aids. It takes about 30mins . the audience cleared their doubts by raising questions after the session.

ANTI TOBACCO DAY AWARENESS PROGRAMME 2023

Anti-Tobacco awareness aims to encourage smokers to quit and to prevent young people from starting the habit. The theme of ANTI TOBACCO DAY 2023 is WE NEED FOOD, NOT TOBACCO. This theme emphasizes the importance of raising awareness about alternative crop production and marketing opportunities for tobacco farmers and encourage them to grow sustainable, nutritious crops.

Anti Tobacco awareness programme was organized with mutual effort of Community Health Nursing Dept. Nehru College Of Nursing, & Community Medicine Dept, P K. Das Institute of Medical Science, Vaniyamkulam.The program started with welcome address and unveiling the theme done by Mrs.JUBEENA Associate Professor, PK Das Institute of Medical Science, Vaniyamkulam. DR. R.C.Krishnakumar Honorable Director Operations PKDIMS done the inauguration & welcoming for the programme

NSS Volunteers of NCN performed an excellent and remarkable thematic dance (Ms.Annaina J Tom and group members) who were guided by Mr. Nowfel PM, Mrs. Rose Jose and Mrs Sherin Thomas Nursing Faculties , Community Health Nursing Dept. Nehru College Of Nursing, Vaniyamkulam. Followed by an enhancing role play by PKDIMS students.PK DAS Hospital,Vaniyamkulam. SICOMS College Pathirippala, Govt. ITI College, Vaniyamkulam was made aware of the programme by thematic dance in the hospital premise, auditorium of the respective areas. By raising awareness and promoting tobacco control measures, Anti-Tobacco Day plays a vital role in reducing the burden of tobacco-related diseases and promoting a healthier society

As a part of clinical posting we conducted an "Awareness programme on osteoporosis" in PKDIMS on 24/01/2023 at 10:30 am for outpatients.The awareness programme was inaugurated by Mr. Prabhin DNS.The content was presented by Abhijith,Alenta,Alisha Alex,Amal Shareefa,Nandana,Najiya Nasarudheen, Nayana and Priya Sara. Osteoporosis is a low bone mineral density caused by altered bone microstructure, ultimately predisposing patients to low-impact, fragility fractures.There are almost 45 people gathered for this awareness programme .We explained in detail about various causes,symptoms and management of osteoporosis.It takes about 30 minutes.The audience cleared their doubts by raising questions after the session.
